Form Extra Classes at Two Grade Schools

Portable Classrooms
Expected This Month
At Stallings School

Creation of an extra class to alleviate overcrowding at Frhardt grade school was voted Monday night by the Granite City school board, which authorized another class at Maryville grade school if facilities can be located.

An additional room is to be rented in Central Christian Church, located next to Frhardt school. Four current fourth grade rooms have enrollments of 36, 37, 38 and 24, the latter housed in quarters at the church. The fifth room will enable the larger groups to be reduced to about 30.

At Maryville school, the three first grade sections have 40, 39 and 28 pupils. Possibility of utilizing a nearby church is to be studied.

Meanwhile, site preparation is nearing completion at Stallings grade school, where arrival of two newly-purchased portable classrooms is anticipated this month. Action was taken Monday night to seek bids on extending electrical lines to the portable rooms.

Sidewalk Through Park
The board approved participation in a project to construct a five-foot-wide 725-foot-long asphalt sidewalk through Washington Park, from the Oregon-Benton street area to the walk in front of Netherland grade school.

The park district has determined that the cost would be \$1400 and the school board authorized payment of \$480 as one-third of the cost. Park and school contributions also have been discussed.

Action was taken on proposed partial relocation of State street at the point where it turns north and connects with Fehling road.

School officials indicated they would be receptive to some revision of the street, but said they did not agree with a plan presented on a map drawn up by the city traffic engineer, as it would use too much school land.

Purpose of the proposed change is to reduce the sharpness of the turn, permit more direct entrance onto Fehling road and provide additional parking space.

Decline Survey
It was decided not to have school traffic surveys by the traffic engineer, who had listed a cost of \$1250 an hour not to exceed \$500. Other ways of obtaining the information are to be explored.

The board ruled that candy and soda served by the Band Parents Association at high school concession stands are to be obtained through competitive bidding, beginning with the 1965-66 basketball season.

Brick was chosen for the new Granite City high school cafeteria and classroom building, which will match other GCHS wings.

Ways of easing Frhardt school traffic congestion, complicated by the current Central Christian Church construction project nearby, were discussed and are to be studied further.

In reply to a subdivision developer in the Mitchell grade school area, it was decided to agree to keep a concrete storm drainage ditch free of debris along school property, but not to work on the ditch elsewhere.

Actions Deferred
Action was deferred on financing a railroad tax objection action.

(Continued on Page 5, Col. 7.)

..BIRTHS..

Births recorded at St. Elizabeth Hospital:

GIRLS
Mr. and Mrs. Larry Hoffman, 2650 East 27th street, Oct. 11, Laura Marie, seven pounds, five ounces.
Mr. and Mrs. Floyd Peterson, 1840 Spring avenue, Oct. 13, Christine Lynn, seven pounds, three ounces.

BOYS
Mr. and Mrs. Royce Hester, 1723 Ferguson avenue, Oct. 11, Michael Lee, 10 pounds.
Mr. and Mrs. Charles Smith, 4103 Kirkpatrick Homes, Oct. 13, Charles Andrew, nine pounds, two ounces.

HERBERT MEDLEY

**Pistol Falls Off
Auto Seat, Kills
Starch Foreman**

Herbert A. Medley, 31, of 2137 Cleveland blvd., was wounded fatally in a freak mishap early Monday when he was climbing out of his car near Crystal City, Mo., and a pistol fell from the auto seat and discharged, wounding him in the stomach.

Mr. Medley, a feed house foreman at Union Starch & Refining Co., died the same day following surgery at Jefferson County Memorial Hospital near Festus, Mo.

With him at the time were his wife, Ruby, and the youngest of the couple's four children, 22-month-old David Medley.

Mrs. Medley, who said she was asleep when the accident occurred, told the Press-Record the family had been on an overnight visit with relatives at Carthage, Mo., a community near the Missouri-Tennessee border.

Returning to Work
They were returning home so her husband could report for work on the 7 p.m. shift Monday at the strike-bound plant. He had worked through Saturday evening.

Mrs. Medley had been driving the car when it hit a short time earlier switched places. A Crystal City police report stated that Mr. Medley had stopped to inspect his car on U.S. Highway 61-67 when the .32 caliber pistol fell out and discharged as he was getting out.

She explained her husband had been carrying a gun in the car when the family made long trips at night. "He had become more cautious since the trouble at the plant and was very disturbed Saturday after hearing reports that someone had shot at Mr. Keithley's home."

Mrs. Medley said they had learned that their son's blast had hit the front windows of the Belleville home of Glen F. Keithley, a vice-president and negotiator for the company, early Saturday morning.

Concerned About Children
Mrs. family has suffered no personal harassment in the current strike.

(Continued on Page 14, Col. 2.)

Retail Store Employees Ok New 2-Year Contract

A two-year contract covering 260 retail softgoods store employees, granting a seven-cent increase the first year and six cents the second, was approved Tuesday night by Retail Store Employees Local 435.

The union met at the Labor Temple to hear an offer by the Associated Retailers, and the proposal was accepted by a vote of 90 to 0.

Announcement of the acceptance was made jointly Wednesday morning by Miss Hetty Shepard, secretary-treasurer of the union, and Maurice Rich, who was chairman of the Associated

Retailers negotiating committee.

The new two-year pact is retroactive to Oct. 1, the expiration date of the old contract.

For women clerks, the new hourly scale is \$14.40; for clerks with less than six months experience, and after 18 months the rate is \$15.40. For male clerks the wages now range from \$17.30 to \$21.70. Pay for utility clerks is \$14.40 to \$15.10, and for porters and stock clerks, \$16.80 to \$16.65.

Following the contract meeting, the union selected Miss Sheppard to serve another term as secretary-treasurer.

\$1,320,000 Low Bid on 100 New Anchorage Units

Bids ranging from \$1,320,000 to \$1,408,792 were opened by the City Housing Authority Tuesday night on construction of a second 100 Anchorage apartments for the elderly.

No action was taken on the bids pending referral to the Chicago regional office of the Public Housing Administration. A reply is hoped for by the next housing authority meeting Nov. 2.

The bid opening was the only topic of business at the special meeting, and it was indicated that the amount of the proposals might create a financing problem.

Quotations were \$1,320,000 from Cannon Construction Corp., Wood River, \$1,329,311 from Leo Wolf Co., Granite City, \$1,343,000 from M. H. Wolfe & Co., Granite City, and \$1,408,792 from S. M. Wilson & Co., Granite City.

Single Bid Category
All phases of construction were included in a single bidding category.

Each of the 100 new apartments is to consist of a bedroom, kitchen, living room and bathroom. They will be built in 19 separate structures, and the project will include enlargement of the existing Anchorage recreation hall, which serves also as a management and maintenance building.

The site is on ground adjacent to the present Anchorage development at the eastern end of 25th and Edwards streets.

President Walter Pfaff presided, and all commissioners were present along with Architects Henry Gabriel and Sylvester Dulger, Attorney Maurice Delaney, Maynard Long, Illinois State Housing Board regional director, and GCHA Executive Director David Morgan.

**16 DAYS
WITHOUT
QUAD-CITY
TRAFFIC DEATH**

Opening of the new Chain of Rocks bridge over the Mississippi River—originally scheduled in early December—will not be possible until next June, Illinois and Missouri State Highway officials disclosed Wednesday.

The new target date results from inability of the contractor to meet an earlier announced deadline of Nov. 15, principally because of a series of six work stoppages that delayed construction during the summer months on the western section of the bridge.

John W. Laytham, Missouri Highway Department district engineer, said that while the concrete core of the western end of the bridge is virtually complete, approximately 53% of the concrete remains to be poured in the eastbound lanes. In addition, about two months are needed to complete the westbound lanes, including parapet walls and aluminum railings, still remains.

Laytham told the Press-Record that reports to the effect Missouri and Illinois highway officials had discussed plans to open the two westbound lanes to two-way traffic before the end of this year, or open the eastbound lanes for westbound traffic and use the present Madison-owned Chain of Rocks bridge for east-

3 Alarms in 12 Minutes

Arson is suspected in two and perhaps three fires that were reported in a period of 12 minutes in downtown Granite City business establishments late Wednesday afternoon.

The fires damaged merchandise or material at the J. J. Newberry store, 1327 Nineteenth street, at 5:40 p.m.; at Woolworth's store, 19th street and Edison avenue, at 5:52 p.m.; and on the second floor of the Fleishman building, 1904 Delmar avenue, at 5:42 p.m.

At Newberry's, clerks had noticed the smell of smoke for some time before it was discovered that several sweat shirts on a counter and boxes in an elevator were burning. Gene Jette, store manager, reported.

At Woolworth's, L. A. Lewright, manager, reported that a scarf hanging on a rack in the store was found ablaze. A curtain was on fire in the rear hall of the Fleishman building, but it was out before firemen arrived.

The fire department was not called to the other two stores. Curtis Donley, assistant fire chief who investigated, said this morning the fires were definitely set by a person who might have a grudge but he could not connect one at the Fleishman building.

(Continued on Page 5, Col. 1.)

Madison, Venice Police Active

The four burglary case in four days involving teenage youngsters in the Madison-Venice area was solved Wednesday when a Madison police investigation into the sale of stolen tools led to the arrest of a 15-year-old boy from Eagle Acres.

On Tuesday, Venice police picked up a 14-year-old boy who admitted breaking into Sharkey's Truck Stop at Broadway and Market street and looting the cigarette machine of cigarettes and cash.

Also on Tuesday, Venice police filed burglary charges against two other youths, 16 and 17 years old, for breaking into the Havana Small Engine Shop and Stone's Cafe, both at Broadway and Market street. In those break-ins, the boys obtained only a few pennies, three books of stamps and a set of old car keys.

Madison police this week also referred to the state attorney's office for the filing of charges the case of four boys, 15 to 18 years old, who police said staged the weekend break-in at the Sundown Tavern, 1413 Second street, Madison. In that case police recovered two paper bags containing 214 packages of cigarettes from behind a garage at the rear of one of the boys' home.

With the arrest Tuesday of the 14-year-old boy who admitted breaking into Sharkey's, Venice police recovered 110 packages of cigarettes, along with \$10.39 in cash, all of which the boy admitted taking when he broke open the cigarette machine.

The 15-year-old arrested by Madison police Wednesday was apprehended after he sold a set of socket wrenches to a Madison man for \$27.50 and a quantity of tools for \$10. The man, who was selling the tools for his father, told other tools to another man for \$10. In both instances the young man told the buyers that he was selling the tools for his father.

Actually, police said, the tools were those reported stolen during the weekend in a burglary at

Arson Suspected in 3 Fires

SW-NAACP District To Meet in Venice

Representatives from the NAACP-Southwest District, will meet at 2 p.m. Saturday, at the Hugh Hairson residence, 901 Main street, Venice, Dr. Charles Kimbrough of Sparta, NAACP regional director, will preside at the quarterly session.

Principal business to be discussed includes the selection of delegates to attend the annual state convention, scheduled for Oct. 21, 22 and 23 in Evanston.

The Southwest District is composed of NAACP branches from Alton, Centralia, East St. Louis, the Quad-Cities, Edwardsville, Lebanon, Sparta and the East St. Louis Youth Council.

Faces Traffic Charges

Marshall K. Hoots, 27, of Collinsville, was arrested in Madison at 11:20 p.m. Wednesday on charges of reckless driving and driving with an expired driver's license. Hoots was arrested in the 1200 block of Madison avenue.

GO TO CHURCH SUNDAY

MORE ABOUT

Starch Co.

(Continued from Page 1.)

ment—the reclassification of jobs to permit certain operations by one group of workers rather than workers in several different crafts—is the major stumbling block to progress in the starch plant negotiations. The strike of approximately 420 union employees began July 4 and the strike went into its 102 day today.

The conciliator said that the negotiations Monday and Tuesday were marked by the most apparent enthusiasm and apparent willingness to achieve a settlement than had been shown in many weeks by negotiators of both the union and company.

Break-Up of Meeting

He said the meeting broke up, however, after the union suggested solutions to certain craft problems that had been professed by the company, but demanded that the company leave all craft alignments as they were.

A company spokesman said,

Report Due on Plan for Medical School at SIU-SW

More than 500 invitations have been sent to legislators, mayors, city managers and other officials in southern Illinois inviting them to attend a meeting next Wednesday for the purpose of explaining the action being taken by the Citizens for Medical Education Committee in locating a medical school at the new Southwestern Campus of Southern Illinois University.

"We were really enthusiastic about the way things were progressing."

"The union took up our craft alignment solutions, but in the end they renewed their demand that workers, as craftsmen, remain in their old categories as far as crafts are concerned. We don't intend to do this because there is no sense to doing a job with one man while two or three others from separate crafts stand around watching. We don't like the use of the word 'featherbedding' but that is what it amounts to."

Statement by Union

Austin said: "We negotiators for the union went into these meetings to try to start the ball rolling and get something done. They presented certain problems, and we proposed relief for those problems. They (the company) then said they were going to continue in their original plans for reclassification. We just told the conciliator we didn't see any sense in meeting any longer."

"We told the conciliator that there would be no dismissals or pay cuts for any employees involved in craft realignment has

Henry McAdams, general manager of the Alton Evening Telegraph, and Arvill Pickering, head of the Alton-Wood River AFL-CIO.

In making the announcement, Jennings pointed out that it is the purpose of the steering committee to acquaint city, county and state officials with the work of the citizens' committee in locating the school at the Southwestern campus. He said that

range one in which there was a chance to get something accomplished."

While union leaders have maintained in the past that craft realignment would mean the elimination of certain jobs, a company spokesman said that company officials have guaranteed the union that there would be no jobs eliminated among incumbent personnel.

A company spokesman told the Press-Record that a guarantee that there would be no dismissals or pay cuts for any employees involved in craft realignment has

each member of the steering committee will explain the many benefits that will accrue as a result of the new school.

The state legislature earmarked funds for the new school. Its location, however, has not yet been determined. The governor is expected to appoint an advisory committee soon for the purpose of advising the State Board of Higher Education on the best location for the school.

been put in writing and will be made a part of the contract. He pointed out that employees involved in realignment who are near retirement or who have not completed their apprenticeships will be given an option or additional training for an upgrading of salaries.

H. J. McClain, Chicago, district director of the Oil, Chemical and Atomic Workers who was assigned recently to assist in the negotiations, left for another assignment in El Paso, Texas, immediately after adjournment of Tuesday's session.

Deer Hunting 'Do's, Don'ts' Outlined

"Do's and Don'ts of Deer Hunting" were discussed by Paul K. Jurewicz, president of the Granite City Toastmasters Club, who received the weekly speaker's award Monday at a dinner meeting in the Grand Cafe.

Dr. Claude Hiles served as toastmaster, and Charles Young was general evaluator. The second presentation was by Stanley Kowalewicz, whose topic dealt with "The New SU-SW Campus—Its Impact on the Quad-Cities."

During the brief business session, a letter was read from Area Governor William Fisher, inviting local members to attend a district meeting to be held in Wood River. Part of the program will be a film, entitled "Speech and Proper Presentation."

Eleven members and one guest, James Barton, a past president and charter member, attended the dinner. James Dinnertoff served as table topic chairman and introduced a discussion "The 1960's As History Will See Them."

Junior High Play Day Saturday at Coolidge

The Coolidge Junior High school Girls' Athletic Association will host the Prather junior high school GAA at a semi-annual ninth grade play day from 9 a.m. to 1 p.m. Saturday.

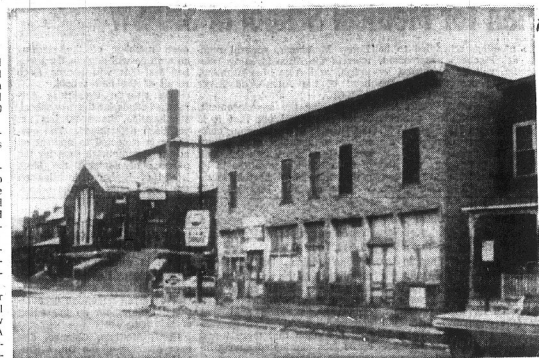

The girls will play speedway, volleyball and aerial drills and will run in relays.

The programs are held to permit girls from both schools to become better acquainted, have fun, participate in more skilled activities and better understand the ideals of good sportsmanship.

Decorations and social activities of the day will be in keeping with the theme, "Old MacDonald's Farm."

Four girls from the senior high school Leadership Club will officiate games and teach new songs to the junior high GAA members. They are Sandy Carlisle, Mary Lananah, Linda Korte and Doris Shane. Faculty sponsors are Miss Anna Marie Harri at Coolidge and Mrs. Mary Lou McCarty at Prather.

Committee chairmen are Mary Ann Milnarce, Play Day; Ruth Diak, food; Lana Dalhaus, decorations; and Linda Kahn, cleanup. Prather will serve as host in the spring.

MAKE WAY FOR PARKING—The two-story frame structure with the Lile Drug store sign is to be razed to provide a parking lot for First Baptist Church, across the street at 21st street and Delmar avenue.

First Baptist Church Buys Lot for Parking

The First Baptist Church, 21st street and Delmar avenue, has purchased the Lile building on the opposite corner, and will convert it into a parking lot, it was announced this week by Rev. Harold Maze, pastor of the church.

The two-story frame building was purchased from Edmund Stotz Jr., but the price was not disclosed. It is on the northwest corner.

Rev. Maze said the 50 by 125-foot parcel will be cleared for parking purposes as soon as the present tenants can find other quarters. The Lile Drug store and a barber shop now are the only tenants in the building.

He said he did not expect work would begin until spring, although efforts will be made to raze the building just as soon as it is vacated. Plans have been discussed, Rev. Maze said, for purchase of an adjoining tract if a sale can be negotiated in the future.

James M. Krizan, 2501 East 27th street, was arrested on a speeding charge at 1 p.m. Tuesday at police operated a radar unit on Pontoon road. He was summoned for a hearing by Oct. 22.

Wiring Causes Fire
Madsen firemen were called to the home of Mrs. and Mrs. Harold Terrell, 114 Second street, West Madison, at 10:17 a.m. Tuesday when defective wiring on the exterior of the house started a small fire around a kitchen window. Damage was estimated at about \$35.

Mrs. Louise Lang, 76, Dies; Ill Five Years

Mrs. Louise E. Lang, 76, of 2517 Sheridan avenue, died at 7:45 p.m. Tuesday, at St. Elizabeth Hospital, where she had been a patient four days. In poor health for five years, Mrs. Lang had entered the hospital after suffering a fracture to her right hip in a fall Friday at her home.

She was born in Madison county and had resided with her brother-in-law and sister, Mr. and Mrs. Bert Griffin, at the Sheridan address since the death of her husband, Louis Lang, in 1946. Prior to that time, the couple had made their home in Edwardsville.

Survivors include two sisters, Mrs. Sadie Griffin and Mrs. George (Deina) Maclean of Houston, La., two nephews and one niece.

Arrangements are given in today's obituary column.

Scouts to Join in World Amateur Radio Jamboree

Seventy-five Boy Scouts, Explorers and adult leaders of the Cahokia Mound Council who are stationed at the St. Louis station, St. Louis, will be in operation from 6:30 a.m. Saturday to 6:00 a.m. Sunday. It will be under the direction of Donald Bright, area 149 Colgate place, a licensed radio operator active in scouting for over 20 years.

Object of the Jamboree-in-the-Air, Bright reports, is to introduce scouts to amateur radio, generally by letting them talk to or listen to other scouts. "This may promote a deeper understanding of the reality of the world brotherhood of scouting," he commented.

Scouts and especially Explorers of the Unihaf district who would like to participate may come to Camp Graham during the scheduled times. They do not have to be a ham radio operator to participate, but licensed operators are needed to be on hand, since FCC regulations require that a ham station be used to participate in the jamboree program. Reports from the United States will be sent to VESWSB, the Boy Scout World Service, 77 Metcalf street, Ottawa 4, Canada; K2BFW, the Boy Scouts of America National Station, Johnson Historical Museum, New Brunswick, N. J. 08903; or the Cahokia Mound Council, 13384 Nindingsham avenue, Granite City 62040.

Ottawa and New Brunswick stations will be on the air from 0001 GMT Saturday to 2359 GMT Sunday. Participants are to use the call "CQ Jamboree," an answer that call.

K2BFW will be on 3500 kc, 7050 kc and 14,100 kc, all cw, and the following phone frequencies depending on conditions: 15 meter band, 21,300 kc; 20 meter band, 14,300 kc; 40 meter band, 7290 kc; and 80 meter band, 3590 kc.

All ham operators may participate, but those who do are asked to report their contacts to the council office. Ham operators who would like to help the scouts in the world wide "Jamboree" may contact Bright at TR 6-3829.

St. Louis Scout part in the Jamboree-on-the-Air last year from 2000 ham-operated stations in 70 countries—Post 12, sponsored by Nindingsham school, will operate own ham station in the home of Explorer Louis Dragich, a member of the post, and other Explorer posts will be operating from Highland and Greenland. This is the first time the local council has asked its members and friends to take part in the event, and it is hoped to promote international understanding and cooperation, Bright related.

Approve Terms of New Blast Furnace Workers Contract

A memorandum agreement embodying terms of a new contract for approximately 350 union employees of the Granite City Steel Works was signed Tuesday, ending negotiations on major contract issues that were begun last May and averting a strike called a week ago to enforce the union's contract demands.

Both company and union officials said that several minor issues still to be resolved, but that the major factors of the new contract have been agreed upon as the result of union ratification of a company proposal that was submitted to the union Saturday, Oct. 2, and approved by the union in voting sessions held last week on Wednesday and Thursday.

A company spokesman said yesterday that the new contract is of the type and will be signed soon.

Terms of the new contract will include a 13-cent per hour wage increase across the board for all employees except maintenance journeymen who will receive a 14.6-cent per hour. The 13-cent increase is to be retroactive to Sept. 1. The 14.6-cent increase for maintenance journeymen will become effective Jan. 1. An accrual of 11.5 cents per hour which has been paid into a fund since June 1 when the union granted a four-month extension of the contract will be paid, retroactive to the June 1 date.

The contract will be of three years duration, although the union had requested a 20-month period with certain reopening clauses. It will provide a 2.5-cent per hour increase for security benefits as well as general improvement in provisions for pensions and insurance.

Pay For Guardsmen
The contract also will provide two weeks wages for National Guardsmen and Reservists who are required to attend camp.

The proposal was submitted to the union in negotiations Oct. 2, less than 24 hours after the union had delivered a 72-hour strike notice that would have meant a walkout of the members of the International Chemical Workers union, Local 50, at midnight on Monday, Oct. 4.

The strike notice was cancelled after the company made its offer, pending union approval or rejection of the offer. Union members overwhelmingly approved the proposed contract.

The company, meanwhile, is continuing negotiations with the United Steelworkers of America for a new contract to replace that which expired last May 1. The steelworkers granted an extension of the old contract to August, and later to Oct. 31.

Contracts also are pending with the "Blacksmiths" Union, which expired May 1, and the Blacksmiths and Hodcarriers Union, which also had a May 1 expiration date on its old contract. The contracts for both of these unions have been extended to a period 30 days after settlement is reached with the steelworkers.

Car Window Broken
James Wilkerson, 1646 Fifth street, Madison, reported to Madison police Tuesday that the front window of his auto, parked at his home, was broken by a rock Monday afternoon. He said several children had been playing near the car.

GC Teachers Assist At Macon County Meet

Miss Ann Johnson, Stallings school teacher, and Miss Leigh Heller, Frohardt school teacher, are serving as demonstrators teachers today for the Macon county Teachers Institute at MacArthur high school, Decatur.

The day's program, geared to introduce and implement materials from the new Illinois physical education curriculum guide, "Physical Education in Elementary Schools," is designed to help classroom teachers with no consultant service available in their district and to improve their teaching skills.

Miss Johnson handled activities related to calisthenics and gymnastics. Miss Heller to sports activities and a third teacher, Mrs. Barbara Thompson of Bloomington, to rhythm and dance.

Miss Barbara Kerch, Granite City consultant in physical education, was program coordinator and introduced the guide for Ray Page, state superintendent of public instruction. Miss Kerch served as chairman of the steering committee responsible for the publication released last April.

WOODWORKING TOOLS for the youth center at Alton State Hospital being examined by Ray Murry, activities therapy aide, and Mrs. Winslow, supervisor of the center. The tools were furnished by the Illinois Welfare Association, and for children 6 to 17 years of age.

Chas. Langston, 88, Former Resident, Dies

A former Quad-City resident, Charles L. Langston, who leaves 73 direct descendants, several living in the local area, died about 6 a.m. yesterday at Mountain View Nursing Home, Festus, Mo., where he had been a patient for seven years.

Ill with cancer for the past ten years, Mr. Langston, 88, had lived with a daughter, Mrs. Valera Covington, in Crystal City, Mo., for three years before entering the nursing home.

Born in Dadeville, Mo., Mr. Langston was employed for 25 years as a foreman at American Car & Foundry Co., before his retirement in 1945. He was a member of the Assembly of God Church, Festus, Mo. His wife, Mrs. Minnie Langston, died in 1931.

Survivors include a son, Kenneth Langston of Venice; four daughters, Mrs. Covington; Mrs. Anna Reed of Madison, Mrs. Iva Adams, Collinsville and Mrs. Lucy Lawson, Springfield, Mo.; 24 grandchildren, 38 great-grandchildren and five great-great-grandchildren.

Services will be held tomorrow in Granite City. Arrangements are given in today's obituary column.

**6 Persons Hurt
In Auto Crashes
Here This Week**

Twelve area traffic accidents were recorded this week—seven involving no injuries but five causing a total of six persons to be hurt.

Clyde Lingle Jr., 24, of Wood River, and Robert Hanson, 54, of 2236 Lynch avenue, were injured when their autos collided at 7:15 p.m. Monday at East 23rd and August streets. They were taken to St. Elizabeth Hospital by ambulance where Hanson was admitted with an inch and a half laceration to his scalp, a two-inch laceration to the back of his head and abrasions to his right elbow and knee. Lingle was unconscious after hitting his head. Hanson was charged with failure to yield right-of-way. Gary Peters, 19, of 2626 Nanticoke road, a sophomore at the new SIU-SW campus, escaped serious injury yesterday in a one-car accident on old By-Pass 66, near Edwardsville. His auto turned over after he was forced to swerve into a ditch to avoid hitting another vehicle. He was given treatment at St. Elizabeth Hospital for scratches on his hand and released. The youth was returning home from school at the time. No further details were available.

A small girl was injured about 9:15 a.m. today in a two-car collision at 27th street and Delmar avenue. She was riding in a passenger in an auto driven by Billie Sheley, also of Collinsville. The little girl suffered bruises and abrasions, police said. The report shows the Sheley auto was traveling west on 27th street and the other auto was being driven north on Delmar avenue by Albert Busch, 2212 Washington avenue. Vida Pierce, 35, of 2903 Roosevelt street, was injured when she auto struck the Union Street & Refining Co. fence and a utility pole at 10:25 p.m. Wednesday in the 2500 block of 20th street. She told police her vision was hampered by something on the windshield and she lost control.

She was taken by ambulance to St. Elizabeth Hospital where she was treated for a head laceration, left upper leg and left knee. She was charged with careless driving. Tommy R. Taylor, 20, of Quantico, Va., and 2903 Kirkpatrick Homes, escaped serious injury at 12 a.m. Wednesday when his motorcycle struck the right front wheel of a 1962 station wagon parked on the 15th and Jackson car lot at Young and State streets.

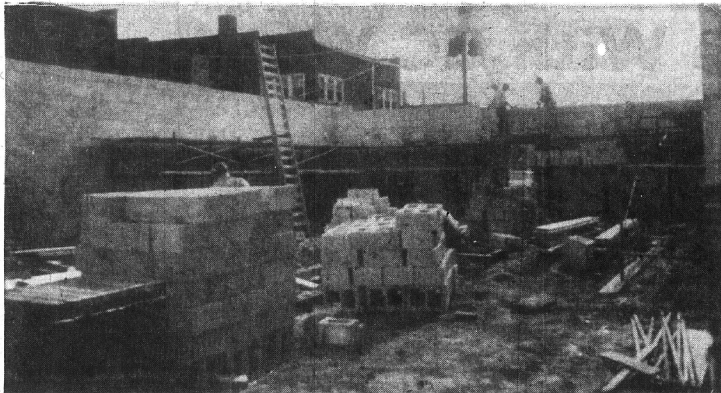

He told police he may have applied the speed lever instead of the brakes while going around a curve.

**GC Army Reserve
Unit Included in
Defense Build-Up**

The 936th Ordnance Company, Illinois Army Reserve unit of Granite City, is included in the Army Depot here, is among eleven Reserve units that have been placed in the Selected Reserve Force unit. Department of Defense program to increase the readiness of the nation's reserve forces. The 936th Company, a general automotive support unit, will continue training and regular drill activities at the Army depot under a stepped-up program, according to an announcement by Gov. Otto Kerner, who revealed details of the Reserve Force program today.

On a national scale, the Selected Reserve Force will be made up of three Army National Guard officers and men in a Headquarters Company Infantry brigade, two engineer companies, one troop of cavalry, one Artillery battalion, three Infantry battalions, Headquarters Detachment Ordnance battalion, and three other Ordnance companies. The Granite City Army Reserve unit, formerly stationed at Wood River until early this year, is comprised of 185 men. Illinois units in the program are to increase their strength to 100 percent of their authorized wartime quotas. Full company strength usually is 200 men.

Illinois units of the Army Reserve, including the Granite City unit, to become a part of the program, include three Ordnance units, two signal detachment units, three transportation units, two engineer battalions and a medical detachment.

NEW DOWNTOWN OFFICE building going up in the 1800 block of Delmar avenue for Dr. A. L. Lindblad, optometrist. The construction permit listed a

\$32,500 cost. The building at 1836-38 Delmar avenue, will have a driveway for off-street parking.

**Convention Cost
Policy Revised
By School Board**

About one-third of a six-hour Granite City school board meeting Monday night was devoted to revising the policy on reimbursement of expenses encountered by school board members and administrators in attending the annual Illinois Association of School Boards convention Nov. 20, 21 and 22 in Chicago.

The decision reached was to require itemization, as in the past, but to consider \$20 a day for meals, tips and taxi fares as adequate itemization. Each will be advanced \$100, with refunds and extra funds to be based on specific cost explanations. It was indicated that refunds to the district probably will average about \$40.

Supt. Russell D. Johnson and President Marion Worthen held out for establishment of guidelines in advance, commenting that a dispute developed a year ago in considering expense reimbursements following the state convention.

Tax, Legal Requirements
Worthen, an accountant, noted that lack of itemization would cause the Internal Revenue service to construe expense reimbursements as income. And he added that state law makes it illegal for board members to accept income from their district.

The plan agreed upon calls for board members to share costs of tax fares and meals when several are included in a single billing. Last year, each man had been advanced \$50 and Supt. Johnson paid several of the joint bills.

A discussion brought out the feeling that the Granite City district has been following an austerity expense plan while some other school system spend lavishly at Chicago. Granite City representatives also have been attending a far higher percentage of convention sessions than some of the other representatives, they believe.

Plan Extra Room
The 936th Company, under rigid austerity was taken Monday night with a decision to obtain an extra hotel room where the local contingent can assemble for conversation during leisure time.

Dr. E. W. Walton said his attendance would depend on adoption of the plan.

Dr. Meier said in a note that she spotted the balloon lodged in a tree branch as she was walking near her home. Meredosa is a farming community about 25 miles east of Springfield.

Eight Theft Reports This Week

**Pillow Not a Safe Place to
Hide Cash, Woman Discovers**

A theft from beneath a pillow was one of eight theft cases reported to Quad-city area law enforcement authorities this week. Miss Barbara Hahn, 2208 Washington avenue, reported that an envelope containing \$50 in cash and three checks for \$25, \$10 and \$5 was stolen from under the pillow in her bedroom while she was gone between 6 and 9:30 p.m. Wednesday.

She said several persons knew of the hiding place. There was no forced entry, and the door was locked when she returned home.

Television Set Stolen
An eight-inch television set owned by Theodore Betz of St. Louis was stolen from the Blitmore Moving Co. warehouse, 1100 Niedringhaus avenue, where it was being stored, it was reported Monday.

The county sheriff's office is investigating a burglary at the farm home of S. E. Pershall sr., located on Troy road between Highway 137 and 159, which occurred

Monday of a more liberal allowance, but indicated at least partial satisfaction with the plan adopted. He stressed that Chicago living cost are high, and said a dinner and floor show with wives attending would be a reasonable expense. No provision was made to pay for wives' participation in the trip.

Board Member George Moore sr. supported limiting reimbursements to actual expenses, commenting that he had made trips to Chicago for the federal government on a \$9 daily per diem procedure when his hotel cost alone exceeded that amount.

School board members' hotel and travel costs will be paid directly by the school district.

Boy Wanders

when volunteer searchers took over. Illinois state troopers also took part in the all-night search. The boy was taken to a Collinsville funeral home. Date for an inquest has not been set.

Granite City PRESS-RECORD
Thurs., Oct. 14, 1965 Page 5

Break-in, Nothing Taken

A break-in at Mitchell's Sharpening Service, 2718 East 24th street, was reported at 7:10 a.m. Wednesday by O. J. Mitchell, who said it occurred after 7 p.m. Tuesday. Nothing was disturbed. Entry was gained through the north side door.

A 1962 white two-door auto was stolen from Arthur Goss, 2218 Iowa, while it was parked at his home after 8 p.m. Wednesday, he reported at 7 a.m. today.

Groceries Stolen
Shirley Watkins, 2109 Johnson road, reported about 9 p.m. Wednesday that a bag of groceries valued at about \$12 was stolen from her car parked at 26th street and Grand avenue.

James Moore, 1317 Madison avenue, reported to Madison police Monday night that his permits, titles and other papers issued to Gateway Trucking Co. were stolen from his truck Sunday night or early Monday morning while it was parked at 13th street and Madison avenue. He said a brief case containing the papers also was stolen.

About \$15 worth of material was thrown out of the Alwalis Inc. building, 25th street and the railroad tracks, and was left on the property during a weekend break-in, it was reported Monday. Thieves gained entry by prying a board off the west side of the plastering firm and crawling through.

deal and on implementing new state school fire safety requirements, which have been the subject of litigation.

Surveys and engineering studies preliminary to safety code remodeling have been estimated as costing \$41,500, including \$26,050 at schools assigned to Architects Henry Gabriel and Sylvester Dulgeroff, and \$15,450 at buildings assigned to Virgil Dulgeroff. No survey contracts have been signed.

Sale of unused eighth grade history books to the Thomas Dunn Memorial adult education program in St. Louis was authorized at \$2 a book for 50 copies. Christmas and New Year's holiday scheduling is to be discussed with custodians, and application is to be made for annual vocational, education financial aid.

A letter from a parent discussing high school disciplinary procedures was discussed, with several board members supporting a concern of equal penalties for identical rule infractions.

Pre-Cooked Hamburgers
With experimental use showing they sharply increased high school cafeteria patronage, it was decided to buy pre-cooked hamburgers at eight cents for each two-ounce serving from the Pro-n Food Corp. Only one source of supply is available at present.

A report by Administrative Assistant Victor G. Anderson related that "cafeteria plate count" is extremely important, since reimbursement is based on plate count. An allotment of surplus commodities also is based on plate count. With the cooking facilities presently available, preparation of a double menu is not

possible unless the pre-cooked product is utilized. The hamburgers are heated in a steam table before being served.

Bid awards were as follows: Anti-freeze—a 50-gallon drum at \$11.0 a gallon from Houser Automotive.

Liquefied petroleum gas—Mitchell school cafeteria needs to be supplied at 12 cents a gallon by Progas Co. Stallings school has been converted to natural gas along with the installation of portable classrooms there.

Vises—ten for a total of \$30 from Witte & Umrath Hardware Co.

Portable electric winch—\$121 winch from School Equipment Corp. to raise and lower Coolidge junior high basketball backboards.

Mating for GCHS gymnasium floor walkways—422 lineal feet for \$235 from Industrial Soap Co. Electrical supplies for maintenance—low bids on designated items needed during the year from Graybar Electric Co. and Harry's Wall Paper & Paint Store.

Construction materials—Stolze Lumber Co. supply source through Feb. 15 at various bid prices.

Hydrogen chloride cleaner—\$1.05 a gallon from Industrial Soap Co. to raise and lower Coolidge junior high basketball backboards.

Library books—Baker & Taylor Co. supply source at 35¢ per book from list prices; Illinois Reading Service also may be utilized by all elementary schools.

Bills paid totaled \$41,112 in the education fund, \$50,554 in the building fund, \$54,130 in the new construction fund, \$56,254 in the cafeteria fund, \$763 in the transportation fund and \$153,259 in the bond and interest fund.

September travel allowances totaled \$440, and tuition (half-payment for approved students) was \$1312.

ARROW Decton PERMA-IRON SHIRTS

McKechan Repeats as Chuckles Ax Murder Winner For Warriors

Jerry McKechan continued his "wild man" defensive tactics against Alton and earned himself a repeat as the winner of the Warriors' "Chuckles Ax Murder" weekly award.

Gary Johnson, hard running back for the Warriors, won the "Fighting Warrior" award for the week.

McKechan, whose prize feat is blocking opponents' punts in any way possible, blocked his third in two games, caused two fumbles and "scored the highest rating ever in defensive punts," said Jim Morrison, Granite City head football coach.

New Team Record

"He set a new team record of 22 points that we noticed from the films," Morrison said. The head coach went on to explain that defensive points are scored by taking the number of tackles and multiplying by two and adding the number of tackle assists.

McKechan's blocked punt against Alton came in the third quarter, and his two jarring tackles which caused fumbles set up one Warrior touchdown drive.

The 175-pound defensive guard, who someday wants to become a history teacher, won the award last week for his one-man terror antics against Collinsville when he blocked two Kahok punts.

Johnson scored two touchdowns and ran his Southwest Conference scoring total to 18 points in two games in winning the "Fighting Warrior" offensive player award.

III-Yard Net Gain

The hard hitting halfback, who has gained 111 yards in the two conference clashes that Granite City has played, "played a great game," in Morrison's words. "He is without a doubt one of

McKECHAN AND JOHNSON. Ready for another week's action are Jerry McKechan (left), and Gary Johnson, Warriors who received this week's "Chuckles Ax Murder" and "Fighting Warrior" awards.

Nameeki Little League Re-elects Officers for '66

All officers were re-elected for a second term at the annual meeting of the Nameeki Little League Association Tuesday night.

Officers re-elected were Henry Thomas, president; Jerry Hoedbeck, vice-president; Mary Ann Thomas, secretary-treasurer; Don Adams, player agent; George Lazaroff, purchasing agent; and Lou Jennings, concession stand.

Highlighting the meeting along with the election was a trophy presentation to the championship team and announcement of the all-star team.

Trophies were presented to Emerald Daves, whose team won the league championship, to Glen Hollis for minor league championship and to Superior Auto Body for minor league play-off winners.

The all-star team was composed of the following boys: Jeff Boyles, John Eftink, John Fleener, Clay Thomas, Tom Mitchell, John Rehagen, Jim Rehagen, John Jennings, David Slay, Mike Adams, Richard Walker, Barry Schroeder, Max Legate and John Crow.

18 Basketball Games Slated For Venice

Venice high school's defending MCM conference basketball team has completed its 1965-66 season schedule.

The Red Devils will play a total of 18 games, 14 of them in conference action, and will play in three tournaments, including the 16-team Freeburg holiday tourney.

Cochin Bill Ohlendorf's quietest will open its season with two non-conference home games against Columbia and Valmeyer on Nov. 23-24.

Venice begins conference play with a game at Wesclin on Dec. 6. The season schedule is as follows:

- Nov. 23-Columbia (Home)
- Nov. 30-Valmeyer (Home)
- Dec. 3-Wesclin (Away)
- Dec. 6-19-MCM Conference
- Tourney at Bunker Hill
- Dec. 14-St. Paul of Highland (Home)
- Dec. 17-Aviston (Home)
- Dec. 21-Bunker Hill (Away)
- Dec. 27-30-Freeburg Holiday
- Jan. 7-Western Military (Home)
- Jan. 14-Livingston (Away)
- Jan. 15-Breese (Home)
- Jan. 21-Worden (Away)
- Jan. 25-Wesclin (Home)
- Jan. 28-St. Paul (Away)
- Feb. 1-Aviston (Away)
- Feb. 4-Bunker Hill (Home)
- Feb. 8-Livingston (Home)
- Feb. 15-Breese (Away)
- Feb. 18-Lincoln of E. St. Louis (Home)
- Feb. 22-23-District Tournament

MORE ABOUT

Trojans Set

(Continued from Page 6.)

other Gary Lane," the Bethalto coach said.

"We've got some pretty good speed in our backfield. In fact, Waltz was all-conference and all area last year as a junior. And our fullback, Terry Dietz, runs hard," he said.

"It'll be a good, tough ball game, and the winner will be whoever plays the hardest," Hartweg said.

Who plays the hardest will probably be the team that wants to stay alive in the Midwestern Conference race. If Madison wins, it will have a chance to challenge Cahokia for the league lead, but if the Eagles win, well, they'll be another team playing the spoiler role for the big ones.

MARYVILLE PTA TO HOLD OPEN HOUSE

Maryville school PTA executive board members met Tuesday evening at the school for a regular meeting and to plan an open house at the school Nov. 9. Richard Barnett and Kenneth Jones, co-chairmen of the program committee, announced a six minute film strip on "America's Education" will be shown continuously during open house activities. A brief business meeting will be held at about 8:30 following the program for the evening. Refreshments and a social hour will follow.

Granite City PRESS-RECORD

Page 8 Thurs., Oct. 14, 1965

"America's Education" will be shown continuously during open house activities. A brief business meeting will be held at about 8:30 following the program for the evening. Refreshments and a social hour will follow.

A discussion was held on ways to increase membership through the year. The Illinois Congress of PTA's requested recommendations for state committee chairmen, and the president asked for volunteers to serve as representatives to the Area PTA Council.

An annual candy sale was discussed along with other fund raising plans.

The room mother chairman, Mrs. Nancy Pineda, said she still needs three mothers to complete her list. When this is finished, year-books will be printed and distributed.

Mrs. Nancy Church served as secretary. Others present included Mrs. LaVerne Matzyski, Mrs. Irene McCarty, Mrs. Mary Stoval and Owen Humphreys, principal. The next board meeting will be Dec. 14.

NAMEOKI PTA PLANS SUPPER NOV. 15

Executive board members of the Nameoki school PTA met Tuesday evening at the school for a monthly session. Mrs. Twila McKinney, president, conducted the meeting and reports for the past two meetings were read.

Charles Mase, ways and means chairman, announced the PTA will sponsor a chili supper Nov. 15 at the school. He submitted a report on current magazine sales.

Also reported was a current PTA enrollment of 408 members, new members will be accepted at an open house meeting Nov. 9.

Safety Chairman Bert Ahrens gave a report and Mrs. Wilma Roiler, program chairman, announced programs for the coming year are all planned. A report was given by Mrs. Mary Jane Howell, room mother chairman. She announced an annual

TEACHERS' APPRECIATION LUNCHEON

Nov. 9 at the school.

Mrs. McKinney said a gift has been sent to Mrs. Alice Hoshire, who resigned as the school secretary. Congratulations were extended to Principal Donald Kopp on the arrival of a new daughter.

A guest at the meeting was Edw. Metke of the Boy Scout office, who worked with Martin Love on securing a new cubmaster for the troop sponsored by the school.

Walter Volkmar asked for volunteers to assist with children at PTA meetings. Guest speaker extended to Principal Donald Kopp and Jo Mase, Principal Kopp and Bill Justin.

BRIDGE CLUBS MEET

The Granite City Duplicate Bridge club resumed its meetings Sunday evening at the Elks club. A tie for first and second place was shared by R. Hanes, William Bunte, Sam Meyer and Dr. Jacob Cohen. Third place went to Mr. and Mrs. Al Lanan.

On Monday the Nameoki Duplicate Bridge club met in the home of the director, Mrs. Sam Meyer, 2832 Yale drive. First place honors went to Mrs. Jerry Siebold and Mrs. Golda Bieser, second place to Mrs. Muriel Dress and Mrs. Donna Schaefer and third place to Mrs. Helen Todd and Mrs. Hulda Davis.

The two clubs meet weekly on Sunday evenings and Monday mornings.

TROOP CAMPOUT

Boy Scout Troop 99, sponsored by Central Christian Church, held a campout over the week end. Troops in the Uniwah district participated in similar activities, staying at their favorite camping sites.

The troop meets each Thursday at 7 p.m. at the church.

TALLEYS HONORED ON SILVER ANNIVERSARY

Mr. and Mrs. Walter Talley were honored on their 25th wedding anniversary with a party given by friends and relatives Sunday.

Open house was held during the afternoon and evening in the rathskeller of the Talley residence, 3843 Edgewood drive. The front door was decorated with a small bouquet of flowers and the silver numerals "25". Silver and white decorations were used throughout the house, and streamers in the same color motif were strung across the ceiling.

A gift table covered with a white cloth held a money tree painted silver, with wags of net holding money, while another tree held cards honoring the couple. A large white wedding bell was suspended above the buffet table, which held a wedding cake as centerpiece.

Refreshments were served throughout the day and evening, and the honorees received many gifts.

Guests present were Mr. and Mrs. Bob Key and daughter, Elizabeth, of Anna, Ill., Mr. and Mrs. Raymond Smart, St. Louis, Mr. and Mrs. Dave Thompson, Mr. and Mrs. Jack Potter, St. Louis, Mr. and Mrs. Rod Key, Mr. and Mrs. Harold Talley, Mr. and Mrs. E. G. Allen, Claudia

For Community Projects

Kiwanis Peanut Sale Tomorrow, Saturday

The Granite City Kiwanis committee plans for their annual peanut sale to start at 10 a.m. tomorrow and continue all day Saturday. Assignments were allocated and men organized at a dinner meeting held Monday evening in the Rose Bowl restaurant.

The local service club also observed National Newspaper Week with the presentation of a "Golden Heritage of Free Speech" citation to the City Press-Record.

The framed award, bearing the gold Kiwanis International seal, was signed by Edward C. Konec, Kiwanis president, and Herbert R. Schannot, president of the local club. It was accepted by Julie D. Bartels, Press-Record news editor.

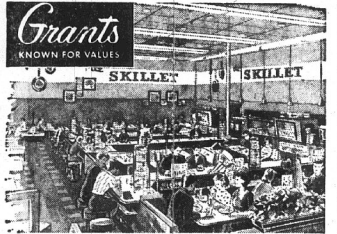

About 20 Kiwanis and wives will be in strategic places during the sale. Schannot announced, Teams will be stationed in the downtown business area and the Nameoki Village and Bellemore Village shopping centers.

More than 1500 sacks of peanuts were sold last year in one of the most successful sales ever.

The grant will aid a teacher who plans to specialize in the field of exceptional children, Schannot explained.

The secrets in the sauce!

Libraries Study Plan for Joining 7-County System

Representatives of the Granite City public library board, and possibly the Venice board, are scheduled to attend an organizational meeting for a seven-county library system. The meeting will be held in the Edwardsville public library on Monday. Such a system would be eligible for state grants.

W. A. Holton Retires As Electric Foreman

Wallace A. Holton, 2248 State street, retired from the Union Electric Co. this month after 38 years of continuous service with the firm, it was announced today.

Holton leaves the post of foreman of the Mount Plant. He began with a predecessor company, the St. Louis Gas and Coke Corp., as a chemist. He was re-assigned to the Granite City plant in that capacity in 1945. He also held posts of senior power plant chemical tester and foreman prior to being assigned to the Mount Plant. Holton plans to remain busy with Masonic Lodge work and real estate. He also hopes to be able to travel in his retirement.

Emerson PTA Pancake, Sausage Event Oct. 21

The Emerson School PTA will hold a pancake and sausage supper from 5 to 7 p.m. next Thursday in the school cafeteria. Tickets, at \$1 for adults and 50 cents for children, will be available at the door. A bake sale and a white elephant sale will be conducted in connection with the supper.

Suicide Verdict in William Pieper Death

A coroner's jury returned a verdict of suicide in the death of William Pieper, 77, of Rural Route One, at an inquest conducted Tuesday night at the Pieper Funeral Home by Alvin Cease, deputy coroner.

Mr. Pieper was found dead at his home Oct. 4 with a gunshot wound to the head from a .38 caliber pistol.

Mrs. James Reed, Edwardsville librarian, said invitations have been sent to all libraries in the seven-county area asking that the librarian and a member of the library board from each attend the meeting Monday to assist in setting up the proposed district board. The meeting is to be held at 7:30 p.m.

Mrs. Mary Gene Knufinke, Granite City librarian, said that she intends to attend the meeting and that Mrs. Henry Lueders, chairman of the library board, or some other delegate of the Granite City board, also will attend.

Mrs. Blanche Revell, librarian at Madison, said that the Madison library board will conduct its regular meeting the same night and therefore no delegate from Madison is likely to attend the Edwardsville session. Mrs. Audress Brown, Venice librarian, said she plans to attend the meeting and that it is likely someone also will represent the library board.

State Funds Appropriated
Mrs. Reed said that she hoped all boards have authorized entry into the proposed seven-county organization. She said it costs the taxpayer nothing since funds to be supplied to the system by the state have been appropriated and authorized by the general assembly.

The bills provide for 21 such systems in the state based on population and area. Counties comprising the system for this area include Madison, Greene, Macoupin, Jersey, Montgomery and Bond, with participation to be voluntary.

All local libraries would function as usual with local autonomy and income from local taxes. The seven-county system in this area would be eligible for an initial state grant of \$15,000 with additional funds available on the basis of population.

Youth Obtains Liquor, Fined \$25 Plus Costs

Richard L. Hodges, 17, of 2111 Alexander street, was arrested at 9:45 p.m. Tuesday on a charge of illegal possession of liquor after police were called to a disturbance at 18th street and Edison avenue.

He was fined \$25 plus costs Wednesday by Magistrate Hiscott. He told authorities he obtained a ride on a highway and the liquor was in the car.

Store Windows Broken
A police officer reported at 12:45 a.m. Wednesday that windows were broken at a vacant store room building at 840 Niederrhous avenue.

15th-State Accident
Autos driven by Patricia A. Sammes, 3141 Edgewood drive, and Leonard D. Moore, Caseyville, collided at 7 a.m. Wednesday at 15th and State streets. Police said no one was hurt.

SCOUT CAMPORAL

Boy Scout Troop 23 was host to Troop Eight and 20 at Camp Reeves for a all campor of the Cub Scouts Mound Council over the weekend. A fish derby was held but no awards were given because no fish were caught.

A compass award went to Troop Eight and 20, football award to Troop Eight and tug of war award to Troop 23.

After games were played, a five-mile night hike was taken.

The boys enjoyed songs around the troop campfire.

Those present from Troop 23 were Scoutmaster Bonnie Bickel, Assistant Scoutmaster Mike Abenath, Chairman Floyd Ashoff, Junior Assistant Scoutmasters Bobby Pickett and Glenn Ashoff, Patrol Leader Charles Polley, Assistant Patrol Leader Danny Jones, Jimmy Meador, Steve Meador, Rudy Recker, George Wilkerson, Buzz Pickett, Peter Fourcault, Danny Fourcault, John Harper, Larry McCabe, Lloyd Byrd, Danny Kreher, Jimmy Hicks, Jeff Morris, Willie Arnold and John Stucke.

Attending from Troop 20 were Scoutmaster Ralph Jones, Assistant Scoutmaster Jim Hall and Scouts Watkins, Harrington, Lewis, Teeter, Manion, Miller, Pett, Greenman, Seitzer, Beasley, Wideman and Welty. Those present from Troop Eight of the First Presbyterian Church were

Scoutmaster Ed Yates, Assistant Scoutmaster Tom Thorne, Patrol Leader John Reliack, Assistant Patrol Leader Groffend and Scouts Thorne, Harorian, Steele, Rice, Gertsch, Lewis, Evans, Vartan, Menke, Worthen, Nooshagian, Lilley, Meyer, Bosworth, Young, Champion, Rojas, Durbin and Schaefer.

MISSIONARY MEETING

The Women's Missionary Society of the Pontoon Baptist Church met Tuesday night at the church. Mrs. Leta Kollenburn was hostess.

Community mission for the month is to send aid to the children's Home in Carmel. Mrs. Marvel Walker, program chairman, was in charge of the program, "Proclaiming Through the WMS."

Those taking part were Mrs. Izetta Stayduhar, Ruthel Smith, Mrs. Kollenburn and Mrs. Mar-

vel Walker. Mrs. Lucille Martin gave opening prayer.

Present were Mesdames Dorothy Flowers, Carrie Whitehead, Sylvia Whitehead, Laura Lee Falter, Neva Lucas and daughters, Kendall and Debbie, a guest, Eunice Wilkerson, and those mentioned.

Junior Girl Scout Troop 453 met Tuesday evening at the school with Mrs. Judith Ren and Mrs. Nadine Taylor. Susan Manners was invited. Sheila Reynolds "flew up" and Nancy Becker and Charlotte Pitts received badges.

Two new members, Pam Broyles and Carla Sprankle, were welcomed into the troop.

Refreshments were served to two guests, Mrs. Reynolds and daughter, Carla, and to Terry Mills, Marsha Ren, Cynthia Lebold, Cynthia Taylor, Charlotte Pitts, Debbie Boyer, Charlene

Kennerly, Sheila Reynolds, Susan Manners, Nancy Becker, Jeanette Cawley, Jeanette Carver, Mary Becker, Sandy Duval, Debbie Hand, Debbie McKeel, Sharon Cook, Karla Sprankle and Pam Broyles.

that he still had several prospects to contact, which should put his section over its goal.

The Industrial Employees Division, headed by Mitchell Mikowski of American Steel Foundries and William B. Webb of Granite City Steel, now stands at 45.3% of its \$139,000 goal with the pledge from the steel mill employees' 30-Minute Club which was not known at the time of the luncheon meeting.

Other Division Reports

Wagner's Industrial Firms Division, Charles Polley, Glenn Ashoff, Buzz Pickett, Bobby Pickett, Jimmy Meador, Steve Meador, Larry McCabe, Peter Fourcault, Danny Fourcault, Jeff Morris, Chester Dean, Vaughn Wainright, Rudy Recker, John Harper, Danny Daigler and a visitor, Jeff Wainright.

vision is at 65.5% of its \$132,850 goal.

George Reeves of the First Granite City National Bank, chairman of the Commercial Division, submitted a report of \$14,637 pledges, or 47.8% of its goal, headed by Bernard Pinney of St. Elizabeth Hospital, reported a 30% collection totaling \$269.

The Granite City-Mitchell division, headed by William F. Hoelscher, of the Manufacturers Association, presented a report of \$1916, of 11% of the goal attained.

Hoelscher said the Granite City Jaycees will hold a house-to-house solicitation on Saturday, and that he expected the division to hit its goal by the next report meeting to be held at noon Friday, Oct. 22, also at the YMCA.

Initial reports from other divisions are expected later this week.

Bi-State Transit Tops in Nation For Maintenance

Bi-State Transit System yesterday received the 1965 Fleet Owner Maintenance Efficiency Award, a citation ranked as highest in the nation for bus maintenance efficiency. A plaque, symbolizing the award was presented to John C. Baine, president of Transit Services Corporation, Bi-State managers, at the annual convention of the American Transit Association in New Orleans.

Competition for the award, which is sponsored by Fleet Owner, a leading trade journal of the bus and truck industry, is entered into by the major transit operators in the country. The judging takes into consideration the contestants' facilities and standards, and the results in safe and dependable fleet operation, coupled with good appearance of the vehicles.

Commenting on the award, Baine said: "One of the Bi-State Transit predecessor companies, the former St. Louis Public Service Co., achieved this award over a period of 17 consecutive years. In the interval covering the consolidation of this and 14 other transit operations into the Bi-State Transit System, technical reasons prevented us from entering the competition for the award until this year. The present honor," Mr. Baine continued, "carries with it the satisfaction of knowing that the prize has been won by an organization of expanded facilities and an enlarged scope of operation."

MARY ANN DOMITROVICH
1627 Maple Street
TR 7-0801

Cub scouts of Den Five of Pack 19 met Wednesday evening at the home of the den mother, Mrs. Truman Hufford, 1633 Maple Street. The Cubs opened with a den yell and discussed a project for next week. They played ball and later enjoyed refreshments.

Present were Teddy Domitrovich, Woody Lovacheff, Mike Cook, Mike Collins, Roger Deir, Lynn Hufford, Brian Crippen and Mrs. Hufford.

The Blue Jays girls' club met Monday afternoon at the community center, 822 Niedringhaus avenue. The girls discussed various ways of raising money, including bake sales, selling popcorn and soda and stamp boxes.

A craft project is to start next week. Each girl will make a paper weight out of marbles. Present were Kathi Domitrovich, Kathy Ernst, Monica Grim, Sorita Garcia, Lisa Gracey, Vicki Petrillo, Kathy Keunhoff, Marvene Moehle and Cheryl Orashod.

The Panthers club met Tuesday evening at the community center. The girls are planning a joint bake sale with the Blue Jays, and a jacks tournament is planned.

The girls talked about craft projects. Their meeting night will be changed to 6:30 p.m. Wednesday.

Bend Road News

MRS. EILEEN ROBINSON
TR 6-5268

The Horseshoe Lake Rod and Gun club held a supper for "hobo picnic" workers last night.

Those present were Mr. and Mrs. Wally Smock, Raymond E. Graham, Charles Crow, Mrs. Sarah Madden, Joseph Deville, Mr. and Mrs. John Ragsdale, Mr. and Mrs. Otis Ross, Mrs. Jay Reuter and son, Ricky, Mr. and Mrs. Don Parker, Mr. and Mrs. Bill Shaw, Sam Mossio, Mrs. Robinson, Virgil Layton and Mary Smith.

Mr. and Mrs. Joseph Robinson are being visited by their niece and nephews, David, Annamrie, Tommy, Danny, Robin Kay, Harry Lee and Kelly Darline.

Mr. and Mrs. Don Bridges went to Cape Girardeau, Mo., and returned Sunday morning. Their children, Billy and Debbie, and Debbie Caple accompanied them on the trip.

A revival ended Sunday at the Bend Road Baptist Church. A supper was held in honor of the visiting pastor, Rev. Jack Brown of Oklahoma. About 50 members and friends attended the covered dish supper.

ANNOUNCE BIRTH OF SON

Mr. and Mrs. Dennis Ragsdale became parents Sunday of a son whom they have named Paul Dennis Ragsdale Jr. His weight seven pounds, 12 ounces. He was born at St. Elizabeth Hospital.

The Horseshoe Lake Rod and Gun club held a hobo picnic Sunday. About 100 attended.

Southern Illinois University's center for the study of crime, delinquency and corrections has provided training for prison officials from Honduras, Viet Nam, United Arab Republic, Iran, Korea and British Guiana.

South Venice

MRS. FRED LEATON
614 Washington Avenue
TR 6-1302

Boy Scout Troop One, sponsored by the Venice Lions club, took part in a scout "Camporee" through Sunday, with Troop One camping at the Army Depot. They were accompanied by Fred Rumpf, assistant scoutmaster.

The group hiked to the Lewis and Clark park and enjoyed a picnic lunch. On the return trip to the Depot, the boys took Chain of Rocks Locks 27. Jack Tolliver, committee chairman, took part in the hike. The campout will aid the boys in qualifying for a national award, to be given for camping out ten days and nights during a one-year period.

Attending were Terry Rumpf, Kirk Reidelberger, Duane George, Tony Ochoa, Mike Mathers, Gary Blina, Danny Maurer, Tim Tolliver, Mike Bilbrey and three guests, Bill George, Mike Dixon and Jeff Tolliver. The next meeting will be Saturday morning at the Boy Scout Home on Broadway.

Granite City PRESS-RECORD

Page 12, Thurs., Oct. 14, 1965

The Junior Methodist Youth Fellowship met Sunday evening following church practice at the Venice Methodist Church with Miss Linda Presswood, president, in charge.

The meeting opened with prayer, after which each member of the group took part in Scripture reading. Tentative plans were made for a hayride Oct. 28. Refreshments were served to Mr. and Mrs. Carl Schaffnit, Miss Brenda Long, Miss Mary Martin, Miss Judy Johnson, Miss Shirley Taylor, Miss Brenda Martin, Harry Long and Edward Denny.

Mrs. Betty Wallace, 640 Washington avenue, was released Sunday from St. Elizabeth Hospital, where she had been a patient for one week after suffering a back injury.

AUXILIARY INSTALLATION

A meeting of 22nd district Auxiliaries of the American Legion was held Tuesday at St. Liberty, Ill., with the newly-elected director, Mrs. Esther Spindler, in charge.

At the morning session, installation of officers was held. Officers for 1965-66 include Miss Fannie Ulrich of Alton, alternate director; Mrs. Rose Schwarz, O'Fallon, Ill., secretary; Mrs. Ruth Nagel, Nashville, treasurer; Mrs. Violet Neuberger, Bethalto, historian; Mrs. Ardelia Trebbio, Belleville, chaplain; Mrs. Leona Best, Collinsville, sergeant-at-arms; and Mrs. Verna Biebel, Belleville, parliamentarian.

The department caravan discussed and gave instructions on unit programs. Included in this group was the department president, Mrs. Ella Willett of Chicago, St. Liberty Unit 683 served a luncheon to the 144 persons who attended.

Reports were given by district officers and chairmen. It was announced that the midyear 22nd district meeting will be held in Fairmont City in January.

Those from Venice-Madison American Legion Unit 307 attending were Mrs. Joyce Austra, Mrs. Norma Hillmer and Mrs. Hazel Hinson all of Madison, and Mrs. Frances Cowley of Venice.

DISTRICT LEGION MEET

A 22nd district American Legion caucus was held Sunday at Okawville, Ill., with the district

commander, Elroy Ostendorf of Waterloo, presiding.

Membership dues were stressed due to the per capita tax being raised Nov. 1. Reports on a national convention held in Portland, Ore., Aug. 23-26 were given by Mrs. Ellen Douglas of Venice and Kenneth Hinson of Madison.

Guests were Fred Merritt, senior department commander, and Norman Biebel, past Fifth division commander. Ostendorf invited the 22nd district to Venice-Madison Post 307 Nov. 11. Those from the Quad-City area attending were Mr. and Mrs. Charles Austra, Hinson and Mrs. Douglas from Post 307, Edward Horton, Harold Summers, Bert Harris, Joe Summers and Art Probert of Post 113, and John Lee and E. Johnson of Post 799.

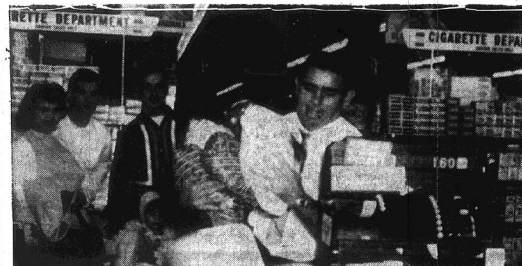

The Brotherhood met Monday evening at the First Baptist Church, Venice, with Roy May, president, in charge. Rev. Ralph Dollar offered prayer and taught the second lesson from the Brotherhood state manual.

Refreshments were served, and others attending were Clifford Johnson, Paul Minton, Wesley Zeigler, Albert Yearman, Charles Dawdy, Everett Wyatt and Bernard Anderson.

Southern Illinois University is planning a \$4 million housing project for 350 student families, the first ever financed by the Federal Housing Administration.

Southern Illinois University's Little Grass Lake Camp provides outdoor recreation experience for 400 retarded and handicapped persons each year.

KEN GRAY lets go of an armful of meat during his turn in the Tri-City Grocery five minute shopping spree. He aided local winner Leotis Stapleton in the contest.

GC Education Group To Hear Dr. Hamburg

Dr. Ann-Marie Hamburg, an associate professor of French at St. Louis University, will be the principal speaker at the third annual smorgasbord to be sponsored Nov. 2 by the Granite City Education Association. It was announced today by Mrs. Doris Nelson, GCEA president.

The dinner meeting will be held in the Granite City high school cafeteria, beginning at 6:15 p.m. Mrs. Nelson reports. All faculty members and office personnel in the local school system are being invited to attend. Tickets at \$2.50 each are now available from building representatives at each school, she said.

A native of France, Dr. Hamburg is a former member of the French press and a playwright of note. Her talk will deal with the topic — "Five Senses in Search of a Civilization." Dr. Hamburg will be introduced by Miss Hazel Towery, who is serving as program coordinator.

Raccoon Hunter Killed, Falls Off Utility Pole

Norman Franklin, 24, of Collinsville, was dead on arrival at St. Elizabeth Hospital at 6:10 p.m. Tuesday after he was thrown by an electric shock from a utility pole at a home on Sugar Loaf road near Collinsville. He had climbed the pole to try to catch a live raccoon using a stick with a noose on it, when he touched a high voltage wire and was thrown to the ground. He was an employee of McDonnell Aircraft Corp., St. Louis.

Shopping Winner Gets Bonus from Gridders

Leotis Stapleton, 1744 Venice avenue, took home \$285 worth of groceries as a result of his five-minute shopping spree at the Bellemore Village Tri-City Grocery store.

Stapleton, the first local winner in the contest, competed against Ken Gray and Joe Robb of the football Cardinals during which Stapleton won the free grocery. He wanted Gray and Robb to have two and a half minutes each. Stapleton gathered \$250.13 of groceries and Gray and Robb totaled a shade over \$250. Stapleton gets his \$250.13 of groceries plus the added \$13 collected by the footballers.

Rev. O'Guin Invites You to Hear the **TREW GOSPEL TEAM**
These evangelists were associated with David Wilkerson, Author of "The Cross and Switchblade" in preaching to "HENAGE GANGS" in New York's slums on the lower East Side. It is hair-raising to hear them tell what is happening to these lost people. They show slides of sin in the big city and pictures of converted gangs who have been delivered from drug addiction, alcoholism and kindred sins. They also are splendid singers and players.
THE PUBLIC IS INVITED

Speed Reading Methods to be Shown at YMCA

Demonstrations in techniques of speed reading will be presented next week at the YMCA by the Evelyn Wood Reading Dynamics Institute of St. Louis. They will be held at 3:30 and 8 p.m. Tuesday and Friday and will be repeated at 10 a.m. Saturday for adults and students unable to attend the other sessions. The programs will be free and will include an 18-minute film.

Odell Preston, director, said the institute is designed to teach people to read rapidly with good comprehension and to improve study habits of students. The institute, with headquarters in Washington, D.C., teaches in 79 cities.

Registered Nurse Group Being Reorganized Here

Mrs. Georgia Harlow held a breakfast in her home, 2108 Johnson road, Wednesday morning for registered nurses. Business discussed was reorganizing the local nurses' alumnae association.

Mrs. Martha Bischoff and Mrs. Harlow, the nominating committee, will present a slate of officers Nov. 4 at a dinner meeting at the Rose Bowl restaurant. Mrs. Bernice Gushoff, Mrs. Bernadine Cooley and Mrs. Harlow will serve on the committee for the dinner.

Those present were those mentioned and Mrs. Evelyn Bueger, Mrs. Amelia Rapp, Mrs. Clara Kraus, Mrs. Lorena Turner and Mrs. Blanche Blake.

Even a new deal can't help the man who has no blue chips.

Pistol Falls (Continued from page 1.)

rent union dispute, but my husband was more concerned about something happening to the children rather than himself," she added.

A native of Mountain Grove, Mo., Mr. Medley had been employed at Union Starck about 2½ years, and the family had resided here the same length of time. He was a member of the Edgemoor Temple near East St. Louis.

The couple's three other children, Vicki, nine, Linda, eight, and Lewis, six, had been left in the care of relatives in St. Louis.

Besides his immediate family, Mr. Medley is survived by his mother, Mrs. Elva Garner of Mountain Grove.

Funeral services were held at Mountain Grove at 2 p.m. today. Other details are given in today's obituary column.

BANK FAMILY NIGHT attended by directors, officers, employees and families Tuesday night at the Granite City Trust & Savings Bank.

Driving Charges Fined

Patsy Jean Polach, 2285 Monroe street, was arrested at 1:25 p.m. Wednesday at 22nd street and Edison avenue on charges of running a stop sign and driving without a license. She is to appear for a hearing by Oct. 27.

154 Attend Trust Bank Annual Family Night

The annual "family night" of the Granite City Trust and Savings Bank was held Tuesday evening in the lobby of the bank, with the attendance of 154 including directors, officers and employees and their families. A buffet dinner was served.

Welcoming addresses were made by Ernest A. Karandjef, president, and Henry D. Karandjef, board chairman. Tony Zedek, assistant vice-president, received a 10-year service award.

Entertainment was provided by Gene Devo, magician and owner of the Magic Den in St. Louis. The evening concluded with presentation of gifts to all the children present.

Price to Lose 13 Townships In Madison County

The 24th congressional district of Cong. Melvin Price, Democrat of East St. Louis, has been split under a district reaping procedure, with Price losing 13 Madison county townships which will be added to the 23rd district. The new blueprint of Congressional Districts was announced in Chicago by state and federal judges yesterday.

One of the townships to be lost by Cong. Price are the larger ones of Alton and Godfrey. The others which will be added to the 23rd district are Foster, Mora, Omphugh, Hannibal, Olive, Alhambra, New Douglas, Marine, Leaf, Saline and Helvetia.

These 13 townships now will make up the 23rd district along with Bond, Christian, Clay, Clinton, Crawford, Effingham, Fayette, Jasper, Lawrence, Macoupin, Marion, Montgomery, Richland and Shelby.

The reapportioning will leave Cong. Price with all of St. Clair county and Madison county, except the 13 townships to make up the 24th Congressional district.

The 20th District of Cong. Paul Findley remains virtually intact except that Macoupin county, formerly in his district, is moved to the 23rd.

The judicial panel took over the reapportionment task after the Legislature failed to agree on apportionment of seats under the U. S. Supreme Court's one-man-one-vote ruling, during the summer the same panel revamped the Illinois Senate map.

Oklahoma Gas Pipeline Dropped, Deadline Past

A deadline Monday evening passed without appeal of a Federal Power Commission ruling eliminating the Oklahoma-Illinois Pipeline Co. application to construct a pipeline from Oklahoma that initially would have supplied natural gas to several major local industries, to Fort Leonard Wood, Mo., and to a group of rural Missouri communities.

Owners of the gas supply in Oklahoma decided not to risk further delay, and instead will divert the gas elsewhere. Easement options for the proposed pipeline route are to be relinquished. It was reported this week.

An FPC examiner ruled last fall in favor of the application, but was reversed in a 4-1 FPC vote Sept. 10. Filing of a petition by Monday could have led to further consideration and a possible court test.

Rule by Law Supported In Talk by Prosecutor

Adherence to law and order was compared to baseball teams following the rules of their game in talk before the Madison County club yesterday by Donald Schmidt, assistant prosecuting attorney of St. Louis county and former assistant U. S. attorney for Eastern Missouri.

Courts were compared to umpires, and the speaker stressed that there must be some means of final and peaceful adjudication of differences. He was introduced by his father, Fred Schmidt, a director and past president of the club. President Anthony Zedek presided and said the Madison club has been paired with "matching clubs" in France and in Hong Kong for 1965-66.

SOCIETY Annual Banquet Honors Church Leaders, Teachers

Gay Gabbers Hold Meeting

Mrs. Calvin Lazenby Jr., 2837 Wayne avenue, entertained her birthday club, the Gay Gabbers, Wednesday. An autumn theme was used and a covered dish luncheon was served at noon.

The birthday of Mrs. Phyllis Wiggins was celebrated and she was presented with a gift from the club. Prizes in a game were won by Mrs. Virginia Davis, Mrs. Betty Weston, and Mrs. Marie Farless.

Others present were Mrs. Betty Welsh, Mrs. Dorothy Miller, Mrs. Betty Miller and Mrs. Blanche Grace. The next meeting will be with Mrs. Welsh on Dogwood drive.

Christian education leaders of First United Presbyterian Church were recognized last night at the annual dinner meeting held in the recreation room.

The catered dinner was served by the deacons of the church to 60 guests, teachers and workers in the church school departments, Junior and Senior High youth sponsors and music departments.

Rev. Dr. David B. Maxton, who gave the devotional and served as master of ceremonies, introduced the guests.

Ralph Reeder and Ben Livingston, superintendents, expressed their thanks to the teachers and officers and Mr.

and Mrs. Warren Decatur and Mr. and Mrs. Sidney Vaughn, sponsors of the 53 youth of the Senior High and the 57 Junior High members, summarized their program, and gave special mention to the cooperative choir.

Seated at the head table were the department heads, Mrs. Marilyn Deatherage, Miss Jackie Grove, Mrs. Gladys Fuhrman, Mrs. Maxton, Mrs. Mary Jane Biggs and Mr. and Mrs. Eugene Coe.

Mrs. Virginia Moore and other representatives of the six choirs praised the continued and faithful performance.

JFK Left Legacy Of Hope, Sorensen Tells SIU Audience

Theodore C. Sorensen, major speech writer and confidant of President John F. Kennedy, told a Southern Illinois University-Southwestern Campus audience of 800 persons Monday that "our obligation to the Kennedy legacy is 'hope' and we must keep it alive, nourish it, and spread it so that future generations will say these were the years when the tide was turned."

Speaking in the Elijah P. Lovejoy Memorial library on the SIU-SW campus, Sorensen told a group of students, faculty members, and other Kennedy admirers that he is convinced President Kennedy left a "rich, lasting legacy far more meaningful than any monument."

He said he sees the Kennedy legacy, planted in less than three years in office, as including his effect on American politics, his effect on the office of the presidency itself, Kennedy's fiscal policy, his effect on American ideals and Kennedy foreign policy.

Sorensen pointed out that Kennedy's influence on American politics was emphasized by his effect on the office of the president, his effect on the office of the president, his effect on the office of the president, his effect on the office of the president.

He said he sees the Kennedy legacy, planted in less than three years in office, as including his effect on American politics, his effect on the office of the presidency itself, Kennedy's fiscal policy, his effect on American ideals and Kennedy foreign policy.

Mrs. Lola Petras, 41, Dies of Cancer

Mrs. Lola May Petras, 41, of 1730 Maple street, died of cancer at 10:30 a.m. yesterday, at the Colonnades Nursing Home, where she had been a patient for one month.

A lifelong resident of Granite City, Mrs. Petras had been in ill-health for the past two years. She was a member of the First Baptist Church and the Birthday Club, a neighborhood social group in West Grant.

She is survived by her husband, John Petras sr., who is employed in the finishing department at General Steel Industries, Inc.; two children, John jr., 17, and Linda Sue Petras, 15, who live at home; and her mother, Mrs. Lola Tucker, 2826 Denver street.

Other survivors include two sisters, Mrs. Velda Clemenitis of Granite City and Mrs. Bernice Wilder of Bellico, N. C., and five brothers, James and Edward Knight of Long Beach, Calif., Clinton, Eugene Knight, Sacramento, Calif., Gilbert Knight, Donald Knight of the U.S. Air Force, who is stationed in Madrid, Spain.

Funeral arrangements are given in today's obituary column.

It was determined to be a president in the manner of Lincoln. He said Kennedy "had too much natural energy to sit back, too much curiosity and zeal to follow the adage that the president should be above politics on state and local levels."

SOCIETY

Fires Topic of Webster Parents

Fire hazards were the principal topic of the Webster school PTA Monday night.

The annual "spook carnival" has been changed from Oct. 22 to Oct. 15. Purpose of the carnival is to raise money for treats for the children at Christmas.

This year, the PTA has voted to use some of the money to buy fans for classrooms. The funds also help pay for the annual school picnic.

Assistant Fire Chief Curtis Donley and Fireman William Paterson gave demonstrations of home fire hazards and Donley showed slides of fires in Granite City.

The meeting ended with refreshments in the cafeteria provided by the kindergarten room mothers.

Mrs. Shipman Is Honoree

Mrs. Nellie Shipman was guest of honor Wednesday at a combined birthday and going-away party at her home, 2318 State street.

The affair was arranged as a surprise and a pot luck luncheon was served. The table held a birthday cake and there were games for entertainment.

Mrs. Shipman and her family are leaving for North Carolina to reside with her husband, who is in service, is overseas.

Those present were Mesdames Eugene Short, Jerry Henderson and son, Louise Glass, Helen Stockton, Irma Cotten, Winnie Rabey and Pearl Conn and Misses Nettie Glass, Joyce Short and Mahala Shipman.

Waiting for something to break is a good way to go broke.

Legion Auxiliary Names Chairmen

Committee chairmen were appointed last night at a meeting of the American Legion Auxiliary, Unit 113.

They are Mrs. Melba Wade, Junior activities; Mrs. Dorothy McCain, liaison; Mrs. Kitty Morris, revision; and Mrs. Dorothy Best, foreign relations.

Mrs. McCain, president, conducted the meeting, and Mrs. Pauline Birks, child welfare chairman, gave her report. A contribution was made to the United Fund, and there were plans for a Halloween party and not luck supper Oct. 27 for members and their guests. A special guest for the evening was a former 25-year member, Mrs. Florence Canterbury, who is now residing in Fontana, Calif.

After the business hour there were games, and prizes were won by Mesdames Best, Esther Harris, Loretta Goeller, Morris, Ethel Petri and Miss Brenda Morris. The special award went to Mrs. Lucille Cooper.

Refreshments were served by the hostesses, Mrs. Birks and Mrs. Morris, assisted by Miss Morris.

Anniversary Club Elects Officers

The Anniversary Club met last night with Mrs. Evelyn Hutson, 4028 Rode avenue.

Officers for the coming year were elected and Mrs. Jean Barnes was named president. Mrs. Myrtle Ryan was re-elected secretary-treasurer.

Two guests were present, Mrs. Sybil Littlejohn and Mrs. Ruby Hoffman, the latter of Eddy-stone, Pa.

Prizes in the games were won by Mrs. Pauline Hendricks, Mrs. Kathryn Smithson, Mrs. Thelma Wallace and Mrs. Barnes.

The November meeting will be with Mrs. Ryan, 2328 Sheridan avenue.

VFW Junior Girls Receive Charm Course Diplomas

The VFW Junior Girls met Tuesday at the Post Home when graduation exercises were conducted for those completing the six lessons in the charm course sponsored by the national VFW Auxiliary.

Diplomas, gold charms and gift cosmetics were presented to each of the girls by Jo Ann Rojas, who was the instructor.

Those receiving diplomas were Bobbie Rojas, Cheryl Schefke, Becky Rodgers, Cathy Leisner, Harriet Rodgers, Patti Schefke, Marcena Robertson, Karen Yikopka, Cathy Fulton, Nancy Johnson and Nancy Schefke.

Those completing the course but not present were Susan Bauza, Sandra Yates, Donna Sanders, and Patricia Davis.

Gifts of cosmetics were presented to Norma Hoffman, Pat Kalpis, Eileen Bodi, Debbie

Schnefke, and Becky Robertson and special awards were given Marcena Robertson, Karen Yikopka, and Patti Schefke.

Bobbie Rojas, president, was in charge at the meeting and plans were made to make gifts for the past presidents of the Auxiliary at their November party. A masquerade Halloween party will be held Oct. 26 at the Post home. Other activities include assisting the men in the sale of candy, the proceeds to be used for hospital work, and making of tray favors for veterans at the Alton State Hospital to be used at a party to be given by the Auxiliary in November.

Refreshments were served after the meeting by the hostesses and leaders, Mrs. Cleo Schefke, Mrs. Catherine Rojas and Mrs. Shirley Leisner.

Amvets Auxiliary Plan Mask Party

Plans for the annual Halloween masquerade party were made last night at a meeting of the Auxiliary of Amvets Post 51 held at the headquarters.

Mrs. Dolores Robinson, president, was in charge and those attending were Mesdames Gayle Pilch, Harriet Wasson, Ann Tucker, Nadine Harrison, Christine Webb, Charlotte Damal, Nadine Summers, Pauline Wickham, Jean Murphy, Dorothy McIlroy, Donna Squires, Billie Hawkins, Lila Sanders and Robinson.

The "white elephant" was won by Mrs. Tucker.

COMMUNITY SING AT THE ANCHORAGE

A community sing will be held at 7:30 Monday evening at The Anchorage.

Mrs. Bessie Morgan Reese is the director, and the accompanist will be Mrs. Russell West. The concert is held on the third Monday of each month and the public is invited to attend.

WILL OBSERVE ANNIVERSARY

Mr. and Mrs. Leo Kozielek, 1841 Seventh street, Madison, will celebrate their 50th wedding anniversary Sunday by holding open house at their home from two until five o'clock in the afternoon.

Pin Ceremony Is Planned

The October meeting of Epsilon Eta Chapter of Epsilon Sigma Alpha was held last night in the home of Mrs. Carol Grove, 2455 Cleveland blvd.

Miss Glenda Moore, president, was in charge, and announcement was made of a jewel pin ceremony to be held at the Colony Inn in Clayton Oct. 27 when Mrs. Diane Noonan will receive her pin.

The welfare chairman reported that the group would make felt picture boards for children of the Easter Seal chapter in Alton.

The program for the evening on "Etiquette" was given by Mrs. Noonan. Fourteen members attended.

MR. AND MRS. GARGAC LEAVE FOR PUERTO RICO

Donald Gargac, U. S. Navy, and Mrs. Gargac, left Wednesday for New Orleans, La. They will board a plane there for San Juan Puerto Rico, where he will be stationed for 21 months.

They were here on a 30-day leave visiting their parents, Mr. and Mrs. Stephen Gargac, 4560 Edwardsville road, Mr. and Mrs. Paul Mikulas, 2544 Hodges avenue, and other relatives in the area.

PRATHER PT AWILL HAVE GUEST SPEAKER

An executive board meeting of the Prather school PTA was held Tuesday evening when final plans were made for the general meeting next Tuesday evening at the school.

The guest speaker will be William Watson who will discuss "Advanced Math." All parents are invited to attend.

Sorority Plans Yule Novelties

Theta Theta Chapter of Beta Sigma Phi met Tuesday evening in the home of Mrs. Dorothy Cox, 2589 Stratford lane.

Each member contributed an idea for a gift or Christmas decorations, and a novel presentation was the shaping of a record into a floral centerpiece containing a gift or Christmas decorations. The hostess displayed an arrangement using pottery saucers and gold sprayed objects.

Club Sees Slides Of Mexico

The Thorngate Garden Club met Tuesday afternoon with Mrs. Charles Gull in Route One.

After a dessert course a program on travel was given. Mrs. Elizabeth Luvelle entertained with slides of a trip to Mexico and Mrs. Clara Schilling and Miss Dorothy Hoedebeck exhibited pictures taken on a western tour.

Twelve members were present and four guests, Mrs. Mary Foster and son, Mrs. Ruth Wolf and Miss Hoedebeck.

The men who stand for nothing will fall for nothing.

Beta Phi Tours Auto Plant

Mrs. Joyce Albers entertained members of the Beta Phi Chapter of Epsilon Sigma Alpha sorority last night following a conducted tour of the Chevrolet plant in St. Louis.

The business session was conducted by Shirley Long, president, and the honor roll certificate from Epsilon Sigma Alpha International was displayed. It was awarded the chapter for outstanding achievement for educational, philanthropic and membership growth.

Mrs. Albers reported on the state convention which she attended in Chicago and presented the group with numerous awards won at the meeting.

Ann Hooton, ways and means chairman, discussed the recent chili supper given by the chapter.

A Halloween theme was used in the appointments of the dessert course served by the hostess. Others present were Shirley Long, Millie Clements, Sandy Cuvar, Mary Ann Pare, Judy Dyer, Mary Jo Hein, Shirley Claxton, Betty Bucatch, Donna

Granite City PRESS-RECORD

Thurs., Oct. 14, 1965 Page 17

Mooseheart Chapter Night

A Mooseheart Chapter night was held by the Granite City chapter of the Women of the Moose last night with Senior Regent Gladys Markovich in charge.

Dorothy Coy, Mooseheart chairman, and her committee served lunch from a table decorated in a Christmas theme for "Christmas in October."

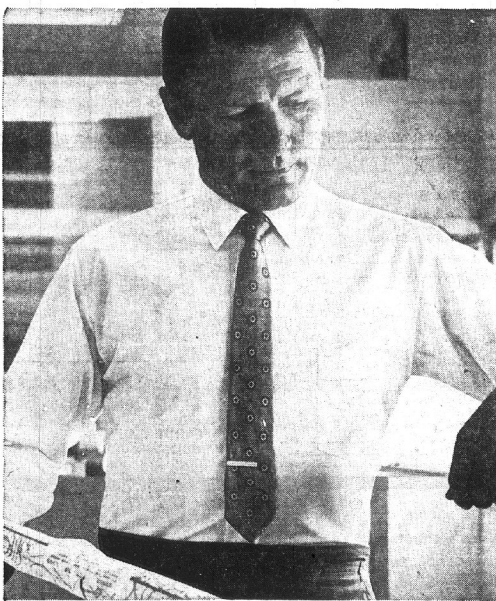

Games were played and prizes were won by Edna Bardsley, Pearl Griffin and Hazel Staggs. The chapter members will attend a convocation in Centralia traveling by chartered bus, Oct. 31. A report on the recent Chicago convention was given by the officers who attended, including the senior regent, Mrs. Markovich, Mrs. Marian Lipscomb, Mrs. Mildred Votoupsal and Mrs. Jennie Mihl. An open meeting will be held Oct. 27.

Thies, Kathy Dohal and Gerry Mendez. Prizes were won by Judy Dyer and Kathy Dohal.

GO TO CHURCH SUNDAY

PERMANENTLY PRESSED!

No one need ever iron this amazing shirt... and no one can rumple it!

Manhattan "Dura-Smooth"™ Docoma® shirts of 65% Dacron® and 35% cotton are actually pre-cured by an exclusive process to stay smooth and "just ironed" for the life of the shirt. No ironing. Absolutely none. Ever. Just wash "Dura-Smooth" and hang it up. Quickly, this revolutionary polyester-blend shirt irons itself to a perfect press. Just as revolutionary... Dura-Smooth... stays magnificently smooth and fresh looking as long as you wear it. Thus, if you send all your shirts to the laundry the neatness factor will delight you! See our complete selection.

53 Assigned to Adult Education in Madison

Adult education classes for persons who have not completed the eighth grade will begin Monday night at Dunbar school, Wensel Brown, Madison superintendent of schools, announced today.

Fifty-three persons have been assigned to classes by the Madison county office of the Illinois Public Aid Commission. Classes will be held from 7 to 9 p.m. Mondays and Wednesdays through April 20.

The prospective adult students have been grouped into five classes—grades 1-3, 4-5, 6, 7 and 8. Wade E. James is supervisor of the program, and Arthur J. Christie is counselor. Five teachers are on the staff.

Those successfully completing eighth grade level requirements will be eligible to attend the secondary adult education program in Venice.

Lohman Re-Named Head Of County KC Chapter

Vincent Lohman of Collinsville, an employee of American Steel Industries, was re-elected as president of the Madison county chapter of the Knights of Columbus at a semi-annual meeting Wednesday night at the new Bethalto K. of C. home.

All other officers were elected, including Albert Sanders, past grand knight of the Tri-Cities K. of C. council, as a trustee. John Kazman, current grand knight, invited chapter officers to attend the local council's memorial service on Nov. 21.

Plans were made to hold the annual county K. of C. bowling tournament March 20 at the Bowland lanes, for the annual spelling bee at the Tri-Cities Council for the May Day parade May 1 at Bethalto.

All councils reported on their activities for the past six months. Eleven members from here attended.

Services Friday for Retired Depot Worker

Funeral services will be held Friday afternoon at Edwardsville for Archie R. Libby, 76, of Edwardsville, a retired supervisor of the Granite City Army Depot. Burial is to be in Woodlawn Cemetery, Edwardsville.

Mr. Libby was a native of Monmouth and was founder and first commander of the American Legion post at Worden. He died Tuesday night at St. Joseph's Hospital in Highland.

Muffler Charge Filed

Norman Past, 2300 Missouri Avenue, was arrested at 7 p.m. Wednesday at Pontoon and Johnson roads on a charge of driving with an improper muffler on his sports car. He is to appear for a hearing by Oct. 28.

Trash Fire at School

Firemen were called to Emerson school, 20th and Benton streets, at 8:20 p.m. Wednesday because of a trash fire in a pit at the rear of the school. There was no damage.

1,800,000 Pounds of Steel Being Used to Build New Hot Strip Mill

Loyal to its own business field, Granite City Steel Co. is using 1,800,000 pounds of structural steel in its multi-million dollar new hot strip mill building complex currently under construction along Madison avenue from 16th street to 19th street.

Three major buildings are in the complex with the hot strip mill to be 1900 feet long. It is one of the largest construction jobs ever undertaken in the area and is only a part of the local steel mill's \$140,000,000 modernization and expansion program.

The new hot strip mill is termed by company officials as the most important of the facilities used to convert steel ingots into finished flat rolled steel products. The wide, continuous hot strip mill will be one of the most advanced and powerful in the world.

1967 Completion Date

Construction was started in March and is scheduled for completion in early 1967. For the structure, about 200,000 cubic yards of earth is being moved to create a broad trench four blocks long and 20 feet deep for the foundation.

Steel pipe piling with a load-bearing capacity of either 100 tons or 60 tons are being driven to a depth of about 90 feet and then are filled with concrete. A mat of reinforced concrete two feet thick is then poured on top of the pilings.

A total of 4100 separate pilings are being driven so the mill foundation can withstand any tendency to settle or distort. This will require 248,000 linear feet (47 miles) of steel piling over 10 inches in diameter.

Passageways, Tunnels

The buildings' foundations will include passageways to get to equipment beneath the mill and sluice ways to allow for draining water carrying scale to the scale pits. There also will be electric cable tunnels.

The foundations for the hot strip mill and buildings will require 83,000 cubic yards of concrete reinforced with 8,000,000 pounds of rods.

Tearing Mill

The operation will start with steel slabs up to 10 inches thick and 33 feet long and end with flat carbon steel in thicknesses of .0075 inch to a half inch, widths of 24 to 76 inches and lengths of several thousand feet.

The buildings will extend for a distance of almost two-fifths mile along Madison avenue. Principal units will include three big furnaces of a new "walking beam" design for heating slabs to the proper hot rolling temperature, about 2400 degrees.

Rolling stands driven by electric motors with a total of 105,000 horsepower for reducing the thickness of the steel and three heavy downcoilers.

Power-Driven Table Rolls

Power-driven table rolls will convey the steel from the furnace to the four roughing mill and seven finishing mill stands and along a rammed table where the strip, moving by then at speeds up to 42 miles an hour, will be flooded with 40,000 gallons a minute of cooling water.

The entire operation will be controlled by a digital processing computer system combined with an array of sophisticated measuring and sensing devices and actuating mechanisms.

The mill housings (two for each stand or rolls), electric motors and other facilities will be anchored to reinforced concrete foundations resting, in turn, on the thousands of pipe pilings.

In addition, the steel mill also is building its multi-million dollar basic oxygen furnaces in the old "behind-the-mill" area. The excavation there is now 60% complete and about 600 pilings have been driven to an average depth of 100 feet. A total of 1400 pilings are to be driven.

GC Jaycees to Sponsor Teenage Halloween Dance

Local teenagers are being invited to a Halloween dance, sponsored by the Granite City Jaycees, from 8 to 11 p.m. on Friday, Oct. 29, in the YMCA gymnasium. It was announced today by David Walker, Jaycee project chairman.

Orchestra music will be provided by a band, Walker said. He added that a 25-cent admission fee will be charged with the proceeds to go to the YMCA Teen Town.

Airman Jerry Martin Promoted in Idaho

Jerry L. Martin son of Mr. and Mrs. Clyde D. Martin of 516 Third street, Venice, has been promoted to airman second class in the U.S. Air Force. Airman Martin is a material specialist at Mountain Home AFB, Idaho. He is a member of the Strategic Air Command, which keeps the free world's mightiest missile and jet bomber force ready to counter the enemy threat. He is a graduate of Venice high school.

Count to ten — take time to think, and you'll have very little trouble to think of.

HOT STRIP MILL three-building complex looking south from Granite City Steel's steel generator plant at 19th street. The excavation is 1800 feet long for the

center structure. The slab yard building is to the right along Madison avenue.

DISTRICT DAY MEETING SUNDAY

The DAV Auxiliary and the chapter will entertain Egyptian District Eight at the DAV hall Sunday. There will be a service officers' training school in the morning, followed by lunch and then meetings through the afternoon.

Mrs. Lillie Anderson and children, James and Judy, 2647 Circle drive, spent the weekend with her uncle and aunt, Mr. and Mrs. Tom Robertson, in Dixon, Mo.

Pat and Sharon Oden, Chuck and Jerry Zink of Collinsville accompanied them in the trip, and James Anderson and Jerry Zink delivered the sermons at the Kenner Community center and the church there. Mrs. Anderson's brother and sister-in-law, Mr. and Mrs. Roy Bell of Dittmer, Mo., also were guests at the farm.

Mr. and Mrs. Emmet Toney and Mr. and Mrs. Virgil Reeves and children, Carol, Gary and Kathy, of Lebanon, Ill., formerly of North Granite, spent Sunday at Lake Egypt in Marion, Ill.

ATTEND FUNERAL OF DAVID OEHLER

Mr. and Mrs. Elmer Down and Mr. and Mrs. Robert Andrews attended the funeral of their nephew, David Oehler, 33, Sunday at Brighton, Ill. He was the son of the late Mr. and Mrs. Louis Oehler of Granite City and moved to Brighton several years ago.

Other friends and relatives from Granite City attending the funeral were Mr. and Mrs. William Down and daughter, Colleen, Mr. and Mrs. Wilson Andrews and children, Gary, Janet, Charles and Jo Ann, Mr. and Mrs. Kenneth Andrews, Mr. and Mrs. Larry Peterson and Curtis Williams.

Mr. and Mrs. Elmer Down and Mr. and Mrs. Robert Andrews attended the funeral Monday of their uncle, John Dependahl of Fosterburg, Ill., held in Alton, Andrews served as pallbearer for their 87-year-old uncle.

Two Hubcaps Stolen

Robert Strochmer, 2348 Washington avenue, reported at 10:55 a.m. Wednesday that two hubcaps were stolen off his 1957 auto while it was parked on a lot at 23rd street and Washington avenue.

CYO Car Wash Saturday

The St. Elizabeth CYO will hold a car wash from 9:30 a.m. to 4 p.m. Saturday at the church parking lot, Johnson and Nameoki road. The rate is \$1.50 per car. Randy Lambert is chairman.

Mrs. Kenneth Andrews, Mr. and Mrs. Larry Peterson and Curtis Williams.

Mr. and Mrs. Elmer Down and Mr. and Mrs. Robert Andrews attended the funeral Monday of their uncle, John Dependahl of Fosterburg, Ill., held in Alton, Andrews served as pallbearer for their 87-year-old uncle.

14 Drivers Arrested As Police Use Radar

Eleven drivers were issued arrest tickets on speeding charges Wednesday and three more this morning on various Granite City streets where police utilized their radar units. The motorists are to appear for hearings on or before Oct. 27.

They are James L. Karnages, 1001 Iowa street, Madison; Michael H. Davis, 1621 Mitchell avenue; Bobbie McGee, Belleville; James E. Shelby, St. Louis; Christine K. Broker, Atlanta, Ga.; Carl E. Yeager, 2911 Palmer avenue; B. W. Wallace, 2813 Warren avenue.

Isaac T. Pasley, 1634 East 23rd street; Robert R. Grayson, 2139 Grand avenue; Sharon L. Bauer, Edwardsville; Edward D. Kleehammer, Granite City Army Depot; Robert W. Leibold, 2288 Miraciale avenue; Bonnie C. Dickenson, Bethalto; and Lawrence R. Hackethal, Edwardsville.

How to save money like clockwork [even if you're short on willpower]

Hanging on to some of your earnings can be easy as winding your watch. Just tell your employer you want to join the Payroll Savings Plan. Then sit back and forget about it.

Every payday, he'll set aside a few dollars from your paycheck (you say how many), and put them towards the purchase of a U. S. Savings Bond.

Pretty soon you'll have some big

dough stashed away. No strain. It's all automatic—and dependable as Big Ben.

Millions of your fellow Americans save billions of dollars this way, so you know it works. What's more, you help your country as you get richer, which should give you a nice red, white, and blue feeling.

Take a minute and talk to your employer *this* payday. See if it isn't time well spent.

Buy U.S. Savings Bonds

GC Girl Student Teacher In Alton School System

More than 200 Southern Illinois University education students are engaged in student teaching in Illinois schools, and among them is Miss Antoinette E. Stodnick of Granite City, the university announced today.

Miss Stodnick is presently teaching within the Alton school system. The teacher training is a requirement for the bachelor's degree in education at the University, and under the present plan, Miss Stodnick will work for one school term in a regular classroom situation under the supervision of an accredited teacher and the SIU department of teacher training.

Shotgun Quotas Reached

William T. Lodge, director of the Illinois Department of Conservation, announced today that shotgun deer permit quotas had been reached in Knox, Putnam, Gallatin and Schuyler counties, bringing the total number of counties filled to 34.

County Anti-Poverty Groups Hope to Settle Differences

Further attempts to resolve differences among various anti-poverty groups in Madison County which has precluded granting of federal funds for a county-wide program development study will be made at 7:30 tonight at a meeting of the Madison County Economic Opportunity Commission.

Representatives of each anti-poverty group will meet in the Venice city hall. The special session has been called by Joseph M. Bailey, Alton, and Hugh Halston, Venice, county EOC vice-presidents.

George E. Moore sr. of Granite City, commission president, told the Press-Record today he will be unable to attend tonight's meeting due to other commitments.

Moore, a quality control officer at the Granite City Army Depot and a Granite City school board member, said he understands tonight's session was suggested by

Robert Shackford, acting regional director of community action programs from the regional office of Economic Opportunity in Chicago. The federal official attended a meeting of the county anti-poverty organization held Monday night in Edwardsville. Moore also said he is planning to call a meeting of the commission's executive board for next Monday night.

Principal differences between the Alton-Wood River Economic Opportunity Council, the Tri-Cities Area Economic Opportunity Council and the county anti-poverty group appear to stem from a lack of agreement by which one development grant application can be submitted to the Chicago regional office for funds.

A second point of dissension has developed through protests by the Tri-Cities organization on absence of representation on the county commission. In August, the commission agreed

16 Defendants Plead Innocent To Area Charges

Sixteen defendants pleaded not guilty to charges of committing felonies in the Quad-Cities area at arraignments held Wednesday and today in Madison county circuit court at Edwardsville. They were indicted Wednesday of last week by the county grand jury.

The innocent pleas were entered by William DeMars, 19, of

St. Louis, charged with theft of a motorbike last May 29; Percy J. Wilkinson, 31, of 203 Ashbrook street, Venice, charged with armed robbery at the Park tavern, East 20th street and Park avenue, last April 1; Phillip Manning, 20, of 1202 Kirkpatrick Homes, charged with aggravated battery on Mrs. Janet Teller, 1901 Kirkpatrick Homes, on July 12.

David R. Cox, 19, of 2028 Iowa street, and Jerry DeMontmolin, 18, of 2943 Myrtle avenue, charged with burglary at the Maryland Bi-Rite supermarket, 2265 Pontoon road, last July 28; Murl James Roush, 20, of St. Louis, charged with forgery by passing a bad check for \$252 at the Johnson Music store last August.

James Edward King, 99 Weaver street, Venice, and Carl A. Fowler, 19, and Edward Latimore, 18, both of St. Louis, charged with burglary at Garrett's drug store, 313 Weaver street, on Aug. 20 (King was charged with robbery of \$80 from Earl Jennings, 302 Allen street, Eagle Park Acres, charged with robbery and deviate sexual assault, last Marchbanks, 16, and J. D. Marchbanks, 20, both of 211 Hill street, Eugene Sanders, 17, of Bend road, William Lucas Jr., 28,

High Water Changes Waterfowl Dates

High water on the Mississippi and lower Illinois rivers has required a change in plans on public waterfowl hunting areas, the Illinois Department of Conservation announced today.

Blinds do not have to be completed until Monday, Oct. 25. The original date for completion, including final brushing, was Oct. 15, but high water washed out many blinds. This new schedule includes both river blinds and those at check station areas.

A check station will not be operated at Red's Landing in Mississippi River Pool 25, six miles west of Hardin. A hunter with a blind on this area must occupy it by one-half hour before sunrise or anyone may hunt the blind.

of 105 Hill street, and Willie Gray, 26, of 207 Allen street, all of Eagle Park acres, charged with robbery of \$80 from Earl Main Jr., Fenton, Mo., on Sept. 25.

A criminal setting of circuit court is to be arranged to try the cases.

ANNUAL SUNSHINE CLASS DINNER

The Sunshine class of Second Baptist Church held an annual covered-dish dinner and fellowship for its members and guests in the church basement early Tuesday evening.

Places were arranged for the teacher, Mrs. Evelyn Smith, and Rev. and Mrs. W. Clayton Humphrey, Rev. Carl Watkins, Mr. and Mrs. Arthur Hoffman, Mr. and Mrs. Carl Ayers, Mr. and Mrs. Gerald Mayberry and daughter, Rena, Rev. and Mrs. Thomas Harvengt and three children, Mr. and Mrs. Howard Wigger and daughters, Nancy and Bonnie, Mr. and Mrs. Wesley Grote, Mr. and Mrs. Stanley Barnes, Mrs. Luven Fennell and daughter, Bonnie, Mr. and Mrs. Earl Cox, Mr. and Mrs. Thomas Wilson, Mr. and Mrs. Rome Sturdivant, Mr. and Mrs. Gene Duggins, Mr. and Mrs. Leimel Portell and children, Mr. and Mrs. Ralph Yates and daughters, Susan and Margaret, Mrs. Dorothy Barnes and daughter, Evelyn, Mrs. Steffie Lizbar, Mrs. Ursel Woodward, Mrs. Eleanor

Cook and daughters, Mrs. Aloy Richards, Mrs. Louise Mitchell, Mrs. Betty Grote and son, Barry, Mrs. Ruby Harper, Carlos Lee-Vault, Gary Wigger, Miss Irene Broadway, Brenda Mitchell, Eleanor Zimmer and Gertrude Bundy.

Mr. and Mrs. G. M. Potillo, 2256 Adams street, entertained their grandson, Melvin Potillo Jr., over the weekend. He is a freshman at Southeast Missouri State College at Cape Girardeau, Mo. The Potillos also had as guests Sunday their grandson-in-law and granddaughter, Mr. and Mrs. Wayne Foster and children, Kathy, Shelley, Kelly and Kerry, and Herbert Foster, all of De-catur.

16TH BIRTHDAY

Mr. and Mrs. Harold Evans, 2612 Highway 67, entertained Sunday afternoon in honor of the sixteenth birthday of their daughter, Sue. Those present included the brother and sister-in-law of Miss Evans, Mr. and Mrs. Marvin Evans; a sister, Miss Sandra Evans; and Mrs. Marcella Oliver and children and Misses Donna Rudder, Phyllis Westphal, Sharon Kay Smith and Carol Ramsey.

The Partry Box four-year-old Sunbeam groups met Sunday morning during worship services at Second Baptist Church. Mrs. Betty Harvengt and Mrs. Charles Sanders presented a study on children of Japan to ten children.

Mrs. Betty Lewis, Sunbeam director, met with the Mary Page five-year-old Sunbeams Sunday morning. Fifteen children continued a study of nature and began studying children of Japan. Six and seven-year-old Sunbeams met Tuesday afternoon, with Mrs. Beverly Cronin and Mrs. Arlene Smith in charge. The group continued a study of South-ern Baptist mission work in Brazil, using a map of that country. A stand-up village of Brazilian houses and people was displayed. Approximately 15 children were present.

Eight-year-old World Friends Sunbeams met Tuesday at Second Baptist Church, with Mrs.

BASIC OXYGEN FURNACE PLANT excavation work and pile driving is about 60% completed for the two 220-ton furnaces, materials handling equipment and other facilities that will cover a 3 1/2-acre tract in

the "behind-the-mill" area at Granite City Steel Co. The new furnaces, which eventually will replace the open hearth furnaces, are to begin producing steel in about 16 months.

CLUB OUTING

An evening of wiener roasting and music by the bonfire was enjoyed by members and their husbands of the "Momma's Night Out" club Sunday evening at the Lewis and Clark memorial park near Hartford.

Those present included Mr. and Mrs. Jim Schmiedake, Mr. and Mrs. P. J. Tinsley, Mr. and Mrs. Warren Nash, Mr. and Mrs. Jim Talley, Mr. and Mrs. Jim Fuhrman, Mr. and Mrs. Bob Rimmer and Mr. and Mrs. Don Ballard and son, Brian.

CIRCLE ORGANIZED

The newly-formed circle of the Women's Missionary Society of Suburban Baptist Church met Tuesday afternoon at the church.

The circle chairman, Mrs. Georgia Reisinger, opened the meeting with prayer. The circle members chose as their name the Joanne Spurgeon circle. Mrs. Spurgeon is the wife of a missionary now serving in Thailand. A business meeting was held, with officers elected. Those elected were: program chairman, Mrs. Ruthann Williams; prayer chairman, Mrs. Lorene Fox; community missions, Mrs. Wanda Reeves; stewardship, Mrs. Helen Crabtree; secretary-treasurer and publicity chairman, Mrs. Ida Phillips; mission study, Mrs. Helen Stanford; and publications, Mrs. Marie Reisinger.

It was decided that the circle will meet every third Thursday at the church.

Refreshments were served by Mrs. Georgia Reisinger and Mrs. Lorene Fox. Mrs. Fox closed the meeting with prayer.

Mr. and Mrs. Robert Bivens and children, Cam and Nikki, of Fairfield spent the weekend visiting at the home of Mr. and Mrs. Donald McKinney of Wilson avenue. Mr. Bivens is the brother of Mrs. McKinney.

Members of the Bunco club enjoyed an evening in St. Louis attending a nice show Tuesday. After the show, a late dinner was held at Rusty's restaurant in Edwardsville.

Members attending were Mesdames Barbara Miller, Almie White, Donna Trockel, Josephine Matthews, Betty Helton, Pauline Mezo, Virginia Ahrens and Joann McKinney. Guests for the evening included Colette Anderson, Kathy Howe, Beverly Singleton and Leona Allen.

Girl Scout Troop 704 and Brownie Troop 198 met jointly Sunday afternoon at Wilson Park for a cookout. Games were played during the afternoon.

Girl Scouts in attendance included Debra Bird, Ruth Bird, Kitty Chappline, Cindy Childers, Pam Clay, Diane Emering, Connie and Wanda Gibbs, Kathy Harrington, Joanne Head, Karla Joseph, Connie Lipe, Vicky Milfin, Donna Sanders, Marsha and Theresa Wallace and Frances Welby.

The leader is Mrs. Pat Eaton, and guests were Pam and Mike Bird, Ronald Eaton and son, Ronnie, the Brownie leaders, Mrs. Lois Chappline and Mrs. Lorraine Elmore, and Brownies Mary Kay Chappline, Susan Elmore, Paula Smith, Karen Lee, Cindy Treedwell, Felicia Wallace, Billie Carver, Pam and Sharon Emering, Gina Blason and Patty Harrington.

DR. WILKINS TO TALK AT FROHARDT PTA

Mrs. Elizabeth Briggs, program chairman for the Frohardt school PTA has announced the guest speaker for the next meeting will be Dr. George T. Wilkins Jr. His topic will be "Childhood Diseases." The meeting closed with prayer by Francis Herman, president of the PTA, conducted a business meeting for executive board members Tuesday evening at the school.

Mrs. Jo Ann Kalert, membership chairman, announced 267 members are now enrolled. New members will be welcomed at any meeting and especially at the open house planned for Nov. 16. Mrs. Estelle Masie's room holds the record for members, with 583, signed so far.

Mrs. Sandy Harper, hospitality chairman, reported on final plans for the "new mothers' tea" Oct. 27 from 2 to 3 p.m. All kindergarten mothers and mothers of new pupils who have enrolled this year are invited.

Donald Masek, special projects chairman, announced plans have started to beautify the front lawn of the school. A tree planting day will be the first step in this project.

Also discussed was a request for new playground balls. This will be submitted to the membership at the next meeting.

Lee Reid, principal, announced the school board has authorized another fourth grade class at the Central Christian Church to alleviate crowded conditions in this grade.

SCHOOL STOP CHARGE

Ross Kraut, Godfrey, was arrested at 3:10 p.m. Wednesday on a charge of running a school stop sign at East 23rd and Louisiana streets near Lake school. He was summoned for a hearing on or before Oct. 23.

There are few dark and gloomy days ahead for folks who spread sunshine.

Christmas party held jointly with the Altar Society, he submitted the plans to date. The party will be held at the Lewis and Clark restaurant in East Alton on Nov. 27. The four officers of the Holy Name Society have tickets now for sale.

A monthly fish fry is scheduled for Oct. 29 and will be held at the school. The evening's prize went to C. J. Hodebeck. The next meeting will be held on Nov. 9 and will include election of officers for the coming year. They will be installed at the December meeting. The meeting closed with prayer by John Klesh. Refreshments were served by the president to 31.

Girl Scout Troop 158, sponsored by the Maryville school PTA, held a weekly meeting Tuesday evening at the school. The meeting was opened by Debbie Bell, followed by each patrol working on badges.

Patrol One, Jolly Green Giants, worked on the sewing badge; Patrol Two, cookies, the musician badge; and Patrol Three, Angels, and Patrol Four, Vikings, the housekeeping badge. A discussion was held on plans for a holiday to be held this fall. Patrol Two served refreshments to complete work on the hospitality badge.

Those present were Robin Baker, Debbie Bell, Cheryl Bennett, Karen Boyett, Pam Gachig, Cathy Gueswell, Patty Lathrop, Mary Mitchell, Karen Rotter, Patty Tester, Kim Thompson and Peggy Whittington.

Mrs. Mary Ellen Minks, 1903 Kirkpatrick Road, was honored at a stock shower Monday evening at 2424 Nameoki road, given by Mrs. Ray Hetrick and Mrs. Jerry Ritchie.

Games were played, with prizes awarded, and gifts were presented.

Those present included Miss Pam Starling and Mesdames Margaret Barzoff, Janice Rejwal, Phyllis Smith, Donna Mendoza, Sandra Stamm, Leona McCoy, Elizabeth Groberson and Donetta Stajdhar.

SOCIETY

Parents, Friends To Hold Dinner

A meeting of St. Mark's Parents and Friends Association was held Tuesday evening in the church basement with Mrs. Marlene Miller, president, in charge. Reports were given on a pancake and sausage breakfast and a bake sale, and final plans were made for a spaghetti and meat ball dinner Oct. 17 from noon to 7 p.m.

Mrs. Gloria Kowalski and Mrs. Mary Donna Scaturro are co-chairmen for the dinner.

A committee of room mothers will make arrangements for the school's Halloween party. It was announced that a trip to a radio show has been canceled.

A two-course luncheon was served by Mesdames Vivian Bilna, Pauline Koelker, Annette Daniels, Dorothy Roelinger and Dorothy Koelker. Among the 35 present were Sister Vincent, Sister Marie and Sister Clotilde.

Hostesses Nov. 9 will be Mesdames Rosalyn Wilkinson, Irene Britt, Norma Levy, Joseph Schmidt and Bertha Pace.

Garden Club Plans Events

A business meeting of the Cloverview Garden Club was held Tuesday afternoon in the home of the president, Mrs. John Jenkins, 2442 Lynch avenue.

Announcement was made of a semi-annual meeting of garden clubs of Illinois to be held in Springfield Oct. 18-19 and a President's Council Day of District Five on Oct. 20 at First Methodist Church in Collinsville.

The club voted to make a contribution to the Lincoln Memorial Fund established to maintain memorial gardens in Springfield.

An all-day workshop at the Granite City park district Community Center Nov. 9 with Mrs. Robert McCauley as hostess was planned when Mrs. B. J. Isselhardt, of Edwardsville will conduct a class on Christmas wreath making at the meeting.

Present were Mesdames George Knapp, B. C. O'Neill, Raymond Williamson, Robert McCauley, Fred Orr, Louise Sedlack and Jenkins.

Winsome Class Names Officers

Mrs. Hildreth Lewis was hostess to the Winsome Sunday school class of Suburban Baptist Church in her home 1300 Twenty-seventh street, Monday evening.

The monthly meeting included a season of prayer with each member participating, reports by Mrs. Georgia Harlow and election of officers for the class year.

Mrs. Lewis was elected to serve as president for another year. Mrs. Evelyn Mohr was named vice-president. Mrs. Ruby McFall secretary, Mrs. Edna Jackson corresponding secretary. Mrs. Harlow will remain as treasurer for the year. Group captains will be Mrs. Rene Ippock and prayer chairman will be Mrs. Alta Mae Cockrell.

Mrs. Pauline Dalhaus and Mrs. Wanda Bradford also took part in the meeting. The hostess served refreshments.

Elzada Girls Guild Meets

The Elzada Girls Guild of Mt. Zion General Baptist met Tuesday evening in the home of the sponsor, Mrs. Flora Monroe, 2827 West 22nd street.

Linda Penrod, president, conducted the meeting, and devotions were led by Barbara Griffith. Elaine and Linda Penrod gave talks on Spanish-America and the missionary message was by Mrs. Inez Carr, wife of the pastor. The meeting closed with prayer by Joyce Hicks, and a surprise housewarming party was given for Mrs. Monroe, who has just moved to her present address. She was presented with gifts.

Hot chocolate and cake were served to those mentioned and to Mary Goodall, Linda Norflett, Evelyn Mitchell, Diane Hahn, Winona Carr, Jerri Hicks and Barbara Fox.

The November meeting will be with Elaine Penrod.

Eagles Auxiliary Adds 2 Members

The Eagles Auxiliary met Tuesday evening with Mrs. Ann Knopka presiding, and two new members, Mrs. Isabel Bozif and Mrs. Irene McArdle, were accepted.

A report of the sick and visiting committee was given, and Mrs. Florida Batson was appointed chairman of the Salvation Army "kickoff" dinner to be held at the Eagles Home.

Mrs. Frances Steinman, who was celebrating her birthday, was escorted and presented with a gift from the Auxiliary, as well as individual gifts. Miss Sylvia Roy was awarded the special prize, and the "white elephant" was donated by Mrs. Cora Barr was won by Mrs. Helen Lipchik.

Refreshments were served by the hostesses, Mrs. Flo Hills, Mrs. Mae Amish and Mrs. Clara Earney, to 29 members.

AWININGS—G.C. GLASS CO.
18TH & EDISON, TR 7-5400

Mitchellette 4-H Club Elects

The Junior Mitchellette Four-H Club met Monday evening in the Mitchell school and elected the following new officers:

Cindy Marshall, president; Cindy Davis, vice-president; Nancy McKinney, secretary; Sherrie Markham, recreation leader; and Donna Schillinger, reporter.

The meeting opened with the pledges to the 4-Hs by Cindy Davis and Nancy McKinney, and plans were made for the Nov. 8 meeting at the school when there will be a demonstration on table setting by Sherrie Markham, and a talk on table etiquette by Cindy Davis.

Mrs. Charlotte McKinney and Mrs. Dorothy Arnold are co-leaders of the Troop.

Madison Club Aids United Fund

Madison Junior Service club members met Tuesday evening at the Madison recreation center with the president, Mrs. Marilyn Schaffner, presiding over the monthly meeting. A donation was voted for the United Fund.

A letter of thanks was read from the Madison Band Parents club for a donation made toward band uniforms. Various fund projects were discussed by the members.

Names of prospective members of the club are to be turned in by January.

Members taking part in the meeting were Mrs. Rita Barnhart, Mrs. Billie Bosworth, Mrs. Judy Donaldson, Mrs. Ruth Fanning, Mrs. Geraldine Friend, Mrs. Jackie Frizzell, Mrs. Dolores Gasho, Mrs. Loretta Hylla, Mrs. Evelyn Holt, Mrs. Alberta Mikolazuk, Mrs. Marcella Obranovich, Mrs. Doris Paterson, Mrs. Joan Voegeli, Mrs. Julia Voloski, Mrs. Adrienne Warchol and sustaining members, Mrs. Mary Stanfill, Mrs. Marie Miller and Mrs. Julie Pearce.

Prizes were awarded to Mrs. Hylla, Mrs. Fanning, Mrs. Stan-

ENGAGED, Miss Antoinette Eloise Stodnick, whose parents, Mr. and Mrs. Frank Stodnick sr., 2001 Richmond avenue, are announcing her betrothal to William D. Berkshire, a son of Mrs. Juanita Berkshire of Peoria.

Miss Stodnick Is Engaged

Mrs. and Mrs. Frank Stodnick sr., 2001 Richmond avenue, are announcing the betrothal of their daughter, Miss Antoinette Eloise Stodnick, to William David Berkshire, a son of Mrs. Juanita Berkshire of Peoria, Ill.

Miss Stodnick was graduated from Southern Illinois University, Carbondale, and is student teaching in a local school. Her fiancé, also a graduate of SIU, Carbondale, is an employee of the federal government.

The wedding is planned to take place in December.

SHRINE WILL
HONOR OFFICERS
Gabriel Shrine 78 will meet this evening at 7:30 at the Masonic Temple.

Mrs. Cora Hettich, worthy high priestess, and Debert McKisick, watchman of shepherds, will preside and Mrs. Katie Pennock, noble prophetess, and Toy Johnson, associate watchman of shepherds, will be honored.

St. Mary's PTA Hears Pastor

Fr. Engelbert Bieneck, pastor, addressed St. Mary's Parent-Teacher Association at a monthly meeting Monday evening in the school cafeteria.

The president, Mrs. Lee Krapan, presided and two new members, Mrs. Esther Dempster and Mrs. Dorothy Sanders, were welcomed.

Plans were made for the PTA to purchase four reading kits for St. Mary's school. The members voted to buy a vestment case for the school's new convent.

Mrs. Bea Stentzer, Mrs. Ann Loftus, Mrs. Regina Piechocinski and Mrs. Betty Bulva, hostesses for the month, served refreshments to 40 members. The meeting was dismissed with prayer.

Next meeting is to be held Nov. 8.

Miss Lida Heyer Is Honored

Mrs. Bonnie Miller, 2419 Cleveland blvd., entertained a group of friends at a 1 o'clock luncheon Wednesday evening at her home, honoring an out-of-town visitor, Miss Lida Heyer of Nashville, Tenn., a former Granite Cityan, who is a guest of her sister, Mrs. Arthur Crabtree, 2409 Benton street.

Others present were Mrs. Rex Niles, Mrs. John Carrico, Mrs. Linda Theis, Mrs. Tena Neunreiter, Mrs. T. W. Kelo, Mrs. Nellie Koetter, Mrs. Grace Houshauer, Mrs. Ann Miller, Mrs. Della Pauly, Mrs. Hazel Pfroeder and Mrs. Crabtree.

HT-PEO Meets At Miller Home

Mrs. B. F. Miller jr., 1618 Lindell blvd., entertained Chapter HT of P.E.O. at a luncheon meeting Monday.

Fifteen were present and plans were made for a joint meeting of Chapter membership sponsored by the East St. Louis Cooperative Board of P.E.O. at Immanuel Methodist Church in Edwardsville Oct. 29.

The Cotley College chairman, Mrs. David Maxton, gave a talk on the new president of the col-

Church Education Is Lesche Topic

A program on "Church Education," in keeping with the study topic for the year, "Education For Tomorrow," was given by Mrs. James R. Craddock at a meeting of the Lesche Literary Club Tuesday in the home of Mrs. George Holtzschner, 53 River drive.

The program and business session followed a dessert served by the hostess.

Mrs. Kipling Pellett presided, and 14 members responded to roll call with information concerning federated committees.

The revised by-laws were accepted, following a report by Mrs. Bernard Miller sr., and Mrs. Ann Miller, a former member, was reinstated.

The next meeting will be with Mrs. T. W. Kelo at her home on Cleveland Blvd.

Baptist Class Elects Officers

Officers for the 1965-66 season were elected Tuesday afternoon at the meeting of the Mary Martha Class of Grace Baptist Church at a meeting in the home of Mrs. Pearl Parker, 2413 State street.

The staff will include Mrs. Dulcia Schepers, president; Mrs. Vera Green, vice-president; Mrs. Lora Miller, secretary; Mrs. Parker, treasurer; and Mrs. Vivian Shanks and Mrs. Pauline Travis, group captains.

The meeting opened with the class hymn and prayer by Mrs. Miller. The members responded to roll call with Bible verses, and devotions were led by Mrs. Alma Dorway, teacher. Mrs. Lida Schroeder read a poem.

Refreshments were served by the hostess to seven members.

lege, Ted McCarrel, formerly executive dean of the Division of Student Service at the University of Iowa.

Mrs. Elmer Baker, president, conducted the meeting. The chapter will meet again Oct. 25 with Mrs. Maxton, 30 Oaklawn drive.

How to build a port for a storm

A little stockpile of U.S. Savings Bonds can turn into a mighty snug harbor in an emergency.

If an emergency never crops up (and we hope it doesn't), you're ahead considerably more than your Bonds cost you.

Bonds earn interest at a guaranteed rate. At maturity, you get back \$4 for every \$3 you invest. And your investment is backed by the United States of America.

And there's that quiet satisfaction that comes from knowing your Bonds are helping Uncle Sam build the cause of freedom throughout the world.

So get with the millions of Americans who have found Bonds a safe port in a storm. And a solid base for the future of their families.

Quick facts about Series E Savings Bonds

- ✓ You get back \$4 for every \$3 at maturity
- ✓ You can get your money when you need it
- ✓ Your Bonds are replaced free if lost, destroyed or stolen
- ✓ You can buy Bonds where you bank, or on the Payroll Savings Plan where you work

Buy E Bonds for growth—H Bonds for current income

Buy U.S. Savings Bonds

County Historical Society Meeting Sunday

The Madison County Historical Society will hold its annual fall meeting at 2:30 p.m. Sunday at the Lewis & Clark State Park. The public is invited according to the society's constitution. Mrs. Austin Lewis of Madison, first vice-president of the society, will be the guest speaker. The theme will be "Lewis and Clark, Past-Present-Future," and the event will be cosponsored by the Lewis and Clark Society of America and the Hartford Historical Society.

The history of Lewis and Clark, early explorers of the west, will be presented by Leslie Prehn of Bethalto, president of the county

society. He also will present other remarks. Recent developments of the Lewis and Clark commission will be reported by E. L. Sparks of Wood River and of the Lewis and Clark society. Mrs. Horace Ash of Alton, president of that society, will present greetings, and the event will be cosponsored by Mrs. Maudlin Timmerman of Alton, director of the county society, will give the response.

The county society will elect officers following a report by the nominating committee headed by Willard Flagg of Fort Russell township, second vice-president.

Starts Monday at YMCA

Registration Under Way For Pre-Kindergarten

Registration is continuing this week for a new pre-kindergarten center to open Monday at the YMCA.

There were six to eight registrations the first two days of the week, and David Walker of the "Y" youth department hopes to have 12 to 15 children enrolled by Monday. The size of the class will be limited to 25, and registration will continue as long as openings exist.

The center will operate on Mondays and Wednesdays and will be based on directed, creative activities in addition to more traditional concepts of pre-school programming, Walker said.

Classes, conducted by Mrs. William Hoelscher, will be held in the "Y" auditorium and later will be moved downstairs to youth department facilities. Equipment purchased at a cost of more than \$100 includes scaled-down chairs and tables

and other instructional aids. Additional equipment is planned.

Program guidelines were obtained from the Illinois Department of Children and Family Services, with whom the center will be licensed. The U. S. Department of Health, Education and Welfare; the Granite City school system and other sources.

A printed brochure is available at the "Y," outlining the entire program, and may be obtained by visiting or phoning the YMCA.

GC Press Elect

Three New Directors

Granite City Press selected three new directors last night at an executive meeting held in the board room of the Press-Record. The new directors are Herbert Siebert, Victor Weitholtz, and Robert Schofield. Also elected to office was Darrell Crews, who replaces Siebert as sergeant-at-

arms. Election of the new executives was required due to the resignation of Walter Rice and a recent increase in state membership. According to state by-laws, one director must be named for each 12 members.

Other GC Press directors are Raymond Lake, Dr. John Reel and Grady Krause. James Burton, president, conducted last night's meeting.

Hit-Run Damage

A car owned by Janie Kemp, 45, of 821 Franklin avenue, West Madison, was damaged by a hit-and-run driver at 10:25 p.m. Wednesday while it was parked in front of her home. The front bumper, the bumper panel and the front left of the car were damaged. The car was facing west when it was struck by a car that was seen to leave the scene,

Talks Planned On School Cooks' Contract Terms

Proposed pay increases and other contract changes regarding cafeteria workers were discussed by the Granite City school board Monday night in setting guidelines for Supt. Russell D. Johnson prior to negotiations. The agreement when reached will relate to the period beginning this fall.

Other employee groups have agreements which run through the current school term.

The six-hour board meeting, which was adjourned shortly before 1:30 a.m., also included a discussion of passes for teachers attending school athletic events.

The issue may be resolved by arranging for each faculty member to have an identification card that includes his photograph.

Season Passes Sought

Harry Lane, American Federation of Teachers Local 743 president, and Richard Huff, chairman of the local's salary and policy committee, were present to ask that all teachers receive complimentary season passes, or that all receive them who ask in writing. Supt. Johnson cited the possibility of such passes being loaned to others, particularly for crucial basketball games, with paying fans who regularly attend finding no seats left.

Huff reported a "double-standard" in that about 150 passes are issued under current procedures, with recipients including principals, all physical education teachers and all high school instructors.

Mrs. Ralph (Deloris) Barker, 2613 Grand avenue, was authorized to return from leave of absence as vocal music teacher at Central junior high school effective Oct. 18.

Mrs. Richard (Alice) Hodshire, 2216 Lynch avenue, resigned as Namehdi grade school office secretary effective Oct. 8.

3-1 Vote on Hiring

To replace Mrs. Hodshire, the board named Mrs. Georgia Fay Chilcutt, 2412 Edison avenue, by a 3-1 vote, with Dr. E. W. Walton, Daniel Linder and Robert Crider voting favorably on the recommendation and President Monroe Worthen opposed.

Board Members Royce Timmons and George Moore arrived later in the meeting. Ronald Dillard was in Minneapolis, Minn., along with Administrative Assistant Victor Anderson to attend the 1965 national meeting of school business officials.

Supt. Johnson stressed his belief that administrators should have a decisive voice in selecting their secretaries. Linder asked whether a seniority list is maintained on secretarial applicants, and said past comments by him on discretionary hiring being vested in the board had raised "the hue and cry of patronage."

Worthen said, "There can be patronage at other levels than the board; there can be at the administrative level." Crider cited the danger of "favoritism," and it was agreed to review hiring procedures at a future time.

Expenditure of about \$75 was authorized for joint board greeting cards to be prepared and distributed to school employees at Christmas.

Band to Perform Nationally

The Granite City high school band was authorized to accept an invitation to appear in a concert at the Music Educators National Conference to be held at

Tri-City Park

MRS. LEOLA TUCKER
1234 Edwardsville Road
TR 6-7227

Mr. and Mrs. Dennis Ragdale, 2337 Cayuga street, are the parents of a son born Sunday at St. Elizabeth Hospital. The name chosen is Dennis Paul, and he weighed seven pounds, 12 ounces.

He is the great-grandson of Mr. and Mrs. Charles Kelley, 1322 Edwardsville road.

Mrs. Ragdale will be remembered as the former Diana Hamilton, daughter of Mr. and Mrs. Charles Hamilton of Fifth street, Madison.

Mr. and Mrs. Virgil Wall, Mr. and Mrs. Arvil Smith, Mr. and Mrs. Venice Lowe and son, John,

Kansas City in March. Participation has been approved by the Illinois High School Association, and costs of the trip will be borne by the GCHS Band Parents Association.

Attendance by Art Supervisor Eugene Alassi at a conference of the Western Art Association in Houston, Tex., in April 1966 was approved.

The school district was thanked by the Illinois Association of School Boards for hosting a southwestern division meeting this fall, and Linder said a public relations panel discussion at the session showed that the Press-Record is providing unusually complete and informative school news to the public.

It was decided to reciprocate on a Cahokia school board invitation for the local board to attend any athletics event in Cahokia.

STEEL PILINGS protrude above ground at present for the new multi-million dollar hot strip mill being erected along Madison avenue from 16th street north at Granite City Steel Co. This view from inside the plant is looking north.

State Asks License Applicants to List Zip Code Numbers

Secretary of State Paul Powell today announced it was most important that applicants for motor vehicle license plates include the Zip Code number in the space provided for on the 1966 applications.

"Including the Zip Code will greatly reduce the number of steps usually required in the plates reaching the applicant under the old system and will certainly speed delivery on 1966 plates," Secretary Powell said.

As many as 3,500,000 license plates will be dispatched through the Springfield post office and Postmaster William E. McElroy of Springfield has urged all applicants to include this information on their 1966 applications.

Postmaster McElroy said in case the car owner did not know his Zip Code number he could obtain it from his letter carrier or by calling his local post office. Applicants are being urged to read the new fee schedule on the reverse side of the application blank before making out checks. Passenger car fees now are \$7 for cars having 25 horsepower or

less, \$11 for over 25 and not over 36 horsepower, \$17.50 for over 36 and not over 50 horsepower, and \$22.50 for 50 and more horsepower.

The fee increase was enacted by the 1965 General Assembly to cover the added manufacturing cost of reflectorized license plates to give greater safety on the highways.

Use of the reflectorized plates will begin with the 1966 series. Of the 50-cent increase, 21.9 cents is to cover the added manufacturing cost, and the remaining 18.1 cents goes into the road fund for general highway purposes.

Retired Navy Veteran Ill in Naval Hospital

George Wolf, 53, of Long Beach, Calif., formerly of Granite City, is seriously ill in the Long Beach Naval Hospital. He has cancer.

He is a retired Navy veteran of more than 20 years service. His mother, Mrs. Catherine Ryckman, resides at 2426 State street. He is the brother-in-law of Homer "Cal" Pendleton, city clerk.

City Laws Governing Pets Outlined by Animal Board

A continued request to pet owners to contain their animals was issued again last night at the Granite City Animal Shelter Board meeting.

Mrs. R. E. Chapman, president, reminded local citizens that it is determined by city ordinance that the owner is completely responsible for the welfare of animals in his custody. This includes the disposal of seriously injured or ill animals, as well as dead ones.

Persons who neglect, abuse or otherwise mistreat animals are also liable for their actions, she said. Albert Young, humane officer, reported that despite previous efforts, dogs are still following children to school and creating a nuisance on the playgrounds.

He reminded the board and pet owners that loose animals are subject to pick up and that a

fee will be required before the animal can be released from custody.

Ray Grieves, who will serve as relief man at the animal shelter, also was introduced to the board. Mrs. Jerome Juda, Miss Lucille MacLeod, Miss Nellie Stevens, Mrs. Charles Meyer, Mrs. Vasil Fittimoff and Mayor Donald Partney were present for the meeting in the conference room at the city hall.

Hearing Being Set On Speeding Charges
Hearings by Oct. 20 are being scheduled for six motorists arrested this week on charges of speeding by Granite City police. Arrested on Palmer avenue were Tommy Parker, 250 North street, and David Candler, 2688 Highway 67. Those arrested with police radar units on Pontoon road and on Madison avenue were James Cavar, 3815 Pontoon road; John Boswell, 2143 Washington avenue; Eugene Brown, 2709 Maryville road, and Daniel Hannah, 3236 Wayne avenue.

— TRY A CLASSIFIED AD —

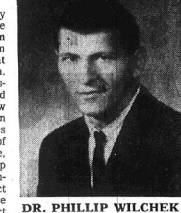

Education of Retarded Youth is UF Agency Objective

Training and education of mentally handicapped children is a constantly expanding program is the principal objective of the Granite City Association for Aid to Retarded Children, a United Fund agency whose entire operating budget is financed by one of the smaller UF allocations. Although it asks for, and receives, an annual allocation of only \$500, the association carries on an expansive program of activities through cooperation with Quad-City organizations such as the YMCA and the Granite City park district whose facilities lend to the development of such programs. The association's principal objective is to assist and to supplement special classes in city schools through outside programs, all financed with its United Fund allocation.

Mrs. Evelyn Gavin, president of the association, pointed out that day camps, Saturday programs, special events of various kinds are carried out during the year for children of school age, but that during the past year the association also has been working toward a more thorough program of aid to the young adult who is out of school or past school age. This year, Mrs. Gavin said, one of the aims of the association will be a program to obtain employment for the young adult. In addition, several new programs for young adults have been instituted, including bowling on Tuesdays and a YMCA swimming program on Saturdays that also includes physical exercises. A Saturday activities center also has been set up at St.

John United Church of Christ. Due to the recreational nature of many of the association's programs, Mrs. Gavin noted that much activity is conducted through cooperation with the Granite City park district and its facilities. Purchase New Bus In addition to classroom training, a summer camp program is held over a two-week period each summer, offering the youngsters art, music, handicraft, outdoor meals and games. Earlier this year, the association purchased a new 24-passenger school bus, trading in its old one, to provide transportation to and from the many events which it conducts. Because of the lack of teachers trained in the specialized field of instructing the mentally retarded, the association seeks to provide more teachers by offering a four-year scholarship to as-

ist in educating Granite City high school graduates in this line of teaching, with the stipulation that the trainee must teach in the Granite City school system at least two years after graduation. The Granite City school district, which last year provided facilities for 60 youngsters, now can handle about 85 students in six classes. Five of these classes of 15 youngsters each consists of those classified as educable, while the sixth class is made up of trainable youngsters. In contrast to these figures is the fact that it has been estimated there are 300 youngsters in the district who need training. Mrs. Gavin said she believes this figure may be a bit high, but that there still is a demand to be met in the Quad-City area. Prior to admission to school classes, the youngsters are classified by tests and examinations.

DR. PHILLIP WILCHEK

Dr. Wilchek Receives Chiropractic Degree

Dr. Phillip Alan Wilchek, son-in-law of Mr. and Mrs. William Durbin, Rural Route One, was graduated from the Palmer College of Chiropractic, Davenport, Iowa, the family announced this week. Attending the exercises, which were followed by a banquet and dance, were Mr. and Mrs. Durbin and Mr. and Mrs. John Wilchek, his parents, of Wood River. Dr. Wilchek is the grandson of the late Dr. Joseph E. Neff, Granite City chiropractor. He has yet to determine where he will establish a practice.

Discussion on Child Rearing Set Sunday

A program to discuss parental problems in child rearing will be held for parents in the St. Elizabeth Church hall Sunday, beginning at 2 p.m. A copy of the pamphlet "Guide For Parents of Teenagers," will be given to all who attend. Speakers for the program, which is sponsored by the Catholic Nurses Association in connection with their annual convention, will include Rev. Bernard Meyer, a Catholic Youth Organization director; Dr. John P. Marty, a leading Springfield obstetrician; and Mr. and Mrs. Leonard Naumovich, a Springfield couple with seven children.

Three Men Nabbed for Passing Bad \$20 Bills

Counterfeit \$20 bills which were passed here last week also were passed in East St. Louis and led to the arrest of three men there on Monday.

Charged with passing the bogus bills were Robert Kenna, 27, and Ben Freiner, 28, both of St. Louis, and Earl McKinney, 29, of East St. Louis. Warrants were signed by Secret Service agents and they are to appear before U. S. Commissioner Mrs. Elvira Feller on East St. Louis Oct. 20 for a preliminary hearing.

The bills, which bore the same serial number, L-47721725A, turned up at Carp's Department store, the Bloodworth real estate agency and the Neighborhood tavern here, in St. Louis and St. Louis county and elsewhere in the metropolitan area.

The men were arrested when an East St. Louis merchant refused to accept a \$20 bill from two men and called authorities.

Reappointed to State Development Group

E. G. Schmitt, assistant vice-president of Illinois Power Co., and C. E. Townsend, editor and publisher of the Press-Record, today were reappointed to the Economic Development Committee of the Illinois State Chamber of Commerce.

The committee was largely responsible for passage of legislation in the last session of the General Assembly creating a privately-financed Business Development Credit Corporation, and also in establishing an Illinois code department for Business and Economic Development.

The committee appointments were announced by Burnham P. Spann, president of the Illinois C. of C.

Fall from Chair Sends GC Man to Hospital

Admitted at St. Elizabeth Hospital for observation Tuesday was Joseph Kozela, 50, of 2221 State street, who sustained cuts on his forehead when he fell from a chair at home striking his head on a concrete floor.

Also admitted this week were Adam D. Davis, 32, of 2469 St. Clair avenue, who injured his right wrist and arm in a fall, and Mark Reynolds, 16, son of Mr. and Mrs. William Reynolds, 2829 Palmer avenue, who fractured his right leg.

Treated in the emergency room and released Tuesday was Ricky Nelson, 4, son of Mr. and Mrs. Walter Nelson, 1377 Third street, Madison, who had several surface lacerations in his scalp as a result of a fall.

MICKI, THE TRAINED CHIMP, performer in many shows, circuses and TV programs, and his trainer Merle A. Snyder will appear with the Downtown Retailers free circus in Granite City Oct. 18 to 23.

Starts Next Monday

Downtown G. C. Retailers Plan Free Circus

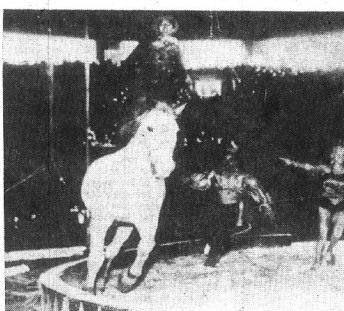

A free circus will be presented in downtown Granite City next week Oct. 18 through 23, during a special shoppers' promotion program sponsored by the Downtown Granite City Shopping Center Association. The performances, presented by the Greater American Circus, will be held twice daily beginning Monday at 4:30 and 9 p.m., with an added matinee performance at 10:30 a.m. on Saturday, Oct. 23.

The special "bonus" for shoppers will be presented on Edison avenue, between 18th and 19th streets. The street will be blocked off for the presentations. Discount tickets for carnival rides and concessions that will be in operation along with the circus are available at downtown retail stores.

The rides and concessions will include a fun house, tilt-a-wheel, ferris wheel, tubs-of-fun, merry-go-round, a frolics, octopus ride, kiddie jet, kiddie whip, and others.

Free Return Bus Rides
Also being offered for Downtown Granite City Circus Days are free bus tickets for a return ride home. Tickets given by bus drivers for the ride downtown will be stamped at any store for the return home ride.

Many famous acts that have performed in the past with Ringling Brothers and in other circus rings will be on the daily programs. Among these will be the Kristensen Troupe from Denmark, performing on four white horses in an outstanding equestrian act. The act also has made many television appearances.

OUTSTANDING EQUESTRIAN act to be presented by the Kristensen Troupe, former performers with Ringling Brothers Circus, will be on the free circus program presented Oct. 18 to 23 in downtown Granite City as a "bonus" for shoppers.

A thrilling aerial act by the "Platos," who are Svend and Lillie Kristensen, also is on the his trainer Merle A. Snyder, also program. They were with a will appear with the circus, with Danish circus when discovered Micki performing his gymnastics by a scout for Ringling Brothers and impersonations which will and brought to this country. They delight young and old alike, perform 50 feet in the air without a safety net. Micki has appeared throughout the country with various shows, circuses, TV and radio. Mr. Snyder also will serve as ring master for all of the free acts.

City Hall Open House Proves Successful

Monthly open house at the city hall is proving successful and beneficial not only to the citizens of Granite City but also city officials, it was pointed out by Mayor Partney following Monday night's session attended by about 20 persons.

"There are still many people who believe they can't talk directly and in person to the mayor or of Granite City, and that's why we're having these open houses on the second Monday of each month," Mayor Partney commented.

"I've been averaging 10 to 15 telephone calls daily at my home and office, and it's difficult to straighten out many matters over the phone. That's why I decided on the open house, and now the phone calls have dropped to two or three a day."

2nd Monday Each Month

The sessions are held on the second Monday of each month at 8 p.m. since that is a free night for the city council, which meets on the first, third and fourth Monday of each month.

The procedure is for persons appearing for the open house on the third floor of the city hall to register with the mayor's secretary and then wait their turn to confer with Mayor Partney. The mayor then refers the individual to the proper department head or city official.

Other officials in attendance Monday night were City Inspector Jack Fricker and Lawrence Druke, City Building Inspector, Orville Dettour and Aldermen Nonn, Rutledge, Whitmer, Poulos and Fry.

Mr. Snyder also will serve as ring master for all of the free acts.

Another feature will be the performance of Bob Cavanaugh, Hollywood stuntman and rodeo trick rider and his famous horse "Dottie," who is 24 years old and can perform more than 600 tricks.

Other performers will be Miguelito, the clown, and The Dam Brothers, unicyclists. Special features will be a baby elephant, and Dolly, the smallest horse in the world.

Types of Requests

Granite Cityans requested a curb on speeders in the vicinity of 14th street and there were requests for tree trimming, driveway culverts along Michigan avenue as well as curbs and gut 20 persons.

"There are still many people who believe they can't talk directly and in person to the mayor or of Granite City, and that's why we're having these open houses on the second Monday of each month," Mayor Partney commented.

"I've been averaging 10 to 15 telephone calls daily at my home and office, and it's difficult to straighten out many matters over the phone. That's why I decided on the open house, and now the phone calls have dropped to two or three a day."

ters and sidewalk repairs in the Yourees Colonial subdivision west of Wilson Park.

A school bus driver complained that she had to go on a "round-about route because left turns were prohibited upon leaving the Coolidge junior high school driveway at Nameoki road. She was advised that the only way to maintain movement of traffic was to prohibit such left turns.

City officials were advised that huge dump trucks used in construction were operating across 20th street and 21st street at Granite City Steel Co. without state license plates and also that switch trains were operating at the 20th street and the Edwards-way road crossing near the steel plant without air hoses being coupled.

Mayor Partney reported this is a customary practice for switching.

A complaint was registered that motorists were parking along 20th street at the entrance to Granite City Steel Co. and blocking traffic along the section of 20th street where parking is prohibited.

The mayor said complaints voiced Monday night are being referred to the proper city department head for action where necessary.

Boys Face Burglary Charges in Venice

Two boys, 16 and 17 years old, were charged with burglary by Venice police Monday afternoon after the boys admitted breaking into Hiava's Small Engine Shop and Stone's Cafe on Oct. 7. One of the youths, Ernie L. Cobb, 17, of 1503 Third street, Madison, posted cash bail of \$300 and was released pending a hearing. Leonard Adams, 16, of 43 Garesche Homes, Madison, remained in the Venice jail Tuesday.

According to police the boys are charged with breaking into Hiava's shop where they damaged an adding machine and ransacked the office, and with breaking a window out at Stone's Cafe where police reported they took three books of stamps and old car keys. The boys were arrested the same day the burglaries occurred, but were released at that time pending further investigation. They were re-arrested Monday.

Auto Door Struck

The left door of a car just parked by Gary F. Ward, 21 Moorland drive, Mitchell, at 2046 State street, was struck by another driven by Satank Bogdan, 2184 State street, as Ward opened it at 1 p.m. Monday.

Teen-Age GOP Club Plans Fund Raising

A meeting of the Teen-Age Republican Club was held Monday evening in the home of Mrs. Verne Wortman, club sponsor. Ricky McAllister led the pledge to the flag which opened the meeting and Kendall Darner, president, was in charge. The club is selling holiday napkins as a fund-raising project with Danny Monken as chairman. Eight members answered roll call and there was one guest present, Stephen Holt. David Koenig will be the official representative of the club at the school lunch division of Supp. and plans were made for a Nov. 8 meeting in the Wortman home. The topic discussed at Monday's meeting was "How State Legislation This Year Will Effect Election Procedures Next Year." The hostess served a cake topped with candles in honor of the birthday of the president, and plans were made for a Nov. 8 meeting in the Wortman home. SOUTHERN ILLINOIS DEMOLAY Jurisdiction officer's installation here this week. The front row (left to right) shows Roger Mathews, Granite City, southern Illinois scribe; Herbert McMeen, Carbondale, southern Illinois junior counselor; Stanley Meister, Alton, senior counselor of the jurisdiction; and David Cook, Granite City southern Illinois master counselor. In the second row are Eric Trimble, Moline, state junior counselor; Harry Sterling, Belleville, state master counselor; and Don Prosser, Carbondale, holding traveling attendance trophy.

David Cook Installed by Southern Ill. DeMolays

David Cook, master counselor of the Granite City chapter, Or the Granite City chapter. He also der of DeMolay, was installed as master counselor of the jurisdiction. DeMolay and Masonic Order at the Masonic Temple Sunday afternoon, when the Granite City chapter was host to over 100 DeMolays and advisors from 13 chapters in attendance from southern Illinois. Chapters in attendance were Ascalon chapter, Collinsville; Alton; A. R. Carman chapter, Carbondale; Edwardsville; Granite City; Jerseyville; A. D. Mann; Vernon; Quincy; Tancard chapter, Belleville; Sparta; Wood River; and White Hall. Also installed by Howard Loughey, ritual advisor of the Southern Illinois Jurisdiction, were Roger Mathews, senior counselor of the Granite City chapter, as scribe for the Southern Jurisdiction, Stanley Meister of Alton as senior counselor for the Southern Jurisdiction and Herbert McMeen of Carbondale as junior counselor for the jurisdiction. Longuey was assisted in the installation by State Master Counselor Harry Sterling of Belleville and State Junior Counselor Eric Trimble of Moline. Sterling is attending the University of Illinois and Trimble, Cornell College in Iowa. After a welcome by Cook as master counselor of the Granite City chapter, Rev. Harold Maze of the First Baptist Church of Granite City delivered an inspirational message on the theme of "Attitude and Responsibilities," using Jesus' parable of "The Prodigal Son" for Scriptural basis. Col. Schweizer Speaks. Guest speaker for the afternoon was Col. Charles Schweizer, commanding officer of the Granite City Army Depot, Senior DeMolay, Past Junior Warrier of the French National Grand Lodge and Grand Inspector of the National Grand Lodge of France. Col. Schweizer paid a moving tribute to "Uncle Jimmy" Pvt. Boswell Finishes Army Radio Relay Course. Pvt. James O. Boswell, son of Mr. and Mrs. Oliver M. Boswell, 2143 Washington avenue, has completed a 12-week radio relay and carrier operation course at the Army Southeastern Signal school, Fort Gordon, Ga. He was trained to operate and maintain field radio relay carriers and various communications equipment. The 21-year-old soldier entered the Army in April and completed basic training at Fort Leonard Wood, Mo. He is a 1962 graduate of Granite City high school.

David Cook Installed by Southern Ill. DeMolays

GRACE MCCANCE

GC Girl to Attend State Youth Council

Grace McCance, daughter of Mr. and Mrs. Keith Bennington, 3144 Wayne avenue, is one of two representatives of the Christian Church (Disciples of Christ) who will attend the Illinois Christian Youth Council Friday to Tuesday at East Bay camp, Lake Bloomington. The other is Robert McClure of the Eureka, Ill., Christian Church. The Granite City high school senior will join representatives of other denominations in the semi-annual meeting sponsored by the Illinois Council of Churches. The theme is "What in the World are We Waiting For?" The purpose of the council is to provide youth an opportunity for fellowship across denominational lines, to develop Christian leaders and to consider how youths might participate more meaningful in ecumenical concerns.

Deadline Tomorrow For SIU-SW Queens

Petitions for Southern Illinois University-Southwestern Homecoming queen candidates will be accepted until tomorrow, the special events committee of the university center board announced. Candidates must be full-time juniors or seniors with a minimum grade average of 3.0. The election will be next Thursday and the coronation will be Oct. 23 in the grand ballroom of St. Louis Union Station. Queen candidates will be formally introduced Tuesday on the main campus and Wednesday at the Alton and East St. Louis centers.

Miss Barylske Teaching At University in India

Miss Patricia Barylske of Granite City, who has a Fulbright scholarship to study and teach as a graduate assistant in India, has been assigned to Lucknow University, Lucknow, India. She is teaching English, and her classes include boys from the ages of 16 to 20. Before going to Lucknow, Miss Barylske spent one month in Srinagar, Kashmir, attending classes to learn the Hindi language and the Indian way of life.

She also spent a week in Delhi attending lectures on the political parties of India.

Miss Barylske has toured many places in northern India, visiting temples and gardens and an atomic energy plant. She also has been in areas where people live in mud huts, and she saw starving babies.

During a two-week Durga festival...

day, Miss Barylske visited Calcutta and the Bay of Bengal. While in Calcutta she attended a ceremony at the temple of the goddess Kali on the sacred Ganges River. To celebrate the holidays, a huge statue of the goddess is emerged in the river. Miss Barylske has met many Americans in India, including Fulbrights, Peace Corps workers, Ford Foundation employees and Americans from the war area of Pakistan who were brought to Lucknow.

She is the daughter of Mr. and Mrs. Ted Barylske, 3601 Pershing avenue.

2 GC Students Named To ISU Student Senate

Two Granite City students were among 22 to be elected to the Student Senate at Illinois State University, Normal, to serve during the 1965-66 school year.

They are George Haven, son of Mr. and Mrs. Edward Haven, 2445 East 24th street, representing Wilkins hall, and Mary Leve, daughter of Mr. and Mrs. Albert Leve, 1239 Briarwood lane, representing Colby hall.

Haven is a senior majoring in mathematics, and Miss Leve is a sophomore in the special education-speech correction area.

Enrolls in Arkansas
Robert Millikin, son of Joseph W. Millikin, 2907 Iowa street, has enrolled at Arkansas College, Batesville, Ark., for the fall semester. He is a senior.

MHS Groups Elect Officers; Candy Sale Being Planned

By MARY TROBAUGH

The Madison high chorus, under supervision of Mrs. Valerie Stevens, went to Carbondale on Saturday for the choral clinic.

The National Honor Society officers were elected. They are: president, Cathy Scott; vice-president, Robert Robbins; secretary, Peggy Jackson; and treasurer, Georgiann Vasiloff.

Future Nurses Club officers are Helen Mooshegan, president; Jackie Morris, vice-president; Gloria Kubelka, secretary; and Marie Kostecik, treasurer.

The Junior Red Cross has just completed its first project. Under the direction of Miss Ellen Folmer, the sponsor, they made 30 ditty bags for the local chapter of the Red Cross.

Trojan Editors
The Trojan staff has been selected. The elected editor-in-chief is Cathy Scott; co-editor, Mary Trobaugh. They are now working on the first edition.

The Library Club is preparing to sell candy. The officers are: president, Georgiann Vasiloff; vice-president, Linda Campbell; secretary, Carol Pogorelec; and treasurer, Carolyn Hill.

The talent show committee has been selected under supervision of Edwin Barton, faculty sponsor. The new members are Robert Robbins, Lynn Clay, Oletha Buckles and Sharon Obravovich. Those selected last year will still be on the committee. They are Linda Rash, Sue Mance and Mary Trobaugh.

Yearbook Staff
The yearbook staff has been organized. The editors are Jo Ann Sabol, Helen Mooshegan, Marilyn Lapinski, Tom Williams and Georgiann Vasiloff. The business manager is Cathy Scott.

Career Day at SIU To Be Held Tuesday

About 5000 Southern Illinois University's Carbondale students are expected to visit displays and talk with representatives of more than 30 industrial, governmental and educational organizations at Carbondale Tuesday.

Scheduled from 9 a.m. to 5 p.m. in the University Center, the fifth annual Career Day will offer information on employment opportunities for both men and women in all academic areas, according to Wes Sandness, assistant director of the SIU placement service.

The event, sponsored by the university with the assistance of members of Alpha Kappa Psi, professional business fraternity, is an expansion of the Chicago-Land Career Day held in October for the past four years, Sandness said.

"Interest has been so high, both among prospective employers and students, that we have had to broaden the scope of the program," he said.

In addition to the Chicago area, firms from South Bend and Indianapolis, Ind.; Hazelwood and St. Louis, Detroit, Mich.; and Springfield will be representatives. This will be the first time the Career Day has been conducted as an all-university event, with personnel from the Southern Illinois campus here participating.

Jose L. Amoros and Maria L. Canut, internationally-known researchers on the school technology faculty at Southern Illinois University, received the 1964 Science Prize of Francisco Franco, top Spanish science award.

SIU Enrollment Up, 24,502 Students

Southern Illinois University's fall term enrollment totals 24,502. Registrar Robert McGrath reported today. It is an all-time high and an increase of 4,031, or 19.7%, over the 1964 fall quarter.

Greatest increase was in the freshman class, McGrath said. There are 9669 first year students enrolled, 30% more than the 7065 listed last fall. Graduate school enrollment also zoomed, he said, the 3280 registered being 20% higher than the 2745 registered last year.

Enrollment figures do not include extension or adult education classes, McGrath said. The Carbondale campus and nearby Vocational-Technical Institute have 17,556 students, an increase of 3569 over last year's 13,847.

The southwestern campus, including the Alton and East St. Louis centers, has an enrollment of 7146, up 502 from last year's 6624.

Southern Illinois University has trained more than 300 Peace Corps workers.

Six Weeks Period Ending in Venice; Tests Being Given

By JUDY REIDELBERGER

The first six weeks period ends tomorrow for Venice high school students. Teachers have been giving tests this past week in all of their classes.

Yearbook sales ended last week. The total number of yearbooks sold for the 1966 edition is 123. The publications class also is winding up its advertising campaign.

Jack Gilmore, American government teacher, and five of his students, Barbara Munk, Jeanne McGlone, Warren Taylor, Terry Cooper and Judy Reidelberger, visited the new Southern Illinois University-Southwestern Campus Monday to attend the lecture given by Theodore Sorenson, personal aide to former President Kennedy.

Southern Illinois University has trained more than 300 Peace Corps workers.

Gloria Caban Enrolled In Engineering at U. I.

Gloria Lucille Caban, 1409 Rhodes street, is among 33 co-eds enrolled this fall in the University of Illinois college of engineering. She is majoring in civil engineering.

It is the largest number of women the college has ever had, according to Prof. Stanley H. Pierce, associate dean. Last year there were 26 engineering coeds.

SIU Journal Adopted By Midwest Association

Southern Illinois University-Southwestern Campus new literary journal, PELL (Papers on English Language and Literature), will become the official publication of the Midwest Modern Language Association next year.

The announcement was made jointly Wednesday by SIU-SW's Prof. Nicholas Joost, editor of PELL, and Gwin J. Kolb, president of MMLA.

While the journal's copyright will be retained by SIU's board of trustees, the name will be changed next year to Papers on Language and Literature. The publication policy of the journal will be expanded to include all modern languages and literatures, and contributions may be submitted in foreign languages as well as in English.

Introduced only last March, the journal's subscription list includes universities in the Netherlands, Nigeria, Costa Rica, Canada, the Philippines, and Spain. Journal articles range from a study of the uses of time in Faulkner's "The Sound and the Fury" to the cycle of American humor, and from the early reception of Samuel Richardson's work in the Netherlands to the military career of F. Scott Fitzgerald.

Joost, who is a member of SIU-SW's Humanities Division, said PELL was selected as an official organ of MMLA because it was a young publication with its policies still in the development stage. The action by the Association adds prestige not only to the journal, he said, but to SIU and its faculties at both the Carbondale and Southwestern campuses.

Press-Record Youth Focus

SIU to Survey Entire Student Body on Wishes

Southern Illinois University's entire student body at Carbondale will be surveyed by questionnaire in the near future to give every student a chance to express his feelings on his place in the university.

Claude Coleman, chairman of a student-faculty commission on student participation in university affairs and the role of the university in society, said the

questionnaire will be an invitation to every student to voice his opinions honestly and freely. Coleman, a professor in the SIU English department, said he believes students' answers will give the commission a clearer picture of actual student interests and potential areas of student discontent.

A central purpose of the commission is to study and make recommendations for improvement of communications between all parts of the university, and especially between faculty, administration and student.

In appointing members to the commission earlier this year, SIU President Delyte W. Morris charged them with the responsibility of "exploring the ways and means of promoting the welfare of all students."

"It cannot be said too often that this University and all universities should exist solely for the welfare of students," Morris said in a letter to commission members.

"In a rapidly growing University where communication at all levels becomes more difficult, we must seek to discover more effective ways of talking to and understanding each other."

Commission members include students and faculty members from both the Carbondale and Southwestern campuses.

Southern Illinois University's Morris Library exchanges materials with other libraries as far away as Tokyo, Hamburg, Germany, and Pretoria, South Africa.

Judy Kerch Named U. I. Star Course Manager

Judy Kerch, 2910 State street, has been named a freshman manager of the University of Illinois Star Course, a student activity group which arranges campus appearances of outstanding performers.

Sixty-seven freshmen managers were named. They assist Star Course managers in publicity, tickets, public relations, advertising, concert arrangements and secretarial work.

Feature artists will include the Paganini Choir, Moscow Philharmonic, pianist Van Cliburn, Mantovani and his orchestra, pianist Peter Nero and the Swingle Singers, flamenco guitarist Carlos Montoya and the Indianapolis Symphony.

Sons of 17 Alumni Attending Westminster

Sons of 17 alumni of Westminster College, Fulton, Mo., are enrolled in the same college this year, which is in its 115th year as a small liberal arts college.

Included is Gerald Karandjoff, son of Mr. and Mrs. Harold Karandjoff, 65 Oaklawn drive. The father, president of the American National Bank, also attended the college.

Enrolled at Lindenwood

Linda Freemling, daughter of Mr. and Mrs. Albert Freemling, 61 Oaklawn drive, is among 330 freshmen enrolled at Lindenwood College, St. Charles, Mo. She is a Granite City high school graduate.

GAMMA SIGMA SIGMA officers and retirees, including two from Granite City, at the Southern Illinois University-Southwestern Campus. Offer Christmas Leave To New Navy Recruits

Arvel Bauer, Navy recruiter, announced today that young men and women who report for recruit training at any of the naval training centers not later than Nov. 10 will be eligible for Christmas leave.

Those completing four weeks of scheduled training may be granted 14 days Christmas leave. Other information is available at the Navy recruiting station in the East St. Louis post office building.

Coed Pledges Sorority

Barbara Pyle, daughter of Dr. and Mrs. Ronald Pyle, 8 Terrace lane, has been pledged to the Delta Zeta sorority at DePauw University, Greencastle, Ind. She is a freshman.

Advisors Listed

400 Youths Begin Work At Jr. Achiever Center

About 400 Quad-City area teenagers launched the 1965-66 Junior Achiever year this week at the Granite City center, 3307 Washburn avenue.

The JA companies will manufacture and sell items ranging from monogrammed matches to auto battery jumper cables, magazine racks, window cleaner, Christmas decorative items and other useful household items.

Industries sponsoring the program this year include General Steel Industries, Dow Chemical Co., Madison division, American Steel Foundries, First Granite City National Bank, A. O. Smith Corp. and Granite City Steel Co.

From American Steel are Larry Randolph, Jack Absalom, Donald Rousseau, Mrs. Linda McCoy and Melvin Brown. From Dow Chemical, Dick Buenger, Owen Kirkendall, Robert Oberlo, Orville Sauerwein, George Galyick, and Martin Thompson.

From the First Granite City National Bank, Charles Gavin, Edward Pierce, Leonard Law, Ruth Hoffman, Walter Gavlick, Joan Edwards, Nita Cline, Barbara Burr, Frances Bishop, Margaret Brown, M. Lorraine Freeman, Carolyn Lamm, Cheryl Rice, Mary Walton and Marie West.

Manager of the center is Eugene Rekowski, employed by Union Electric Co.

Miss Miller to Serve At Army Exhibit

Miss Donna Miller, 1540 Sixth street, Madison, will serve as a hostess during the two-day Cultural and Civic Fair to be held from 1 to 9 p.m. Saturday and Sunday under the sponsorship of radio station Kfuo at Concordia Seminary, St. Louis.

Miss Miller will hostess the U. S. Army Mobility Equipment Center's exhibit at the fair. She is employed at the center as a procurement clerk. She will be at the fair as Miss U. S. Army from 2 to 4 p.m. each day.

LeGrand, Winter Named To Illini Grid Band

James LeGrand, 1616 Wilson avenue, and William Winter, 29 Miami court, have been named members of the University of Illinois football band.

The 175-member band, known nationwide as the Marching Illini, plays for each U. of I. home football game plus one road game each fall. This year the band, directed by Prof. Everett Kisinger, performed at the U. of I.-Michigan State game at East Lansing.

Pvt. Gan to Attend Code Interpreter School

Pvt. Gary L. Gan, who resided with his parents at 2821 Warren avenue before joining the Army, was home on two weeks leave recently after completing basic training at Fort Leonard Wood, Mo.

A 1965 graduate of Granite City high school, he is on his way to the Army Security Agency school, Fort Devens, Mass., where he will undergo training as a Morse code interpreter, which he started before he enlisted in July at the local recruiting station.

Columbus Voyage Made In Reverse by Seaman

Seaman Lloyd R. Allen, son of Mr. and Mrs. Lloyd Allen, 2821 Forest avenue, is presently deployed to Rota, Spain, with U. S. Naval Mobile Construction Battalion (Seabees) Seven. The unit made Columbus' voyage in reverse.

The unit was first deployed to San Salvador in 1958, the first area where Christopher Columbus recruited his crews for his second and third voyages.

'Y' Swim Team Announces '65 Meet Schedule

The 1965 team schedule for the YMCA "Swamp Angels" swimming team was announced today by Dan Smith, youth director at the "Y".

The season opens for the swimmers with a dual meet with Alton for the boys and girls teams at Granite City Nov. 20. The squad will then travel to Jacksonville on Dec. 11 for a meet before opposing Alton in Christmas relays tentatively set for Dec. 18.

The team will have other meets with Quincy, Decatur, Champaign and Bloomington YMCAs.

Plans also were announced for the Swamp Angels to compete in two District IV combined diving meets. No AAU meets are listed on the schedule as yet.

Venice Nine Smooth, No 'Miracle Team'

"After the Jennings, Mo., game we felt we would have a good chance at the M-C-M conference title in fall baseball," said Bill Ohlendorf, head baseball coach at Venice high school, recalls in reviewing the championship 1965 season.

Venice downed Jennings, which has double the enrollment (500) of Venice (250), by a score of 7-5 in a non-conference game.

Reminiscing about the season and his "Fantastic 14," the coach said the term represents the 14 ballplayers used for Venice during the eight-game season.

"We had a total of 33 boys out for our fall baseball team. We had some surprises from the boys, but thank goodness, they were all good surprises."

The surprises he referred to were the outstanding performance of Eddie Harper, who batted .434, and the fine pitching turned in by Percy Dillon (4-0).

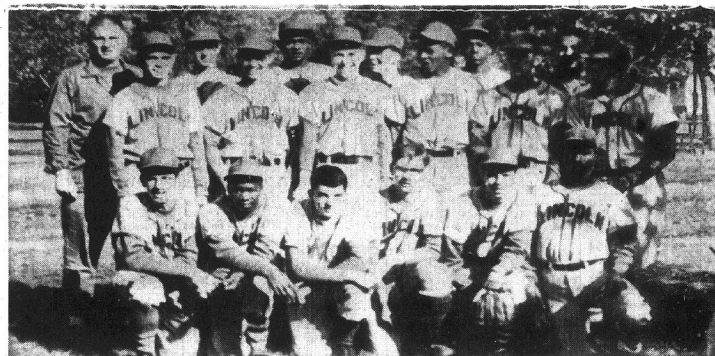

"Harper was a transfer student and when he came out for ball, we really didn't know what he could do. Then he showed us that he's a better than average shortstop, and a keen hitter," Ohlendorf said.

Co-Champions Last Year

"Of course I have to be honest. We only lost one player from last year's co-champion team, and we did expect some good results this year."

Last year, Venice played at Livingston and was beaten in extra innings to share the baseball title in the Madison, Clinton and Macoupin counties league.

An interesting note about the 1965 Venice baseball team was that only once during the season did Ohlendorf have batting practice.

1965 VENICE BASEBALL CHAMPIONS

SEASON SUMMARY

The Red Devils of Venice high school started off their season with a 7-5 non-conference win over Jennings, Mo., and then jumped into the M-C-M conference race with a game against St. Paul. Venice had no trouble in winning that game by a score of 6-1.

Eddie Harper had a good day at the plate, batting three for four, including a leadoff home run in the sixth inning. Rich Essington collected two hits, including a double. Dillon was the winning pitcher, but was relieved in the sixth when St. Paul had runners on first and second.

Bunker Hill Falls

The following day, Venice played at Bunker Hill and again held the opposition to only one run. The Red Devils won that game as it downed all seven league opponents.

Livingston the following week. "Rain forced coach Ohlendorf's nine to do a little practice inside the gymnasium, but Venice out-niggered Livingston, 10-8. The big blow came in the fifth inning after the first two batters struck out, Dillon singled and Harper was safe on an error. Puente and Cooper collected back-to-back singles and drove in Harper and Dillon.

Lee Gonterman singled and drove in Puente and Cooper, and he scored when Charles Smith was safe on an error.

Aviston Next

The Red Devils next hosted Aviston and scalped the opposition, 12-2.

Venice jumped Aviston pitchers for six runs in the first inning, another run in the fourth and six more in the fifth.

With the bases loaded in the first inning, pitcher Johnny Gardner singled in all three base runners. In the bottom of the sixth, Essington tripled home two runs. Wesclin was the next victim to fall to the powerful bats of the Venice team, but the Red Devils had to overcome a 9-3 score to do it.

Going into the top half of the seventh, Venice trailed 9-7. Puente and Harper had doubles with the bases loaded and three RBI's each. The game ended with Venice downing previously unbeaten Wesclin, 12-9.

Speedy Base Stealer

Terry Cooper, speed-demon for the Red Devils, stole five bases against the Breese squad and gave Venice a 4-2 win, a 6-0 record and at least a share of the league crown.

The final game of the season saw Venice travel to Worden and bring home a win and the MCM conference title. The squad downed Worden, 4-0.

Cooper, who had held the 50-yard dash record for the conference, upped his season total of bases stolen to 13, with two more against Worden.

Harper and Puente again held the big sticks for Venice. Each had extra base hits and runs batted in. The win gave pitcher Gardner a perfect 2-0 season record.

Dillon was the leading pitcher for Venice on the season with a 4-0 mark. Essington also had a 2-0 mark.

In the eight-game season, Venice chalked up 61 runs to its opponents 28.

NOW! A WHOLE NEW SERIES OF ULTRA-LUXURIOUS CHEVROLETS

'66 CAPRICE

BY CHEVROLET

Caprice Custom Coupe—with exclusive formal roof line that comes on no other Chevrolet.

Caprice Custom Sedan—with superb new body by Fisher elegance inside and out.

Caprice Custom Wagon—with fine new look of hard-wood paneling on sides and tailgate.

A new choice of superbly crafted Chevrolets above and beyond anything else in the line. If this is your year to move up, you just can't move up to much more car than this.

Everything it takes to create a distinguished luxury car has gone into these new Caprices.

Beneath the formal styling elegance that sets the Custom Coupe apart, for instance, you'll find the richness of thick wall-to-wall carpeting, comfort-contoured seats and the look of hand-rubbed walnut on the instrument panel, glove compartment and inside door panels.

They're custom cars in every sense. In the Custom Coupe, you can order a finely instrumented console, together with new Strato-bucket front seats. In the Custom Sedan, a new Strato-back front seat is available with bucket-type contours separated by a fold-down

armrest. And in the equally opulent Custom Wagons, offered in 2- or 3-seat models, you can even order carpeting for the cargo area.

Each model, with its own specially tailored suspension refinements, rides super Jet-smooth. And for incomparably smooth power, you can specify Chevrolet's advanced Turbo-Jet V8 in either a 336- or 427-cubic-inch version. Some 200 custom features are also available, including front-seat headrests, AM-FM stereo and a Tilt-telescope steering wheel.

The price of it all? Somewhat more, naturally, than you're used to paying for a Chevrolet. But less—surprisingly less, as your dealer will happily confirm—than the select class of fine cars these new Caprices invite comparison with in every detail.

See the new '66 Chevrolet, Chevelle, Chevy II, Corvair & Corvette at your Chevrolet dealer's

Town of Golconda Grew At Point of Convenience

JOHN W. ALLEN
Southern Illinois University

On a recent visit to Golconda in Pope county, an accompanying friend asked, "How were places selected for the location of the towns?" Here is part of the answer.

A number of southern Illinois towns were deliberately planned by promoters and laid out in the woodland. Some of those at wisely chosen sites survived and grew. Others, not so wisely selected, "died a bornin'." Other towns by no plan at all simply grew up at points of temporary convenience. Those that continued to be points of convenience survived and grew. Others that ceased to remain usefully located passed to join a long, long list of vanishing towns. The town being visited was one of the typical point of convenience kind, one that retained its usefulness.

About the mid-1790's, Major James Lusk, titled for his part in the Battle of Cowpens, left the Waxhaw Settlement in the Carolinas to lead a group of settlers toward the Illinois country.

In 1793 he had settled on the Kentucky shore of the Ohio opposite the mouth of Pope county's Lusk Creek. Other immigrants wanting to settle in Illinois came. Lusk built a flat-bottomed boat and began ferrying these people their livestock, and belongings to

the Illinois shore. Lusk's Ferry had begun.

Golconda Begins

In 1797 Kentucky granted him a license to operate the ferry, already in use, and to keep a tavern and house of entertainment to accommodate travelers. These were on the Kentucky shore. A few log cabins appeared on the Illinois side; Golconda had begun.

Perhaps Golconda should have taken time out for a sesquicentennial in 1947. It may be residents are waiting until 1997 to celebrate a bi-centennial.

In 1798 Lusk abandoned his first tavern in Kentucky to build a new one in Illinois, made principally from timbers of abandoned keelboats and flatboats. He also laid out roads leading toward the Mississippi and into back-river Illinois. Lusk's Ferry, one of the first to operate regularly on the Illinois section of the Ohio, became a more important one.

Widow Operates Ferry

Lusk continued to operate his ferry and to open roadways to the north and west until his death in 1803. His wife, Sarah, continued to operate the ferry and on May 7, 1804, was granted a license authorizing her to do so by William Henry Harrison, governor of Indiana Territory. As far as has been found, this is the only ferry license issued to a woman in Illinois.

Mrs. Lusk continued operation of the ferry until 1808 when she married Thomas Ferguson, who took over its operation. No plat or plan of the town had been made; it had "just grown up." In 1807 it had three small stores, one tavern, two groceries and about twenty dwellings. It would seem timely that the town be planned. This was not done, however, until 1816 when a village was laid out and given the name of Sarahlville for Ferguson's wife. Before that time it had answered

Cubs of Den Five Tour Army Depot

Eleven Cub Scouts of Den Five, Pack 13, sponsored by St. Elizabeth's Catholic Church, recently toured the Granite City Army Depot, visiting the security headquarters and the Black Widow spider farm.

The Cubs, accompanied by Den Mother Anita Robertson, also saw the LARC operation and went on a bus trip through the depot before being taken to a troop mess hall for refreshments.

to the names of Fiddler's Green or Ferguson's Ferry.

This first platting in some way for a new plat was made in 1817, both being laid out from a corner, still there, on the southeast corner of the courthouse square. This second plat is the one in use today.

Name Change Mix-up

In 1817, for some reason, it was decided that the town should have a new name. In the minutes of the meeting of the County Court held on June 24, 1817 an entry says, "Ordered that the town at the seat of justice of Pope county be called Corinth in the room of Sarahlville at the request of the proprietors." The judges must have erred somehow, as shown by a second entry of even date that says, "Ordered that the town now called Sarahlville, the present seat of justice of Pope county, hereafter be called Golconda at the request of the proprietors." No explanation is offered for this second change. The selection of Golconda was for the fabled gem city in India. The record of proceedings is somewhat muddled. Perhaps Golconda really is Corinth.

The first name of the post office, Ferguson's Ferry, was changed to Golconda in 1825. The first courthouse, a two-story log one, was built in 1816 and was replaced by a second one in 1832. The present one of brick was built in 1871.

"Golconda has seen the rise and decline of river traffic. It was a stopping place for flatboats and keelboats. The first steamboat to ply the Ohio stopped there in the winter of 1811; on the same day that the Rev. James McGready, a Presbyterian minister arrived in town. For more than a century steamboats stopped regularly.

The river showboat came, had its day of glory, and passed. Many thousands of emigrants crossed by its ferry, plodding their way to a beckoning West. The Cherokee Indians, on their trek from their homes in Georgia to the Indian Territory, crossed there. The legend of Sarah Lusk clusters about this point.

"Stories of buried treasures abound. Practically the entire roster of pioneer crafts and industries came, prospered for a while, and passed from existence. Its sons have gone forth to write their names prominently on the pages of history. Golconda has many a story to tell to a willing listener."

State Capitol NEWS

Far East Trade Mission

Gov. Otto Kerner has announced that 60 representatives of industrial, agricultural and commercial business interests will accompany him on the Illinois Trade Mission to the Far East.

The 24-day mission, patterned after the highly successful European Trade Mission led by Gov. Kerner two years ago, is designed to establish effective sales contacts for Illinois industries and products in the developing markets of the Far East.

Participants include manufacturers of construction and refrigeration equipment, printing, packaging, duplicating and mining machinery, optical lenses, tools, pharmaceuticals and medical and laboratory equipment as well as producers of dairy products, food supplements, soybeans, dry milk and other industrial and agricultural goods.

The mission will leave Chicago on Monday, Nov. 1, and return Wednesday, Nov. 24. Participants, who represent all sections of the state, will visit Japan, Taiwan, the Philippines, Thailand, Australia and Hong Kong. Specific business contacts will be made in the cities of Tokyo, Kyoto, Osaka, Taipei, Manila, Bangkok, Hong Kong and Sydney.

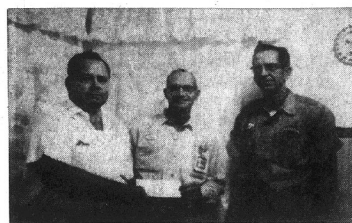

Squirrel Season to End

Squirrel season in the Southern Conservation Zone will end at sunset, Friday, Oct. 15, the Illinois Department of Conservation has announced. The Southern Conservation Zone will end at sunset, Sunday, Oct. 31.

Soil, Water Fund Allotments

The Illinois Department of Agriculture has announced the allocation of state funds for soil and water conservation. R. M. Schneider, director, said the 88 opened to deer hunting on a restricted basis. The hunts will request a total of \$158,160 during the 1965-66 fiscal year on a renewable basis.

Allotments were made to the 1965 state shotgun deer hunting

QUAD - CITY GASOLINE DEALERS award, a check for \$50 worth of food, is presented to Earl Frazier (left), 1605 Sycamore street, by Richard Sparks, association treasurer, this week as part of a promotion campaign. At right is Charles Updike, dealer who serviced Frazier's auto.

districts by the department's Division of Soil and Water Conservation. Each district submitted a budget with substantiating evidence of need, evaluated and computed to arrive at the annual allotment.

Soil and water conservation districts may be reimbursed for clerical and non-technical assistance, office supplies and general operating expense, education and promotional materials and for district directors' travel expense in attending meetings sponsored by the Illinois Department of Agriculture, Director Schneider said.

State funds for soil and water conservation districts are the result of Gov. Otto Kerner's administration policy for conserving and improving Illinois' renewable natural resources.

Deer Hunt in January

Three weekends of a special shotgun deer hunt have been scheduled for January on parts of the Crab Orchard National Wildlife Refuge, William T. Lodge, director of the Illinois Department of Conservation, and Arch Merhoff, project manager of the refuge, have announced.

The Bureau of Sport Fisheries and Wildlife said that 16,000 acres of federal lands on the refuge near Cartersville will be opened to deer hunting on a restricted basis. The hunts will take place the weekends of Jan. 1-3, Jan. 7-9 and Jan. 14-17.

Any hunter who has a valid Illinois state shotgun deer hunting

Safety Precaution Saves Eyesight

A firm belief in wearing safety glasses while working probably saved the eyesight of Charles Kohl, 46, of 2340 Gary avenue, who recently was burned about the eyes, forehead and ears when an oil furnace he was repairing exploded in his face.

An East St. Louis eye specialist told Kohl earlier this week that no scarring of eye tissue was notable and his vision should shortly return to normal without impairment. His physician credited Kohl's escape from permanent eye damage to the protection of the safety glasses. The frames of his glasses were broken and one lens was blown out. Owner of the C & P Heating and Air-Conditioning Co., Kohl had just begun to work on an oil furnace at the Charles Connor home, 2740 Harding blvd., when an initial explosion blinded him. He believes a second explosion followed, but is not sure as he was in a dazed condition. Cause of the explosion has not been determined. Although Kohl said he observed some smoke immediately before it occurred. No fire or other damage resulted from the incident. Kohl expects to be back on the job next week, his wife reports.

Signal Light Charge

Ralph H. Young, East St. Louis, was charged with disobeying a traffic signal light at 16th street and Madison avenue at 6:20 a.m. Tuesday. He was summoned for a hearing by Oct. 22.

Miss Donna Marie Hill and
Sp4 Eckert Mueller are Wed

Miss Donna Marie Hill, foster daughter of Mr. and Mrs. Ernest B. Eli, 1533 Rodgers avenue, became the bride of Sp4 Eckert D. Mueller, a son of Mr. and Mrs. Eckert Mueller, Highway 67, Madison, last night at St. John United Church of Christ on Nameoki road.

The pastor, Rev. Paul Surbey, officiated at the 7 o'clock ceremony before the altar decorated with bouquets of white flowers.

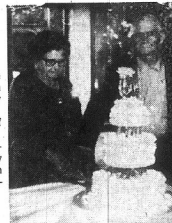

A semi-fitted street length dress of white cotton and silk textured brocade with a mandarin neckline and long sleeves was worn by the bride. Her hat was a large American Beauty satin rose-trimmed with matching jeweled ostrich tips and she carried white roses and American Beauty rose buds on a white satin Bible. She was given in marriage by her foster grandfather, Charles C. Clark, due to the hospitalization of Mr. Eli.

Attendants were Miss Stephanie Lay of Wood River and David Mueller, a brother of the bridegroom. Ernest Clark Eli and Gerald Mueller, a cousin of the bridegroom served as ushers. Miss Lay was in a street length sheath dress of iridescent blue and green brocade. She held a colonial bouquet in autumn shades.

A reception was held in the church basement after the ceremony. Shelly and Stacy Eli, twins and foster sisters of the bride, presided over the guest books.

After a brief honeymoon in the Ozarks the newly-wedded pair will live at Fort Leonard Wood, Mo., where the bridegroom is stationed after a year's service in Thailand.

The bride attended the Wood River elementary schools and was graduated from the Granite City high school. She has been employed by First Granite City National Bank.

GOLDEN WEDDING celebrants, Mr. and Mrs. J. G. Hollaway of Bernie, Mo., who celebrated their 50th anniversary with members of their family from this city and other relatives.

ATTEND GOLDEN WEDDING CELEBRATION

A number of local people, members of the family, attended a celebration at the Owens Illinois picnic grounds this week in Godfrey in honor of Mr. and Mrs. J. G. Hollaway of Bernie, Mo., who were celebrating their 50th wedding anniversary.

Among them were Mr. and Mrs. Odell Hollaway and children, Mr. and Mrs. Leon Hollaway and family, Mr. and Mrs. W. L. Hoffstot and children, Mr. and Mrs. Douglas Garrett and family, Mr. and Mrs. Billy McCluskey and children, Mr. and Mrs. Tom Allen and family, Thomas Garrett and Mr. and Mrs. Thomas Hollaway, children and grandchildren of the couple. Other relatives were present from Delaplaine, Ark., Pocahontas, Ark., Biggers, Ark., New Franklin, Mo., Bernie, Mo., and Indianapolis, Ind.

Fall Festival of Choirs To be held on Oct. 30th

The music department of First Assembly of God Church, 24th street and Grand avenue, will sponsor a fall choir festival Saturday evening, Oct. 30, at 7:30 o'clock.

Participating will be seven choirs from various denominations of this and surrounding areas, including Nameoki Methodist, Calvary Baptist, both of Granite City, Edwards street assembly of God, Alton; Trinity Assembly of God, St. Louis; Belleville Assembly of God, and the Sanctuary Choir and Teen Choral of the host church.

Special guest for the evening will be Jess Peterson, professor of music at Evangel College, Springfield, Mo., who will have

with him a small orchestral ensemble to be featured throughout the evening.

Each choir will be featured individually and all will combine to sing "Make Me A Blessing" by James Boersma and the "The Hallelujah Chorus" from Handel's Messiah. Both numbers are to be directed by Prof. Peterson, accompanied by the orchestral ensemble of Evangel College.

Mrs. J. Boyd Wolverton is director of music at First Assembly of God. All choir directors, musicians and music lovers are invited to attend.

Madison Man Retires At GC Army Depot

John E. Lee, 1121 Logan street, Madison, has retired after completing more than 17 years in federal service at the Granite City Army Depot, it was announced today.

Lee went to work at the depot in August 1943, as a laborer. He retired as a crane groundsman leader in Labor and Equipment Division of the Directorate for Supply and Transportation.

A farewell party in his honor was given by fellow employees.

Boy, 14, Held In Venice Burglary

A 14-year-old boy was in custody of Venice police Tuesday after he was picked up as a suspect in a burglary at Sharkey's Truck Stop, Broadway and Market street, Venice.

Police said the boy was seen in the vicinity of the place near the time the burglary was believed to have occurred. Upon questioning the boy admitted taking 110 packages of cigarettes from a cigarette machine and \$10.30 in change from the cigarette machine and soda machine. All of the money and cigarettes were recovered.

Because of his age the boy's name was withheld. His case will be referred to juvenile authorities.

One Hubcap Stolen
Henry James, 11 Kaseberg Park, reported Monday that one hubcap was stolen off his 1965 auto parked on the Granite City Steel Co. lot at 20th and Nash streets.

Census Bureau to Ask— 'Do Children Like School?'

The hopes that parents have for the education of their children, and the educational plans young people have for themselves will be explored in the Census Bureau's October Current Population Survey.

Director Theodore Olson of the Census Bureau regional office at Chicago said these questions will be added to the usual ones asked annually in October about school enrollment. Sample households will be interviewed locally and in 388 other selected areas of the country during the week beginning Oct. 18.

The question on educational plans will apply to school children through high school age. The school attendance questions will cover enrollment at each level of school, including nursery school, for persons 3 to 34 years old, as well as other facts about them, including the number of young people who dropped out before finishing high school.

Inquiries made in the October 1964 Current Population Survey revealed that about 51.7 million persons 5 to 34 years old were enrolled in school or college at that time, an increase of 5.4 million, or 11.7%, over the October 1960 enrollment. In these four years, kindergarten enrollment increased 18%, elementary school, just under 5%; high

Farm Column

By Truman M. May
Madison County Farm Adviser

Stalk Rot Prevalent in Corn Crop

There is a great amount of stalk rot in Madison county corn fields this year. Reports indicate about 70% of the corn fields in the state are showing signs of the disease. Much of the corn in the county is broken over and will be difficult to harvest.

M. C. Shurtlett, University of Illinois extension plant pathologist, says the disease this year resulted largely from three weeks of very dry summer weather followed by a wet August. A delay in harvesting can result in more downed corn and reduced corn yields. Fields in which stalks are lodging should be harvested before the next heavy wind or rainstorm if possible.

Shurtlett said there are two simple tests farmers can perform on corn to see if it is affected by

the disease. One is known as the finger test. If the stalk breaks easily when pushed with one finger placed about two-thirds up the stalk, then it is badly diseased. The other test consists of squeezing the lower internodes of the cornstalk. If they are easily crushed, then stalk rot is present.

Soils which contain a large amount of organic matter and available nitrogen are likely to have a high incidence of stalk rot, especially if the potassium content is low. A high-fertility program that includes a high proportion of nitrogen may increase stalk rot, particularly after the program has been in operation for several years.

Stalk rots and stalk lodging increase with thicker planting rates. Corn hybrids vary considerably in their resistance to stalk rot and stalk lodging.

Hybrids that utilize the full growing season usually have less stalk rot than those that mature early for almost all farm fields—carelessness and misuse of appliances.

Fire safety can only be accomplished with the cooperation of everyone on your farm . . . you, your family and your employees. Make everyone more fire-safety-minded and lessen the danger of fire on your farm. Be realistic—don't statistic. Remove the hazards and improve protection.

Crop rotation, good cultural practices, moderate rates of planting and avoidance of excessive high fertility programs can be expected to help reduce stalk rot damage.

Modernization Increases

Farm Fire Losses
Fires destroy millions of dollars worth of farm property every year. In 1962 it was over \$175 million.

Farm mechanization has tended to increase the ever-present, year-round danger of fire. Most of today's farms include the hazards of machine and paint shops, fuel storage tanks and various electrical appliances. Add to these the hazards of wooden buildings, stored grain, feed, hay and straw plus the distance from helpful neighbors and a fire department in most rural areas, and the vital necessity of making your farm as fire-safe as possible is quickly realized.

Two basic causes are responsible for almost all farm fires—carelessness and misuse of appliances.

Fire safety can only be accomplished with the cooperation of everyone on your farm . . . you, your family and your employees.

Make everyone more fire-safety-minded and lessen the danger of fire on your farm. Be realistic—don't statistic. Remove the hazards and improve protection.

Many big fires can be prevented if the proper equipment is readily available to extinguish small fires and if every one on the farm knows how to use that equipment. The first few minutes of a fire are the most vital. Don't delay your call for help. Your local fire department is ready and anxious to respond to every fire.

Keep the fire department telephone number with your fire code information posted near the telephone.

Even a small grass fire can cause considerable damage to farm buildings unless fire fighting and fire security preparations are made in advance and are readily available.

Dangers of Equipment Moved Over Highways

Bumper crops of soybeans and corn mean that there will be plenty of slow-moving farm machinery on the road this fall. The rules of the road apply to farm tractors and implements as well as to cars and trucks. Statistics show that, mile for mile, it is much safer to operate an automobile than a tractor on public roads.

Proper lighting is a must if you plan to take farm machinery on the road at dusk. Traffic is usually heavy during the evening, and that is the hardest time for motorists to see. A slow-moving vehicle emblem attached to back of your tractor or combine will help motorists identify you dur-

ing periods of poor light. There are certain precautions motorists should follow when approaching slow-moving farm machinery. The big red and orange triangular emblem on the back of farm machinery always means that the vehicle is slow moving. Start decelerating as soon as you see the machinery because it is usually traveling much slower than you think.

Soybeans grown by Richard Givlin in the Civic Memorial Airport land in Wood River township show how fertilizer can make a difference in the crop. A few rows not fertilized were only about half as tall as the fertilized rows. Soybeans respond especially well to applications of potash on land with a potash deficiency.

Tests with Butonone selective weed killers to control cocklebur in red clover on the farm of Henry Schellenberg in New Douglas township gave some promising results. A sprayed strip eliminated the cocklebur without injuring the clover, the untreated area having many cockleburs.

Mulching with straw to prevent erosion and protect new grass seedlings is a recommended practice, as done by Clinton Southard of Moro township around his new pond. The pond was built in cooperation with the Soil Conservation Service.

Typical of the many new ponds constructed to control erosion, provide and furnish recreation areas is an attractive pond built by August Cooper of Moro township.

A concrete flume on the farm of Harrison B. Stubbs in Ft. Russell township provides an outlet for water from diversion waterways from both sides, to help prevent soil erosion and gully cutting.

The annual county 4-H Club Crop Show will be held at the Farm Bureau building, Edwardsville, the evening of Oct. 20, at 7:30 p.m., with an interesting program. All 4-H club members, relatives and friends are invited.

Tree Order Forms
Price lists and application blanks are available now for ordering state nursery trees to plant next spring.

Order forms can be obtained at the farm adviser's office. Listed on this year's price list and order blanks are about the same as in other years.

Illinois has two forest tree nurseries. Landowners may order from either the Mason Nursery at Jonesboro. The minimum order is 300 trees of any one species.

Customers may pick up orders at the nursery or have them shipped express collect. Buyers may order shipment by United Parcel Service at the rate of \$1.50 per 500 trees, but only 1000 trees may be shipped to one customer.

Forestry are not to be used for ornamental or landscape purposes and cannot be resold with roots attached.

State nursery stock is to be planted on rural land and used for timber crop production, soil erosion control, field shelterbelts and wildlife cover.

Tree-planting machines capable of planting 4000 trees on four acres in one afternoon are available for hire or rent.

Horticulture Adviser
Carroll C. Doll, former superintendent of the Iowa State University horticultural research farm at Council Bluffs, Iowa, is the new area adviser in horticulture for southwestern Illinois. His office is in the Farm Bureau building, Edwardsville.

Doll was born near Pocahontas, in Bond county, and was graduated from the high school there in 1945. After a year's service in the U. S. Navy, he attended the University of Illinois where he was graduated with a B.S. degree in agriculture in 1949.

He then attended Kansas State University where he was graduated in 1951 with a M.S. degree in horticultural science with a

Granite City PRESS-RECORD
Thurs., Oct. 14, 1965 Page 45

major in pomology and minor in botany. Since then he has been employed at the Council Bluffs Experiment Station. He will work here as a member of the Extension Service, University of Illinois.

Doll's work in his new position will be to help fruit and vegetable growers in the southwestern Illinois area with their production, management and marketing problem.

Auxiliary Police Provide A Needed Disaster Reserve Unit

Auxiliary police provide an important reserve unit for use in traffic and crowd control, first-aid, civil defense and other functions which occasionally can exceed the scope of departments on regular duty.

The men and women who this week began extensive recruit training in Granite City merit commendation for being willing to devote their time and interest to the instruction and subsequent service in the auxiliary.

Disaster can occur anywhere at any time, but almost always can be held to smaller loss and injury if there is an emergency staff prepared to perform needed tasks.

DeMolay Advisor Set Unique Example

Installation of a Granite City youth this week as top officer of the entire southern Illinois DeMolay jurisdiction calls attention to the quality and quantity of effort put forth by the late James Stuart as chapter advisor.

Local DeMolay activities have gained state and national prominence and many hundreds of high school boys have been aided in character and citizenship in countless real and intangible ways. Even when merely driving members to out-of-town meetings, Mr. Stuart included side trips and information that encouraged students to seek higher education and to appreciate Illinois historical lore.

Active with the chapter long before his own sons were born, and still active after he was a grandfather, Mr. Stuart not only provided experienced counsel but supplied funds from his own pocket for many youngsters during the depression years.

Such careers are significant not only for the specific good they accomplish but as a high example to others of effective, devoted service—a beacon to guide those who follow in his footsteps.

Metric System A Weighty Issue

President Jefferson asked Congress to consider adoption of the metric system as long ago as 1790, but consensus support was lacking. Now days are predictions that the U. S. will finally abandon its disdecadent system, based on multiples of 12, within the next few years.

Great Britain having decided to switch its weight and measures to multiples of 10, this nation soon may be one of the few holdouts. Ninety per cent of the world already uses the metric system. Not only does this complicate our progress into the computer age—"thinking machines" reduce problems to ones and zeros—but being out of step with the rest of mankind can cost billions of dollars yearly in foreign trade.

But when the big day of the changeover arrives, we are going to have to unlearn a lot of helpful information—"A pint's a pound the world around," for example. And it's going to be hard to mentally convert driving 100 kilometers an hour to 62 miles an hour, or vice versa. Football players will be forced to concentrate on meters, rather than yardage.

Worst adjustment of all may be getting used to reading about beauty contest winners with (centimeter) measurements of 93, 62, 89.

National Newspaper Week observance included a salute to newspaper men and their service as deliverers of news. Among the millions of Americans whose first jobs were as carrier boys are numerous national and world leaders of the past and present—and future.

Newspapers are the schoolmasters of the people. That endless book, the newspaper, is our national glory—Henry Ward Beecher.

Where Will It End?

Where is it all going to end?

To the long list of misdeeds reported by both sides in the 14½ week strike at Union Starch & Refining Co. may now be added the death of a Granite City supervisor, father of four. While he was killed by accidental discharge of his own revolver, he rarely carried the gun prior to the incidents of strike violence against other plant supervisors and their families.

How many more casualties—will there be before the cool heads in management and union take control and work out an acceptable compromise of their differences?

The box score of violence and threats during the extended strike is a throwback to a half century or more ago; it is shameful and a blot on this entire community.

Against the company and its supervisory personnel have been reported two bombing attacks; two fire bombings; shotgun, rifle and brick attacks on nine employees' homes; two autos overturned; hundreds of plant windows broken; destruction of the interior of the gate house; damage to parked autos; plant thrown into flames; incidents of threats and intimidation at the plant and on streets, and interference with vehicles and train movements.

Against the strikers have been reported rock attacks; beatings; threats of bodily harm and intimidation; telephone threats to bomb their headquarters and harm the union president. Both sides have obtained court injunctions against the other, and 12 union members have been fined, along with the union or violating court orders.

Can this really be happening in 1965? Where is it all going to end?

The answer—the right answer—rests with the union and company leadership. And the whole community is watching.

Increased Need For Spiritual Values

The workshop held last week at St. Peter's United Church of Christ (Evangelical and Reformed) set a national precedent by combining the Council of Churches and the United Church Women in a pilot cooperative project centered on "Laity in Mission."

The overall goal of helping churches achieve greater impact on the modern day world is in harmony with the growing realization that spiritual values must be accorded high priority if mankind is to enjoy freedom and abundance.

Similar thoughts were expressed by Pope Paul in his historic visit this month to the United Nations and New York City, where he stressed that peace must be pursued with urgency and discipline.

Dr. SIMS says...
SAFEGUARD YOUR HEALTH
A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

INFLUENZA MAY HIT HARD THIS WINTER

The only good thing that may be said about flu is that it tends to come in regular cycles, giving us an opportunity to prepare for it. In years past, it has been estimated that it is coming again this winter.

While influenza is usually self-limiting, it's not to be taken lightly. During the last epidemic of Type A virus—the fastest spreading form which tends to flare every two or three years—official deaths totaled 55,000 from January to April 1963.

Since Type A didn't make a major appearance last winter, chances are we'll get "hit" this winter. What's more, Type B, the second major form, might also strike.

How can you guard against flu?

Get Flu Shots Now
A major change was made in flu vaccine in 1963, and it's better protection than ever before. Considered 80% effective, it now offers protection against the latest trouble-causing Type A virus as well as Type B.

However, this double duty protection requires two shots, two months apart, and should be started now to afford maximum protection for January. Those who took this safeguard within the past two years only require a single "booster" this fall.

Expectant mothers, those over 45, people with chronic heart, lung and kidney ailments, and those who live in close quarters (nursing homes and dormitories) are especially urged to get their flu shots.

Since there are no antibiotics or "miracle drugs" to combat this virus once you get it, flu can infect the lining membrane of the bronchial tubes and then go on to inflame the air cells of the lungs.

These complications can make even young, healthy

Q. Please discuss penny stocks.

A. I will, if we can proceed on one premise: "penny stocks"—that is, those selling from a few cents up to \$10 a share—usually have great value; but don't destroy them until you've made certain.

I'll admit there has been, and likely always will be a high degree of romance attached to penny stocks.

Many people are naturally attracted by the idea of getting a lot (in quantity, if not quality) for their money. And they are intrigued by the prospects of phenomenal growth—the good old get-rich-quick or something-for-nothing lure.

Just enough penny stocks—which are most common in the highly speculative oil and gas producing industries—turn into good investments to act as a magnet for those stock buyers who are really serious about making money by far the greater number of such stocks end up worth less than the paper they're printed upon.

Many reputable brokerage firms refuse to accept orders to purchase penny stocks. Others, if they do consent to handle such transactions, demand a letter from the customer stating that the stock is being bought at his insistence.

Remember this: You must realize that you're speculating, not investing, when you start buying them. If you don't mind losing your money, you may as well hit on a really good penny stock and cleaning up is about as good as buying a ticket in a lottery.

Q. My father died recently. Going through his papers, I found a check for \$100 made payable to a Chicago suburb. I never heard him mention them, and want to know if they have any value.

A. The best way to find out is to take the bonds to a reliable

inspection was made of the East St. Louis library, which uses the Dewey Decimal classification system and now used by the city library. The local library is patterned after the East St. Louis library, the only difference being the amount of books and number of attendants.

The Thursday Afternoon Bridge Club met with Mrs. Leslie Barco of Cleveland Blvd. Mrs. Visser was first prize and Miss Rosa Gaylord, second. The next meeting, will be with Mrs. Locke, 2218 Edison avenue.

Mr. and Mrs. Elbert Smith of Trenton spent the weekend with Mr. and Mrs. Leonard Allen of Benton street.

The Bay View Club was entertained in the home of Mrs. J. W. Cassidy, 1234 N. Dearborn avenue.

Mrs. C. G. Goebel, 2135 State street, entertained members of the EMB Club of the Central Christian Church and a few friends at a masque party. Santa Claus and his wife, Merry Xmas, were there, as were a bride and groom, grandma, the spectre, the ragpicker, the Pantomime, and the working man and many others.

Among the guests were Mesdames Eugenia Anderson, W. Anderson, R. Bailey, Southwick, Garner, Underwood, L. Epps, R. Gobler, R. Brown, L. Caffel, A. Jacob, Mayfield, B. Brady, W. Barnes, Bramley, Calvert, Tomer, Close and Sager.

Mrs. H. L. Cross entertained at lunch Mrs. W. H. Scherr, T. B. Cassidy, H. E. Scribner and J. H. Holman.

25 YEARS AGO

The following items were taken from the files of the Granite City Press-Record.

Oct. 14, 1940
An estimated 5500 men between the ages of 21 and 35 were expected to register under the Selective Training and Service Act in Granite City, Venice and Madison townships Wednesday, Oct. 16.

It was originally intended to conduct the registration in the Collins school building, but this was prohibited in many instances by the conscription act. Large staffs are necessary to handle the registration. Parents of pupils in Central school are expected to go there tomorrow and hear a lecture by Dr. Samuel J. Hays, member of the Illinois Health Department, on the care of teeth.

Before a crowd of 400 fans the Venice high school six-man football team won its first game since taking up the new sport, defeating Highland 12-6 on the Venice field.

Granite City dentists will complete their annual free examination of 2400 grade school children at the Central building tomorrow. All other elementary schools have undergone the examinations during the past week. Parents of pupils in Central school are expected to go there tomorrow and hear a lecture by Dr. Samuel J. Hays, member of the Illinois Health Department, on the care of teeth.

Mrs. Ray Voss, president of the Ninth District, Veterans of Foreign Wars Auxiliary, returned today from Decatur, where she spent the week-end with the 1245 and 99, White in Decatur. Mrs. Voss was entertained by Mrs. Laura Lamb, department treasurer.

The annual Salvation Army campaign for funds will get underway with a kickoff dinner Oct. 28. It was learned today from Paul A. Grigby, member of the board, that the goal this year is \$1650, about the same as a year ago. Arthur Nichols is serving as chairman of the general solicitation and G. W. Fretschler is the industrial chairman. Al Michel is chairman of the Salvation Army board of directors.

Mr. and Mrs. Arnold Storey, 1633 Fourth street, Madison, had a very good time at the party. Fred Ackerman of Gurnee. The two couples were dinner guests Friday in the home of Mr. and Mrs. J. H. McQuay and family, 3818 Namekay road.

Eighty-eight workers and their leaders will meet at a "kick-off" dinner at the YMCA this evening to open the annual "Y" drive for funds. This year's goal is the same as last year—\$8000 in cash and pledges and 800 new and renewed memberships.

Arthur Roseman, directing the campaign this year, Wensel Brown is vice-chairman and M. D. Crony is chairman of the special gifts committee.

Enters Innocent Plea

Waldo Dalton, 51, of 2817 Palmer avenue, was arrested at 3:30 p.m. Sunday on a charge of battery on the person. He was signed by J. A. Stanton. He pleaded not guilty Monday and was released on bond pending a hearing.

Self-discipline is the main factor in building character.

NATIONAL NEWSPAPER WEEK salute this week is being accorded the 100-year-old Illinois Press Association, which for a century has sought to foster a high standard of newspaper ethics and has encouraged its members to serve the best interests of the people of their communities.

It also has assumed responsibilities in defending press freedoms, realizing that only as long as newsmen are successful in learning and reporting public information under the framework of the Constitution will other rights, privileges and freedoms of the people be preserved.

Long before the spark of freedom was ignited at Concord and Lexington, the unique role of the press in maintaining and protecting the freedoms Americans now enjoy was effectively demonstrated.

The first licensed newspaper appeared in 1704, but was heavily censured. A turning point in the fight for a free press in America came thirty years later with the trial of John Peter Zenger, publisher of the New York Weekly Journal, who was jailed for calling the colonial government dishonest and oppressive. He was freed by a jury when he proved reasonable grounds to be true and therefore not libelous.

But by 'bit, the right of the press to report and comment on public affairs was established and this principle was embodied in the First Amendment of the Constitution.

Today, newspapers remain constantly on the alert to protect the public's right to know—in police stations, court rooms, legislative bodies, city halls and executive mansions. They also inform the community on civic, social, fraternal and spiritual activities and strive for community betterment.

Major continuing theme of National Newspaper Week is "Big Difference in People's Lives." The belief is that it makes a big difference to people what the government is doing, whether taxes are going up or down, whether fire and police protection and other services are adequate; newspapers bring them the truth.

It makes a big difference whether employment is up or down, what business, organizations and communities are doing, whether families are getting along, whether they are happy, whether they are poor or rich, whether they are healthy or sick, whether they are educated or ignorant.

The conclusion is that "newspapers make a big difference in people's lives" because they serve everyone in many special ways.

President's View Of The Press

TO THE NEWSPAPERS OF THE UNITED STATES:
It is with both pride and pleasure that I participate in this national tribute to our nation's newspapers.

Too often taken for granted, America's countless daily and weekly papers have long been guardians of her time-honored traditions and eloquent spokesmen for the cherished ideals of her freedom-loving people. Taken together, our nation's newspapers constitute the world's most responsible and influential organ of current information.

It is up to us to safeguard the freedom of our papers to inquire, to criticize, to express divergent views and to stand as sentinels for the public wherever the public's business is being transacted. Newspapers and their readers are partners in freedom, and if we fail to defend the freedom of our press, we neglect our own.

I am confident that Americans everywhere wholeheartedly join me during National Newspaper Week in high recognition of the indispensable role of our free press in the everyday life of our beloved nation.

LYNDON B. JOHNSON
President of the United States

The Why Of Editorial Pages

By Miles H. Wolff, Executive Editor, Greensboro (N.C.) Daily News, and President, American Society of Newspaper Editors.

Why have editorial pages? As simple as the question sounds, I have had a great deal of difficulty answering it.

The first reason is that we have editorial pages because people know what the newspaper itself thinks about current affairs. Back in the good old days when the news pages were full of editorial expression and news was written to present the newspaper's policies, there really wasn't a very good reason for letting the public know from editorials how it stood on the issues. The reader could find out from the news columns.

Today, when every respectable newspaper carefully edits its news pages for good reason for letting the public know from editorials how it stood on the issues. The reader could find out from the news columns.

But just to let the reader know how the newspaper stands isn't enough. It is the duty of the newspaper to instruct the reader and to help him make up his mind.

If the editor can convince the reader along the lines of what the editor conceives as right and just, that is fine. On the other hand, if the editor chooses to read to reason for himself, to come to a conclusion of his own, to discover the path he should take, that is better—even if the reader does not agree with the editor. In a democratic society, the reader ought to decide for himself what is best, and the editor can help him in this decision.

Cognitive Suggestions
Again, in a democracy, a newspaper through the news pages as well as the editorial page can act as the conscience of the community when evil forces threaten. The news pages can call attention to the danger; the editorial page can suggest action that should be taken.

This is most important, because there always are those who would take advantage of situations for their own profit. The newspaper must be on guard and be held in its comment and its criticism.

The editorial page can also prevent apathy from eating away at the democratic institutions. I heard recently of a midwest town where there was a vital need for improved schools. A public meeting was held and attended by a slim crowd of 44

Four Job Openings At GC Army Depot

Four job openings at the Granite City Army Depot were announced today by the Board of U. S. Civil Service Examiners. Applications will be accepted at the depot.

Qualified persons may apply for the positions as a welder starting salary \$315 per hour; machinist, \$326 per hour; refrigeration and air conditioning mechanic, \$323 per hour; and engineer equipment mechanic (fuel and electrical systems), starting wage \$326. The affairs related to the positions will be handled by the depot.

Information and application forms may be obtained from the executive secretary, Board of U. S. Civil Service Examiners, Granite City Army Depot or at local post offices.

Rotarians Entertained At Annual Barbecue

Granite City Rotarians celebrated Columbus Day and their annual meeting with a regular annual barbecue at the Beryl Moody residence and farm on bypass 40. The affair related the regular noon meeting and members were required to attend to gain credit for a meeting.

The program began at 3:30 p.m., and included horseshoe and a picnic. A special "chuck wagon feed" was served at 6:30 p.m.

Kitchens Need

Kitchens don't need to be built expensively to be efficient and enjoyable. But they do need to have adequate work and storage space. Check to see if you have the following dimensions of counter space needed throughout the kitchen:

Refrigerator center—18 inches on latch side of the refrigerator for setting out supplies.
Mix center—36 inches on right for stacking dirty dishes, 30 inches on left for draining and stacking clean dishes. If sink bowl is centered, 36 inches on each side is desirable. If a front-opening dishwasher is at left of sink bowl, the counter width of the dishwasher may be adequate for stacking clean dishes.

Range center—24 inches adjacent to burners for preparing food before cooking and for storing utensils and supplies. A heat-proof counter is desirable.

Serve center—24 inches for setting out serving equipment and supplies and serving food in dishes.
Space may be saved when one counter serves two appliances, but storage space beneath the counter must also be considered. In general, adequate counter space means adequate storage space. Eight to 14 feet of wall cabinet and 11 to 13 feet of base cabinet are desirable. Special provision may be necessary for small electrical appliances and "company" dinnerware.

The design of cabinets may be more important than size. Adjustable shelves, door storage, pull-out or turn-around shelves and partitioned drawers may help eliminate waste space.

Include Apples in Your Menu
Fresh apples in peak supply during the fall season are among the most versatile fruits.

Although many varieties can be used fresh and for all-around cookery, some are better suited than others for certain purposes. Delicious apples, a common available variety, are the most popular for eating out of hand. Excellent in salads and with cheese, they are not generally used for cooking. In fact, they are the only variety that is not desirable for cooking.

Macintosh, Jonathan, Winesap, Graines Golden and Cortland are all good raw as well as cooked. Rome Beauty and Greening are good for general cooking. Since they hold their shape well when cooked, they are excellent for baking whole.

When shopping for apples, choose firm, crisp fruit, well colored for the variety. Keep apples in the refrigerator or other cool place to retain crispness and flavor.

While the apple season has been lengthened by improved storage methods, the fruit tends to become mealy and lose acidity and flavor during long storage periods.
Food is a Bargain
Food is still a bargain this year. Nutrition, variety, abundance, tastiness and plain time-saving convenience have never been so great; cost has never been so low. Mrs. American Housewife today spends less than

Thousands to be Asked to Sign Nameoki Road Petitions

Tentative plans to start circulating petitions this weekend to seek support for efforts to expedite widening and improvement of Nameoki road were announced today by James Burton, president of the Granite City Jaycees. Many thousands of signatures

will be sought to back up actions by Mayor Donald Partney and the Granite City council members in seeking prompt allocation of state funds for the Nameoki road project, Burton said. Plans call for the petitions to be distributed at various times in

the downtown business district, shopping centers, at high school football games and to motorists at the intersection of Nameoki and Johnson roads. Boyd Pressley, Jaycee vice-president, will coordinate the campaign.

"It is up to the people of Granite City to make a mass protest to our state government," the Jaycee president said, "to show we are not content to take a back seat on this or any other issue. If we are indifferent to this unfair situation, this community will continue to remain in the back seat for future road commitments."

Burton added, "The amount of taxes paid by area business people and industrial firms should entitle us to the finest roads in the state, instead of the worst. This not only is a protest for good roads, but also to point out that we are cognizant of what our state government officials are not doing for the citizens in this community."

Headed "Demand for Action—

Funds for Nameoki Road," each petition relates that "We, the undersigned citizens of Granite City and Illinois, urge that you, Governor Kerner, give all the assistance of your office to assure the people of Granite City that funds will be allocated immediately for the expansion of Nameoki road."

Completed petitions and letters will be mailed to the Jaycees at Post Office Box Three, Granite City. After being assembled, they are to be taken to Springfield and given to the governor and Francis S. Lorenz, director of Public Works and Buildings.

A special mail pouch is to be set up in the main post office lobby for letters by Granite Cityans to the governor on the need for the Nameoki road project.

"As we now know, funds have been promised for early in 1966 to start the improvement project," Burton said, "we believe that strong public support displayed through the petition campaign will insure the promise being fulfilled."

Two Radar Arrests

George Graefner, St. Louis, and Cecil Johnson, Rural Route One, were arrested on speeding charges on East 23rd street Tuesday morning as police operated a radar unit. The motorists were summoned for hearings on or before Oct. 22.

breakfast just as much as other children. They need to maintain the same late-morning efficiency. The high calorie snacking is detrimental to appetites, nutrition and the scales.

The breakfast meal should supply 1/4 to 1/2 of the day's supply of good foods, but also to point out that we are cognizant of what our state government officials are not doing for the citizens in this community."

Christmas Handicraft Class For Women Starts Next Week

Early-bird preparations for the Christmas season will get under way next week for Granite City women who register for the park district's Christmas handicraft program at the community center, 822 Niedringhaus avenue. The initial session will be held from 7:30 to 9 p.m. Wednesday.

Classes will be conducted during the same hours on consecutive Wednesdays for a six-week period. It was announced today by Harold Brown, park superintendent.

A display of the various crafts to be taught may be viewed at the first session, enabling participants to select the project they wish to undertake. A slight fee to cover the cost of materials will continue each Wednesday and include volley ball, basket-

Also of interest to women is a "Slimettes" program also to start from 8:30 to 10 p.m. in the community center, the park official said. Designed for fun and health purposes, the sessions will continue each Wednesday and include volley ball, basket-

ball, square dancing, as well as exercises.

The Slimettes program, now in its fourth year, will be directed by Mrs. Helen Bjorkman of the park recreation staff. Park district residents may participate free of cost, Brown said.

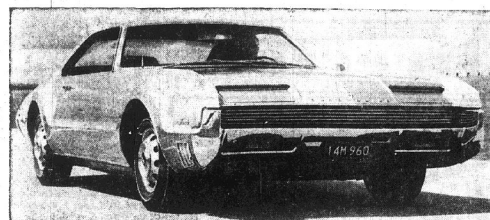

REV. MORRIS PLOTTS

Missionary to Speak At First Assembly

The Rev. Morris Plotts, a missionary evangelist of Lake Charles, La., will be the speaker at the 10:45 a.m. service Sunday at First Assembly of God Church.

Rev. Plotts returned recently from the newly-independent United Republic of Tanzania East Africa, and will describe conditions in that land so much in the news now. He has served as pastor, evangelist, convention and campmeeting speaker and now as a foreign missionary. For the past two years, at the request of the Foreign Missions Department of the Assemblies of God, he has been associated with the construction of a large evangelist center in Georgetown, British Guiana.

1966 OLDSMOBILE Toronado, with front-wheel drive, will be on display today at Woodrome Oldsmobile, 1905 Madison avenue.

Governor to Attend Dedication of Bi-State Airport

Gov. Otto Kerner is scheduled to attend a ceremony dedicating the rebuilt main runway and marking the official opening of Bi-State Parks Airport at Cahokia on Saturday. The program, to be attended by invitation by approximately 200 public and civic officials, is to begin at 3 p.m.

The program is to consist of a ribbon-cutting to signify the opening of the rebuilt runway and the dedication of a plaque commemorating the cooperative effort that brought about reactivation of the airport. A tour of the airport facilities, ending at Hanger One where refreshments will be served, also is planned.

Purchase, repair and improvement of the airport was made possible through a grant of \$1,077,475 by the Federal Aviation Agency, \$315,000 by the state of Illinois, an advance of \$500,000 by the city of St. Louis, and the sale of a \$1,700,000 revenue bond issue by the Bi-State Agency.

Invitations to the affair were sent out jointly by Harold G. Baker Jr., president of the Southwest Civic Memorial Airport Association, and C. E. Townsend, chairman of the Bi-State Development Agency board.

Woodrome Displays New Oldsmobile Toronado

Oldsmobile is introducing for 1966 a completely restyled line of F-85's, longer and lower looking 88's and 98's, and the long-awaited Toronado with front-wheel drive, the first truly unique American automobile in many years.

The Toronado, along with the rest of the 1966 Oldsmobiles, will be on display at Woodrome Olds, 1905 Madison ave., today. It was announced by William Woodrome.

In addition to the Toronado, the public will see two other Oldsmobile models for the first time: the Cutlass Supreme, a new F-85 four-door hardtop sedan; and a convertible in the Delta 88 series.

Disclosing details of the new

Oldsmobiles, Woodrome said, "Mechanically, all 1966 Oldsmobiles, including the F-85's Vista-Cruisers, Jetstar, Dynamic and Delta 88's and the 98's, have undergone significant mechanical changes to improve ride and handling, performance, comfort and safety."

"The 88's and 98's have been redesigned, giving them a longer, lower look, and styling for each series is more distinctive. In the F-85 lineup, interiors and exteriors are completely restyled, with more emphasis on Oldsmobile 'family' appearance."

In discussing the new Toronado, Woodrome described it as "an American original." He said it is a car designed for those who want the unconventional, the newest, in whatever product they buy.

Mrs. Mae Warren, 77, Dies of Cancer

Mrs. Mae Lillie (Sheets) Warren, 77, of 2421 East 23rd street, a 50-year resident of Granite City, died of cancer at 9 a.m. Tuesday, at St. Elizabeth Hospital. She had been ill for five months and in hospital one month.

A native of Piedmont, Mo., Mrs. Warren lived in that community until moving to Granite City in 1915. She was a member of the Calvary Baptist Church. Her husband, James Monroe Warren, preceded her in death in 1942.

Survivors include two daughters, Mrs. David (Lola) Mitchell and Mrs. Louis (Retha) Mehl, both of Granite City; four sons, David Warren, Edwardsville, and James, Vester and Ralph Warren, all of Granite City; nine grandchildren and 15 great-grandchildren.

Funeral services were held today. Arrangements are given elsewhere in this issue.

City, Civic Leaders Tour Port Facilities

A tour of facilities of the Tri-City Port District along the Chain of Rocks Canal was made Monday afternoon by a group of public and civic officials. The tour was arranged to precede a regular scheduled meeting of the Port District board.

The group of 11 persons, including Mayors Donald Partney of Granite City and Stephen Maeras of Madison, was taken over the Port district grounds and inspected the liquid storage tanks, railroad facilities, and other port installations.

The tour began at 4 p.m., followed by a dinner at 6:45 p.m. at the Sunset Hill-Holiday Inn. The Port District board conducted a brief meeting.

SECTION 11

NOTICE TO CONTRACTORS

8" Water Main Extension

To the Existing Water System

Village of Glen Carbon, Illinois

The President and Board of

Trustees of the Village of Glen

Carbon, Illinois, will receive

sealed proposals for the con-

struction of an 8" Water Main

Extension to the Existing Water

System in the Village of Glen

Carbon, until 7:30 P.M. CDST,

Tuesday, October 26, 1965, at the

Village Hall in the Village of

Glen Carbon, at which time and

place all bids will be publicly

opened and read.

The project consists of the in-

stallation of an 8" Water Main

Extension to the Existing Water

System in the Village of Glen

Carbon, Illinois, in accordance

with the plans and specifications.

Instructions to bidders, form of

proposals, plans, specifications,

and form of contract may be ex-

amined at the office of Shoppe,

Morgan & Schwab, Consulting

Engineers, 2021 Edison Avenue,

Granite City, Illinois. Copies

of the above may be obtained from

Shoppe, Morgan & Schwab

upon deposit of twenty dollars

(\$20.00) for each set of which the

Trustees of the Village of Glen

Carbon, Illinois, will be re-

funded upon return of the same

sealed proposals in good condition

within five (5) days after the opening

of the bids.

A bid bond, cashier's check, or

a certified check made payable

to the order of the Village of

Glen Carbon, Illinois, in the

amount of ten percent (10%) of

the gross amount of the bid,

must be deposited by each bid-

der with his bids as guarantee

that in case the contract is

awarded to him, he will, within

ten (10) days thereafter, upon

receipt of written notice of

award, execute such contract

and furnish a satisfactory con-

tract bond. Upon failure to do so,

he shall forfeit the deposit not as

a penalty, but as liquidation of

the bid.

The successful bidder will be

responsible for the cost of the

contract bond.

All proposals must be submitted

in envelopes furnished by the Engineer.

The Village Board reserves the

right to waive or not to waive

any irregularities in the bids and

to reject any or all bids and to

determine which is the lowest

and best bid for the improve-

ment.

By Order of the

President and the Board of

Trustees of the Village of Glen

Carbon, Illinois. 34-10-14
